

Low First Cost.

The low price of Ford cars and trucks has been one of the great dynamic forces in the development of motor transportation.

Since January 1920 the average price of Ford products has dropped 38% and Ford prices are now the lowest in the history of the industry.

And because Ford prices are so low, the worker and his family enjoy the innumerable benefits and delights of owning an

automobile; the merchant and manufacturer extend their business into new and profitable fields by means of motor delivery; the farmer carries his fresh produce to the best markets with none of the old-time hardship and delay—and all for a very small initial investment.

Fifty out of every hundred cars and trucks in Canada are Fords—due to the public appreciation of Ford value.

Carnation—For Baking

YOU will find Carnation Milk a wonderful aid to good baking. Use it in your fillings and icings as well as for creaming vegetables, making soups and gravies. Serve the coffee with Carnation. Use it diluted in tea (one part Carnation, three parts water.) Use it undiluted with fruits and cereals.

Carnation is just pure fresh milk, evaporated to double richness, kept safe by sterilization. Order several tall (16 oz.) cans or a case of 48 cans from your grocer.

Cook with Carnation Milk. Write for our Recipe Book containing over 100 tested recipes.

GINGERBREAD: 6 tablespoons water, 3/4 cups flour, 1 cup molasses, 2 tablespoons Carnation Milk, 1/4 teaspoon salt, 3/4 teaspoon soda, 1 1/2 teaspoon ginger, 1/4 cup butter or lard. Sift dry ingredients together. Add liquids to molasses. Combine mixtures, add shortening and beat well. Pour into greased shallow pan and bake in moderately hot oven about 25 minutes.
