BLACK FRONT JEWELRY STORE

OCTOBER
Birthstone---Opal or Tourmaline Flower---Cosmos

To October's child the Opal is the symbol of hope and happiness. The ancients attributed to it an influence for every possible good. Queen Victoria gave to each of her daughters as wedding gifts two opals, believing they would bestow a double portion of happiness.

The first written history of the Tourmaline was early in the 18th Century, so the stone is comparatively modern--so modern, in fact that it is unique in not being surrounded by myths or legends.

PROSPECTS FOR VOCATIONAL SCHOOL BRIGHT

The Carleton County Vocational School is entering upon its sixth year and the prospects for a large attendance were never brighter than they appear today. In one of our departments, the Commercial, the much increased enrollment has forced the authorities to add equipment to accommodate this year's large class.

A community's status in the section or sphere in which it is situated is largely based upon the intelligence of its residents. The knowledge, efficiency and business training of the residents, in turn, depends very largely upon the educational facilities which the community affords and the response and appreciation which is given the educational opportunities extended. Carleton County, in common with other sections of our province, can point with pride to its public school and efficiency. In addition, however, Carleton enjoys a distinction, envied by all other counties of our province, yea, many parts of the Dominion, in that it boasts a County Vocational School in which opportunity is afforded young men and young women for specialized training in their chosen vocations. That full appreciation is felt by Carleton residents for the additional educational facilities provided them by this institution is a question that might prove quite debatable. That there are a very great many more youths than are at present enrolled who can benefit from the instruction given, and whose circumstances are such that they might readily attend, is a fact that a brief survey of our community substantiates.

In an effort to create a greater interest in the school, and with the view of assisting those who seek further training, but who, perhaps, find themselves financially unable to do so, scholarships are to be awarded in each department of our school. One of \$25.00 is offered in the Home Making Department. The Commercial Department has one of like amount for competition, while the Department of Agriculture and Farm Mechanics will have two scholarships, each of \$50.00, for which students in that department will be eligible. The purpose of the scholarships is to provide a sum which can be applied to the defraying of living expenses while the student is pursuing his or her course. Just what basis will be taken on which to award the scholarships is yet undecided. They may be awarded to the applicants seeking enrollment who, besides being interested, have proved, by their past school record, to be earnest, ambitious students. On the other hand, being worthy and having only a fair education may prove the stronger basis on which to offer the assistance to attaining more education. To be frank, the authorities are undecided as to just how the scholarships should be awarded. We ask you, as an interested reader, whether a prospective student or a mature adult, to submit to us what you consider a fair basis upon which to award the scholarships, so that the best use and ends can be obtained.

The Commercial Course, which opened on September 2nd, has an enrollment of twenty-nine students, gathered from all parts of the county, while the Home Making Course, which opened at the same time, has sixteen young ladies pursuing the course. The above figures represent the maximum capacity of each of the above departments, and it will only be when the staff of teachers is increased and further accommodation is provided that a larger enrollment in the above departments can be seen. (Continued on page eight)

APPOINTMENT OF JUSTICE J. H. BARRY

Ottawa, Oct. 1--Justice J. H. Barry of the King's Bench Division, New Brunswick, has been appointed Chief Justice of New Brunswick in succession to Judge H. A. McKeown, recently appointed chairman of the Board of Railway Commissioners.

Louis Boyer, K. C., of Montreal in succession to Judge Thibault, Rinfret, who has been elevated to the Supreme Court of Canada.

Many policemen have a business side line, but that one who is said to have combined that of "bob" and robber overstepped the line.

