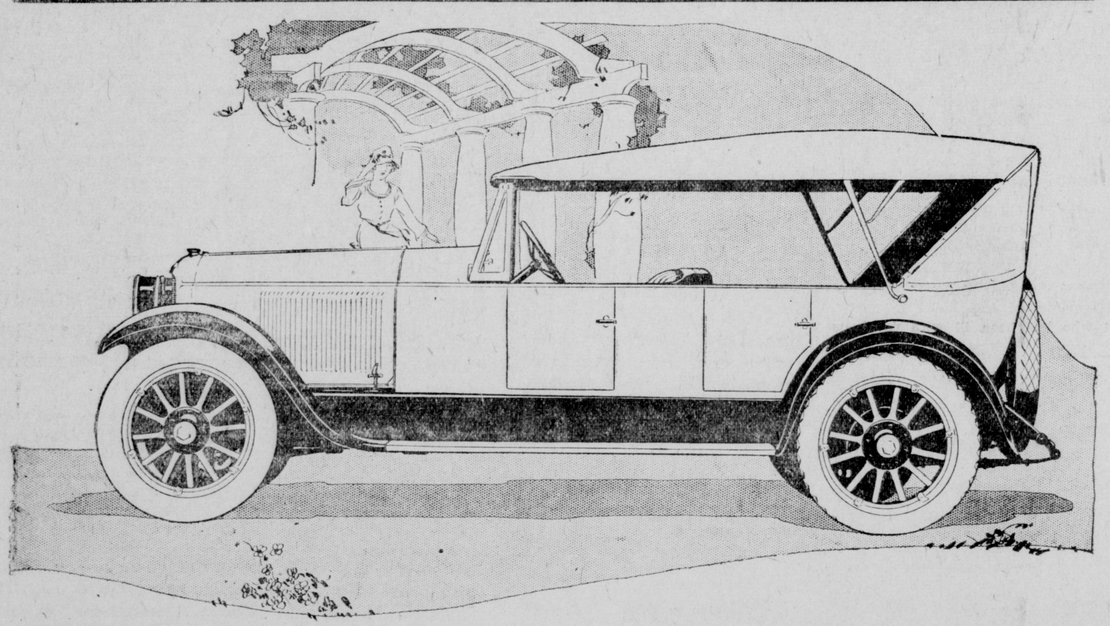
An Even Greater Master of The Highway



The New Series Paige 6-66 chassis, carrying improvements and refinements that mark still another mile post in automotive design and craftsmanship, is now ready.

The New Paige is the latest product of an organization that has been specializing for years in quality Sixes, with every year registering a distinct engineering and manufacturing advance. It is a great car made greater.

The New Paige clutch is, we believe, the greatest single advance ever made in clutch development, and permits quiet gear manipulation in conditions you have never considered possible. And the New Paige transmission completes the pure delight of speed changing by making it possible by the pressure of a finger.

Complete snubber equipment, fore and aft, is another added perfection. The New Series Paige simply floats its passengers over the roughest roads a motorists may find.

Two additional cross members further stiffen the titanic strength of the frame. Axles are Timken—the best that money can buy. And in this perfected chassis pulsates the great 70-horsepower motor. The 6-66 chassis is a proven unit of dependability. The Daytona Model holds every world's stock chassis speedway record from five to 100 miles.

The Master of the Highway is ready for another year of supreme service. Come in and see this distinguished and perfected series of motor cars.

SO MANY PEOPLE ARE NERVOUS

"Fruit-a-tives" the Greatest of all Nerve Remedies

This Fruit Medicine Restores Health

The increase in the number of *persons suffering from Nervousness* is world-wide; due, in a measure, to the reaction following the war. Sleeplessness, Headaches, Mental Depression, Rheumatism, Nervous Dyspepsia, Bad Heart Action, are the results of a disturbed condition of the Nervous System.

The nerves and the blood are so intimately, so vitally, connected that the condition of one is bound to affect the condition of the other. If the blood is laden with impurities, it is impossible to have strong, steady nerves.

The first essential in treating nervous troubles is to purify and enrich the blood. This, "FRUIT-A-TIVES" will do.

"FRUIT-A-TIVES" stimulates the bowels, kidneys and skin and purifies the blood. "Fruit-a-tives" improves appetite and digestion and insures food being properly digested, thus enabling the blood to carry wholesome nourishment to build up the body, particularly the nerves.

Men and women who take "Fruit-a-tives" for some form of nervousness—because they cannot eat or sleep or work or enjoy life—say that *this fruit medicine is simply marvellous in its action.*
