Will Be Interested in Mrs. Thompson's Recovery by Use of Lydia E. Pinkham's Vegetable Compound

Winnipeg, Man.—"Lydia E. Pinkham's Vegetable Compound has done me good in every way. I was very weak and run-down and had certain troubles that women of my age are likely to have. I did not like to go to the doctor so I took the Vegetable Compound and am still taking it right along. I recommend it to my friends and to any one I know who is not feeling well."

Mrs. Thompson, 303 Lizzie St., Winnipeg, Man.

When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flashes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics.

This famous remedy, the medicinal ingredients of which are derived from roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Women who suffer should write to the Lydia E. Pinkham Medicine Co., Coughing, Ontario, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

THE HUMAN FACTORY

Its Motive Power is Rich, Red Blood

The human body is the busiest factory in the world. There is no eight hour day, no slack season, no holidays, no cessation of its labor at any time. Day and night work is carried on in the workshop of your body and it never ceases until the engine—your heart—stops forever.

The factory of your body has its motive power without which it would cease at once. That power is rich, red, healthy blood, which keeps your whole system efficient and which drives away all disease that may attack it. Often, however, the blood begins to fail and becomes thin and poor. It becomes loaded with waste and charged with poisons. Then it is that your bodily workshop goes wrong; your physical machinery becomes disorganized and you fall ill.

You become anemic, perhaps the nerves break down, or you begin to suffer from indigestion, neuralgia, general debility, with pains in the back, head or side. In this condition of bloodlessness, Dr. Williams' Pink Pills are just what you need. Their one mission is to make rich, red blood which brings health and energy to every part of the body.

Mr. Raymond Webber, Welland, Ont., tells what these pills did for him as follows:—"My blood was thin and watery, and I was in a badly run down condition. Pimples broke out on my body which caused me much discomfort. I would catch cold easily, which aggravated my condition. My brother advised me to try Dr. Williams' Pink Pills, and after taking about eight boxes I felt that I was again a well man. I have since recommended the pills with good results to others."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

and George Cumber.

My Uncle he has left me. He has gone to Heaven above. As we used to talk of Heaven, It was a place he really loved.

We all must meet our Saviour. In that happy home on high, I am glad that He is waiting Where our loved ones never die.

EDWARD LONDON

The death occurred on Friday evening, Jan. 26, of Edward London, at the home of his son, Howard, Division street, after an illness of nearly three years of paralysis, which was borne with Christian patience and fortitude.

Mr. London was the oldest son of the late Cavalier and Agnes McLellan London, and was born at Bloomfield, nearly 71 years ago, where he lived until about twenty years ago, when he moved to Upper Woodstock, and from there to Woodstock.

A man of sterling qualities, he was converted early in life and united with the Methodist church, of which he continued to remain an active member until the end.

He was twice married, his first wife, Angeline Savage, predeceased him 27 years, leaving six sons and two daughters, all of whom survive. He is also survived by his second wife, formerly Jenny Todd, of Fredericton, two brothers, Nelson, of Easton, Me., and William of Bloomfield; two step-sons, and thirteen grandchildren. The sons are Maurice, Howard and Lemuel of Woodstock; LeBaron and George of Upper Woodstock, and Elroy of Waterville, Me. The daughters are Albina, widow of the late E. C. Brooks, of Waterville, and Agnes, wife of C. O. McKinney, of Woodstock.

The funeral was held from the residence of Howard London, on Sunday afternoon at three o'clock and was largely attended. Rev. Mr. Condon officiated, assisted by Rev. L. J. Alley.

The remains were taken to Bloomfield on Monday, and interred in the family lot, the pall bearers being his six sons.

The floral offerings consisted of the following pieces:

C., Ralph of Koonstead, South Africa, Mrs. Harry Clarke of Winnipeg, Man., Miss Jennie of Morrisville, Vermont, and Mrs. Charlotte King, residing at home; also two sisters and one brother, Mrs. Ella Harris and Mrs. H.