SUDDEN DEATH OF REV. WM. B. WIGGINS

Moncton, Sept. 27--Rev. William Brunett Wiggins, former pastor of the Reformed Baptist church in this city, died suddenly this morning at his home 204 Bonaccord Street, as the result of an attack of acute indigestion. He was born at Central Norton, Kings County, August 22nd, 1854, and was educated in the schools there, later studying Arts at the University of New Brunswick. Soon after being graduated in 1874, he entered the ministry, holding pastorates at Madaket, Woodstock, Port Maitland and Moncton. He was in Woodstock and Moncton on two occasions, retiring in this city in 1916, returning as editor of the King's Highway, the official organ of the Reformed Baptists, in 1923. The deceased, who served so many years as an active servant of the church, is survived by his wife, formerly Miss Alice N. Goodspeed. He leaves no children.

Rev. Mr. Wiggins was one of the three pastors ordained at the organization of the Reformed Baptist Church at Woodstock in 1888. Rev. S. A. Baker, of this city, the present pastor of the Reformed Baptist church here, and Rev. Erna Hart, who died last year, entered the ministry at the same time.

Pretty Nuptial Event

A very pretty house wedding was solemnized at 2 p. m., Wednesday, September 24th, at 637 Queen street south, Woodstock, N. B., the residence of Mr. and Mrs. James Thompson, when their only daughter, Hazel Marie, was married to W. J. Henry Palin, eldest son of the late Arnold Henry Palin, of Gloucester, England, and Mrs. Palin, of 816 Broadway, Woodstock, the Rev. H. F. Rigby officiating.

The rooms were prettily decorated with white and yellow festoons and plants. In one corner of the room where the ceremony was performed, a background of beautiful plants was arranged and over the cushions placed for the bride and groom was an arch of evergreens and rowan berries, hanging from the centre of which was a large white bell.

The bride was charming in an exquisite dainty gown, tunic style, of white brocade silk net over white satin. The tunic was caught at the left side with two large white kid bows. The V-shaped neck and short sleeves were edged with lace. She wore a white tulle veil which fell to the ground and was fastened across the forehead with orange blossoms in the form of a tiara and carried a shower bouquet of white roses and maiden hair fern.

The bridesmaid, Miss Carrie Thompson, wore a frock of shirley-rose flat crepe with knife-pleated flounces and carried a bouquet of white and rose carnations.

Capt. H. Venables Palin, M. C., acted as best man. Owing to lack of accommodation only the nearest relatives and most intimate friends were present.

Mrs. Baker, of Hartland, gave a selection of wedding music on the organ during the ceremony and during the signing of the register, Miss Nancy Palin sang All Joy Be Thine. Mr. and Mrs. Harry Palin left by the afternoon train for St. John, N. B., where the honeymoon will be spent.

The bride received numerous beautiful and useful presents, including a handsome cheque from her parents.

VETERANS WILL ENTERTAIN

The local branch G. W. V. A. takes very great pleasure in announcing that they have made suitable arrangements with the Lyceum Circuit to present to the public a series of very high class musical entertainments by talented artists to take place during the fall and winter months.

The first number to be presented will be that of the Musical Duo, to take place Monday, October 13th, in the Club Rooms, Connell street, and it is the express desire of the local branch to fill the auditorium to a capacity house.

Much might be said of these two artists, but suffice to say they will render a program which will meet with the high approval of all, and it is hoped that they will be well patronized.

The local branch solicit the support and patronage of the public, who have always in the past been ever willing to assist. The proceeds derived therefrom are to be used for the express purpose of carrying on the work of the Association and with this worthy cause in view, big results are expected.

Tickets are now on sale for the Musical Duo, price 75c. Buy one, help the Vets, and at the same time come and enjoy a thoroughly high class concert.

The place--Club Rooms, Woodstock; The Date--Monday, Oct. 13th. The Cause--A Worthy One; The Entertainment--Unsurpassed.

H. W. CORNING IS DEAD

Mr. Howard W. Corning, of Chignecto, N. S., M. P. P. for the county of Yarmouth and leader of the Conservative opposition in the Legislature, passed away at the Victoria Public Hospital, Fredericton, at 11 o'clock Monday morning. His death was due to an attack of typhoid fever which he contracted while attending the Toronto Exhibition. He came to Fredericton two weeks ago from Toronto in charge of a herd of cattle for the exhibition, and being in poor health, was admitted to the hospital for treatment. His wife and sister, Mrs. Lillian H. Sanderson, of Yarmouth, arrived soon afterwards and were with him during his illness at the hospital.

