COULD NOT AGREE ON A VERDICT

Jury in the Murder Case Stood 10 to 2. Prisoner Was Returned to Jail, and Attorney General Byrne Announced He will be Put on Trial for the Fifth Time.

The fourth trial of John Paris ended in a disagreement Monday morning when the jury announced that after forty-six hours consideration of the evidence they had been unable to arrive at a unanimous decision. The final result was ten for conviction and two for acquittal.

The jury returned to the courtroom for the third time since retiring at noon Saturday, at ten o'clock and took their places amidst tense silence. In answer to the court they said they were not able to agree and after a poll had been taken they were discharged. The prisoner was remanded to jail, pending arraignment for the fifth trial.

The case is destined to go down as famous, if not unique, in legal annals, owing to the bitterness with which every point has been fought and the number of trials held. Old practitioners said this morning they were unable to recall any murder case which had been tried four times. That four trials could be carried on inside a year from the commission of the crime speaks volumes for the speed with which justice is administered in New Brunswick.

Paris will be tried again Sept. 26th. Chief Justice McKeown will preside.

YOUNG MEN OF WOODSTOCK LAUNCH LIBERAL SOCIETY

Forty enthusiastic young men of the town of Woodstock gathered together on Saturday evening to form themselves into a young Liberal association, with the express purpose of seeking in every way to spread broadcast the principles of Laurier Liberalism among the young men of or near voting age. An active campaign of organization is to be carried on throughout the County of Carleton, and possibly the entire constituency of Carleton-Victoria. Woodstock is to serve temporarily as the headquarters for Carleton county.

The executive chosen by the meeting is as follows:—Honorary president, the Hon. A. B. Copp, M. P., secretary of state; president, R. K. Jones; vice-president, Paul R. Bowlin; secretary, Jack Whitehead. A representative executive committee is to be announced later.

In a letter which was read at the meeting, the Hon. Mr. Copp cordially endorsed the plan, and the leading Liberals of the vicinity are enthusiastic in their approval. The organization augurs well for a new phase of Liberalism in the constituency and is unique in so far as it is the first of its kind in eastern Canada.

Why Do They Do It?

What makes people fill one theatre night after night for 443 nights for one play and stay away from another theatre with another play, as though it were a plague spot?

One play is doubtless as widely advertised as the other and the casts of both are probably equal in ability. And yet the crowd goes to one and stays away from the other.

Of course the answer is plain. One has merit; the other has not. The play which is to be given on the Chautauqua program is one of the few good ones, the few which have had exceptionally long runs in New York and Chicago, this proving without a doubt that "they have the goods."

"Turn to the Right" ran 443 nights in New York and 319 nights in Chicago. It is called "the comedy that will live forever." It has the heart interest of the ever-compelling story of mother-love. It is clean. People who are familiar with the Chautauqua type of play agree that this is a fine example of the type.

A special single admission price of \$1.00 is announced for the attraction, but season ticketholders will escape this extra tax. This looks like an opportunity for lovers of drama, especially comedy-drama. Woodstock August 22nd to 28th

Change in Business

PARTY LOST ON BLUEBERRY PLAIN FOUND IN SHACK

Six Young People Lost on the Blueberry Plains Back of Allandale

(Gleaner, Saturday)

Searching parties yesterday succeeded in finding a party of six young people from Pokiok and Woodstock, who had gone out to the blueberry plains back of Allandale, York county, on Thursday and had become lost.

The members of the party were: Percy and Freda Wright, the Misses Ritchey, of Pokiok, and Miss Stevens, of Woodstock. They left on their blueberrying expedition on Thursday morning and when they failed to return on Thursday evening parties were organized to go out and search for them.

But throughout the night they could not be found and on Friday morning the search was renewed. Large parties being in process of formation when word was received about noon yesterday that they had been located in a shack near the lake adjacent to the blueberry plains. There was general rejoicing when the news spread that the party had been found and the searchers who were gathered at Temple, Hawkshaw, Pokiok and Southampton were disbanded. The young people are between eight and twenty years old and well known in the community.

LOSES HIS ARM NEAR SHOULDER

Canterbury, N. B. Man Fearfully Injured by Discharge of Shotgun

A serious accident happened Sunday at Canterbury when in the premature discharge of a shotgun, Archie Wright's arm was so badly mangled that Dr. Griffin found it necessary to amputate near the shoulder. The affair happened while he was getting ready to shoot down a nest of hornets high up on a building. His condition was reported as satisfactory as could be expected. He is about fifty-eight years of age, and has a family.

LIEUT. JACK CHANDLER EXPECTED HOME SATURDAY

Lieut. Jack Chandler is expected on the noon train tomorrow (Saturday). He will be met by a committee of citizens and presented with an address and a rifle, which has been suitably engraved, as an expression of appreciation of his high standard of shooting at the Bisley matches. Everyone should try and be present to greet the young marksman.

ST. GERTRUDE'S PICNIC

With few exceptions, having been completed in this county this week, and the hard worked farmers will need a day off. The opportunity has presented itself in the form of the annual picnic of the congregation of St. Gertrude's Catholic Church, which will be held next Tuesday on the church grounds, Woodstock. On Thursday evening the committees completed the work of building the booths, etc., and all that is necessary is fine weather to enable all to enjoy one of the biggest picnics of the season. The Woodstock Band and an orchestra will furnish music during the afternoon and evening. It will not cost you anything to hear the band, so an invitation is extended to everybody to come along.
