

WINTER HARD ON BABY

The winter season is a hard one on the baby. He is more or less confined to stuffy, badly ventilated rooms. It is so often stormy that the mother does not get him out in the fresh air as often as she should. He catches colds which rack his little system; his stomach and bowels get out of order and he becomes peevish and cross. To guard against this the mother should keep a box of Baby's Own Tablets in the house. They regulate the stomach and bowels, and break up colds.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HIGHER TEA PRICES EXPLAINED

The Salada Tea Company, the largest distributors of tea in Canada, recently announced an increase in price on each of their blends. This

course was forced upon them, according to information received about the situation, in order to maintain the quality of "SALADA" Tea, when paying the highest prices ever recorded on the primary markets for the unblended leaf. The story of riots on the tea plantations, dock strikes in Calcutta to delay shipping, and the difficulty to obtain coolie labor to pluck the tea from the bushes, all bring home to us the fact that the social unrest that has been everywhere apparent since the war has spread even to the remotest tea gardens in India.

YOUNG DAUGHTER MADE WELL

Mother Tells How Her Daughter Suffered and Was Made Well by Lydia E. Pinkham's Vegetable Compound

Vancouver, B.C.—"My daughter is a young girl who has been having severe pains and weak and dizzy feelings for some time and had lost her appetite. Through an older daughter who had heard of a woman who was taking it for the same trouble, we were told of Lydia E. Pinkham's Vegetable Compound. My daughter has been taking it for several months and is quite all right now. It has done all it was represented to do and we have told a number of friends about it. I am never without a bottle of it in the house, for I myself take it for that weak, tired, worn-out feeling which sometimes comes to us all. I find it is building me up and I strongly recommend it to women who are suffering as I and my daughter have."—Mrs. J. McDonald, 2447 26th Ave. East, Vancouver, B.C.

From the age of twelve a girl needs all the care a thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time. If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make life easier for her. Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions.

The Eastern members of the Grand Circuit are certainly offering attractive purses.

Russell Ongale, 2044, will be one of Jack Kingsley's pupils when he gets located out in Ohio.

Ben White is to have Serene Mary, 2154, the 4-year-old trotting sister, to Miss Harris M., 1584.

Ad Van Houten plans to take Bill Sharon, 2044, from Worcester to Charter Oak track early in April.

Aroostook County sportsmen having had Jimmy McKerron and Mary O'Connor priced to them at \$15,000 each, are now seeking a price on Grace Direct.

WHY BABIES CRY

It's often hard to find the trouble — it may be teeth — it may be stomach — but oh! so often it is just a chafed irritated skin on which poor Soap has been used.

The remedy for this is so simple! Hours of suffering—night after night of disturbance—have been avoided by mothers, who have insisted on—Baby's Own Soap. Of course it costs a little more, a very little more, however—than what is often bought and used—but four generations of Canadian Mothers are there to vouch for its purity, for the soothing healing effect on Baby's delicate skin, for the lovely pure flower fragrance it leaves when Baby fresh and clean is taken from his bath.

Don't you think, Madam, it's worth paying the 15c a cake, a little less if you buy a box (3 cakes) which your dealer asks for Baby's Own Soap, Adv.