The late Mr. Corning was not only prominent in political life, but enjoyed a wide reputation as a breeder of pure-bred cattle. His fine herd of Guernseys was shown this year at Toronto, Woodstock and Fredericton. Mr. Corning was well known and highly esteemed by the directors of the local exhibition and his death under such sad circumstances is keenly regretted, and much sympathy is expressed for the bereaved widow. The deceased was forty-five years of age.

Mr. Maxwell, manager of the Woodstock exhibition, was deeply grieved when he heard of Mr. Corning's death. "He was a genial, kindly and fair-minded gentleman," said Mr. Maxwell, "and one of our best exhibitors. His fine herd of Guernseys was always a most attractive feature."

I. O. D. E.

The regular monthly meeting of Carleton Soldiers Memorial Chapter Imperial Order Daughters of the Empire will be held in the Reading Room of the Library, Tuesday evening, October 7th. R. K. Jones will address the meeting.

WOODSTOCK FAILS TO NAME REVISORS

Provincial appointments are gazetted as follows:

J. Henry DeWitt and Frank R. Pickel, revisors for the town of Woodstock, on account of the town council having failed to appoint revisors.

Frederick Brown, of Lower Brighton, and Wallie Birmingham, to be justices of the peace.

Dr. B. R. Field, of Centreville, to be a coroner.

R. F. ARMSTRONG GOES TO WINDSOR

The town of Windsor, N. S., has decided to adopt the town manager plan of civic government and for their first town manager has chosen R. Fraser Armstrong, C. E., son of R. E. Armstrong, secretary of the Board of Trade.

R. FRASER ARMSTRONG

Mr. Armstrong was for some years town manager for Woodstock, and made a big success there. It is largely on the record he made there that he has been engaged by Windsor. About two years ago he resigned at Woodstock to link up with the Citizens' Research Institute of Canada and while with them has carried out some important surveys. He was also for about two years engineer of the water and sewerage department of St. John, resigning that position to go overseas during the war.

It is understood that at the present time he is engaged in making a survey for a large corporation which has branches at Hamilton, Ont., and in several cities in the United States. He is to take over his duties at Windsor the latter part of this year. Telegraph Journal.

'London's Great 8' Returning

It is good news indeed to hear that "London's Great 8" the English Musical and Comedy Company which appeared before local audiences last March, at the Capitol, will return for a limited engagement on Monday and Tuesday, Oct. 13th and 14th, with matinee on Tuesday.

Coming as they do, just at the beginning of the new theatrical season, this announcement is doubly welcome, for this company, has above all others left a feeling of affection in the hearts of all local music lovers. This company is the first of its kind to visit Canada, but they have been received everywhere with open arms, and great praise has been heaped on them by the newspapers throughout Eastern Canada. Since last appearing here they have made successful appearances in Montreal, Toronto, Hamilton, Ottawa, and all other large centres in Ontario and Quebec.

The company is preparing for a tour of Western Canada, which starts immediately a limited number of engagements have been filled in Eastern Canada, and the company expects to arrive at the Pacific Coast shortly after the New Year.

They return to us firm friends, and with all their new programs and new comedy numbers, their success is already assured.

Make your reservations now at box office. Many are sure to be disappointed. Avoid any disappointment whatsoever.

New Zealand Responds

Recently, as you know, a New Zealand firm sent for samples of Moir's Chocolates. Apparently they were found good, for already ten cases have been ordered, the demand coming as soon as

the samples were received.

And here's news that means much to all with a sweet tooth: four new lines of Marshmallow have been placed on the market: Pink, White, Toasted, and Moss. Dealers are getting them in five pound boxes. Some homes will find the full box none too little for an evening's entertainment.
