VOL. 77 No. 47

WOODSTOCK, N. B., FRIDAY, NOVEMBER 21, 1924

WHOLE No. 3934

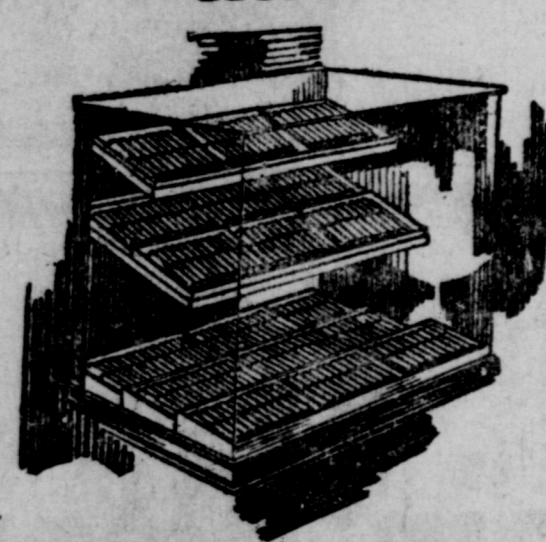

BLACK FRONT JEWELRY STORE

Birthstone---Topaz

Flower---Chrysanthemums

Many friends are credited to those who are born in November if they but diligently observe the powers of the birthstone. Topazes were among the gems offered Salome would she release him from his oath to give her what she wished. To exert their full power they are required to be set in gold; worn in this way they dispel vague terrors of the night.

A SERIES OF SHORT COURSES

On Tuesday, Nov. 18th, there was begun at the Carleton County Vocational School, under the auspices of the New Brunswick Vocational Education Board, a series of short courses, comprising Electricity, Motor Mechanics and Acetylene Welding. These courses, each of which is distinct in itself, will be of five weeks' duration.

Mr. W. B. Main, in charge of automotive mechanical courses for the Board of Vocational Education, supervises all courses and has direct charge of the course pertaining to Automotive Electricity. The Course in Motor Mechanics is in charge of Mr. McIntyre of St. John, an experienced foreman mechanic of long experience in the trade. Oxy-Acetylene Welding and Cutting Course is under the supervision of B. W. Kelly, Fredericton, while Mr. Murdoch MacKay of the Canadian Liquid Air Co., and Mr. A. M. Gimble, the Prest-O-Lite Company's expert, will be in attendance for the special advanced work in welding.

Ninety per cent of the time in each course is spent in actual shop work. The exercises and problems presented to those in attendance are not of the make-believe type. Cars of different makes, in bad state of repair, and actual welding jobs taken in from the surrounding community comprise the practical work done in the courses above mentioned.

The enrollment, numbering twenty-eight, seems quite satisfactory to those conducting the courses, but the opinion of one of the instructors was that the comparative small percentage of persons enrolled from Carleton County indicated to him a spirit of indifference towards a good thing. "We have students in attendance here from Devon, Fredericton, Forest City, St. John and other points down river, and the proportion of Carleton students does not compare favorably with the other representation, when it is considered that the courses are being held in the shire town of the County. "I am told," he continued, "that a great many from this particular section have recently gone to Detroit and other centres to pursue courses in Motor Mechanics and kindred topics. These courses represent to the individual attending an average outlay in the vicinity of \$400. And right here in Woodstock, there is being offered practically the same courses with equally as good instructors assembled, for a matter of a \$5.00 registration fee and a moderate outlay for living expenses."

It is still possible for a number of students to enroll in the above courses, providing that enrollment is not delayed beyond the next few days. The above courses will run at Woodstock until Dec. 20th. The three courses will be given at St. John, January 6th to February 14th, 1925, and at Edmundston, February 18th to March 28th.

OBITUARY

MRS. W. W. HAY

Henrietta H. Hay, widow of the late W. Wallace Hay, died on Thursday night at the home of her daughter, Mrs. Charles J. Jones, at the age of sixty-three years. Mrs. Hay is survived by one daughter, Mrs. Jones, one step daughter Mrs. Geo. H. Lutz, of Moncton; three step sons Arthur H. M. Hay, of Quebec; W. Cary Hay of Los Angeles and Burpee M. Hay, European representative of Willard Storage Batteries, Inc.; her mother, Mrs. Zebulon Jones of Central Greenwich, Kings County; three brothers, Lee Jones, of Edmundston; Norman Jones of Kenora, and Hildrick Jones of Central Greenwich and two sisters, Miss Ada Jones of Graton, Mass., and Mrs. Ford Walton of Central Greenwich.

The funeral took place from St. Luke's Anglican church at 2 o'clock, on Saturday afternoon. The pall bearers were Mayor J. R. Brown, Donald Munro, Charles Comben, A. G. Bailey, T. C. L. Ketchum, W. B. Belyea.

"Real Taxpayers" Ask Reasonable Questions—Will the Water Committee Explain the Business-Like Policy?

We read with great interest the so called explanation published in the Press and Sentinel of the necessity of raising the water rates 75% for the six months May to November of this year.

This may be perfectly clear to those experts and their advisers who handle town affairs but after careful study we must admit there are yet many things about this "CLEAR STATEMENT" that we do not understand.

This article says: "The matter of an increase and the reasons for it were thoroughly discussed in April last at a citizens' meeting held on the matter. Full explanations were given at that time." There was a meeting held and the matter was discussed at length.

Some councillors were conspicuous by their absence, but the chairman of the water committee made this statement:

"I will not explain anything, but at the end of the year I will give an account of my stewardship."

The meeting had to accept this statement from the chairman, but discussed the situation at length, from every angle.

