PLAY PRESENTED AT DEBEC

A high class entertainment including a four-act character sketch "Aunt Susan's Visit" was held in the Foresters' Hall, Debec, on Friday evening, March 17th. The house was comfortably filled and the audience thoroughly enjoyed the program which was rendered entirely by local talent. Mrs. S. Carr was in charge of the musical items and was ably assisted by Messrs Harry and Clare Johnston and Mr. Gordon Hoyt. A very beautiful tableau was presented by Mrs. H. Steeves and the Misses Lawrence and Smith. An item which caused great merriment was an impersonation of Harry Lauder by Mr. George Johnston. Those who took part in the sketch were as follows: Mrs. Geo. Johnston, Mrs. Fred Fawcett, Mrs. Morley Flemming, Mrs. Howard Nason, Mrs. John Guy, Mrs. Charles Johnston, and Mrs. Janet Lawrence; the Misses Alice Thompson, Nellie Bustard, Katherine Laverty, Winnifred and Cola Carr, and Messrs Hugh Montgomery, Clifford Flemming and William Guy. The entertainment was held under the auspices of MacKenzie Corner Presbyterian Church Ladies Aid Society.

SPRING WEATHER HARD ON BABY

The Canadian spring weather—one day mild and bright; the next raw and blustery is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is so often over-heated and badly ventilated. He catches cold; his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or banishing colds, simple fevers, colic or any other of the many minor ailments of childhood.

They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

INVESTIGATION BY DR. W. F. PRINCE

Says Fires at Antigonish Were Set By Human Hands

Dr. Walter Franklin Prince, director of the American Society of Psychical Research, has summed up the results of his nvestigation into the fires and other mysterious happenings whch drove Alexander McDonald and his family from their homes at Caledonia Mills, Antigonish County, during the winter. He said the fires were undoubtedly set by human hands. They are never found on the wall paper higher than the reach of a person five feet tall, which is the height of the girl in the family. . . "But I am emphatically of the opinion that the girl, Mary Ellen, was not mentally culpable. She is mentally exceedingly young for her years, and within the past year has had singular 'dream states' from which it was difficult to rouse her. It is very probable that she was the victim of altered states of consciousness about which psychology has learned so much of late. Such was demonstrably the condition of Esther Cox, around whom similar phenomena in the 'Great Amherst Mystery' revolved

Canadian Woman Recommends Lydia E. Pinkham's Vegetable Compound

Winnipeg, Manitoba.—"I can not speak too highly of what Lydia E. Pinkham's Vegetable Compound has done for me. I was a nervous wreck and I just had to force myself to do my work. Life was a misery and work was a burden. Even the sound of my own children playing made me feel as if I must scream if they did not get away from me. I could not even speak right to my husband. The doctor said that he could do nothing for me owing to my condition, but told me to expect another miscarriage. My husband's grandmother advised me to take Lydia E. Pinkham's Vegetable Compound. I started it right away and everyone noticed what a different woman I was in a short time. I went and engaged my doctor and he did not know me, I was so well. I was able to do my work once more and it was a pleasure, not a burden. Now I have a 'fine bouncing baby' to use the doctor's own words. I am able to nurse her and enjoy doing my work. I can not help recommending such a medicine, and anyone seeing me before I took it and seeing me now, can see what it does or me. What it has done for me it can do for anyone in the same condition. I am only too pleased for you to use my testimonial."—Mrs. Emily Davis, 721 McGee St., Winnipeg, Manitoba.

GRAND MASTER OF I. O. O. F. VISITS AROOSTOOK JUNCTION

On Tuesday, March 21st, Aroostook Junction was honored by a visit from the Grand Master of the Maritime Provinces, W. L. Wood, of Windsor, N. S. The Lodge opened in due form at 8.00 p. m., and the Grand Master was introduced by the District Deputy, G. M., C. S. Gains. After the usual business had been completed, the Grand Master made an eloquent and most impressive speech, dealing with Oddfellowship at great length from the time of its inception on April 26, 1819, by five men at the city of Baltimore, and its struggles through the succeeding years until at the present time it numbers upwards of 2½ million members. An earnest exhortation was made to members to live up to the high standards of the Order and its great fundamental principles of "Friendship, Love and Truth," and in closing great stress was made of the splendid future if only Oddfellows lived up to their obligations. The Grand Master's address was listened to with rapt attention by the large assemblage of members, and visitors from Plaster Rock Lodge.

About 11 p m an excellent repast was served by the members of the Rebekah Lodge, which has just been formed in Aroostook, and the Rebekah members were then admitted to the Lodge Room and had the pleasure of istening to an able extempore address from the Grand Master, after which music and singing was indulged in until 2 a m. The Lodge closed with musical honors to the Grand Master, and everyone left with the feeling that they had passed one of the most enjoyable and instructive evenings ever spent by the members of Aroostook Lodge No. 119.

There were also several speeches by different members of Aroostook Lodge, and some merriment caused by Brother Coffley, N G of Plaster Rock Lodge, and Brother Langley of Watts Lodge No. 95, McAdam.