At the close of the discussion the consensus of opinion was that if any thing near the quantity of water pumped was sold, and no discrimination as to rates, that there could be a reduction rather than a raise.

This meeting was well attended and those who were there will remember that these are the facts.

Having published in both local papers a statement bearing on the matter we take it that the water committee is now anxious to explain why this advance is necessary. If so they will no doubt be glad to answer a few questions that are puzzling a great many citizens.

In 1922 the personnel of the water committee was we think the same as this year.

Mr. Armstrong was town manager. The Town accounts for 1922 (when the town pumping cost two cents per KWH) show that the expenditure in the water department was \$15,728.83 as against \$27,400.00 proposed for 1924.

According to the water committee they will use for pumping in 1924, 215,000 K.W.H. of current at 3 1/2¢ per K.W.H. which will cost \$7525.00.

If they got this at two cents as in 1922 it would cost \$4300.00 so the increased cost of pumping, accounts, for only \$3225.00 of the \$11672.00 difference between 1922 and 1924. In Mr. Armstrong's report covering 1922 he says:

"It has been our object to gradually get the water department into such a condition that without increasing the rates, a sum could be set aside each year as a sinking fund, and depreciation account."

He further says: "This year (1922) water rates plus hydrant rentals, have covered water interest to the amount of \$4550.00, operation accounts, and a depreciation fund payment, of \$1090.00, and on top of this the year has closed with a reasonable credit balance."

The council of that year took great credit for so satisfactory a showing to and except (that Mr. Dunbar takes the Mr. Bell's place) the council was composed of the same men that year.

REAL TAX PAYERS.

THE SOUND BUSINESS-LIKE POLICY" of the water committee.

For any errors or omissions we will take correction kindly. We ask these questions in the spirit of humility which we realize the occasion warrants, and are actuated solely by a great yearning for fully understand. "THE SOUND BUSINESS-LIKE POLICY" of the water committee.

Port Arthur 1 carload
Regina 1 carload
Edmonton 1 carload
Vancouver 2 carloads

Within the past week carload lots of Moirs' Chocolates have gone forward as follows:
St. John 1 carload
Toronto 1 carload
Winnipeg 2 carloads
Calgary 1 carload
Charlottetown 1 carload
Montreal 1 carload

Around 170 tons of Moirs' Chocolates and confectionery in one week to these particular points, in addition to regular Maritime Province shipments and less than carload lots! It is doubtful if anything near the same amount has ever been shipped in the same period by any Canadian manufacturer.

PARISH PRIEST DIES IN GRAND FALLS

Grand Falls, Nov. 16—The death occurred here at 5 o'clock this morning, of Rev. Thomas Albert, pastor of the Church of L'Assomption. Father Albert was stricken with pneumonia three weeks ago. From the first his condition caused grave anxiety but during the last week he was thought to be convalescing. On Friday evening last he suffered a relapse from which he did not rally.

Father Albert was born at Albertine, Madawaska county, forty five years ago, and leaves one brother, Maxine Albert, of Albertine, and two sisters, Mrs. Belome Cyr, Edmundston, and Mrs. J. E. Fournier, Campbellton. He was educated at St. Anne de La Pocatiere, Quebec, and later studied for three years in Rome. He came to this parish three years ago upon the death of Father Johnner. Previous to that he had been 14 years in the church at Shippegan.

Rev. Father Albert undertook the building here of a convent school, now nearing completion, which will be one of the finest schools in the province. It is generally regretted that he did not live to see the work completed. The body was conveyed to the Church of L'Assomption this afternoon where it will lie in state until the funeral at 10 o'clock Tuesday morning.

GIRL AT PLASTER ROCK WAS SHOT BY BROTHER

Miss Violet Porter, 21 was killed instantly about 3 o'clock Monday afternoon at Everett, Victoria County, when she was struck in the head by a bullet from a rifle in the hands of her six year old brother. The bullet passed completely through the top of her skull and then went through the window of the room in which she was sitting.

The rifle had been left standing against the door of the kitchen by Clarence Cook, a friend of the Porter family, who had just returned from a shooting expedition in the woods near the house. He said to have taken what he thought were all the shells from the gun before he laid it down. Cook proceeded through the kitchen into the dining room, in which Miss Porter was seated, and just as he came near her chair, turned back to see the young boy pointing the rifle through the doorway towards his sister.

He cried out to the lad to drop the weapon but he was too late, the gun being discharged just as he spoke. The bullet struck the young woman just above her left ear, passed through her skull and continued on its way through a window. Death was instantaneous.

Miss Porter was the daughter of Mrs. Amy Porter, of Everett, and was the eldest of a family of eight. Both her mother and her grandmother were witnesses of the tragedy.

LOYAL TRUE BLUE ASSOCIATION ORGANIZED

On Monday evening last, Nov. 17, the District Deputy Organizer, Mrs. A. J. McKinnon, of McAdam, assisted by members from Surrender Lodge, organized a Loyal True Blue Association in the Orange Hall, Lodge to be known under the name of Steadfast No. 441. Officers elected and installed were:

Mrs. Margaret McKinley, W. M.
Mrs. Fern Cox, D. M.
Mrs. Burton Miller, Rec. Sec.
Mrs. Mae McKinley, Fin. Sec.
Mrs. E. Bird, Treas.
Mrs. George Sutton, Chaplain.
Miss Jennie Keesch, Dir. of C.
Mrs. Mildred Milbury, Conductor.
George Sutton, Inside Tyler.
James Thompson, Outside Tyler.

Mrs. Ford Walton, of Central Greenwich, N. B., who was here on account of the death of her sister, the late Mrs. W. W. Hay, returned home on Monday.
