Presentation to Retiring Firemen

Woodstock Hose Co. No. 1 made presentations to two retiring members on Wednesday night.

The members of the Woodstock Fire department gathered at their quarters and, after a few remarks by the secretary W. B. Manzer, a very handsome combination bag was presented to the retiring secretary Ald. C. J. Jones, and Mr. J. Henry Dewitt was given a Masonic charm and chain. Messrs Jones and Dewitt made fitting replies.

The secretary, W. B. Manzer, addressing the guests said in part:—

"You have been invited here this evening so that the members of Hose Co. No. 1 might show in some measure their appreciation of your valuable services not only to the department, but to the public at large. I am only speaking the sentiments of each and every member, in saying that the record of you two gentlemen were exceptionally good, and we realize the great loss the department is sustaining. Suffice it to say that we are grateful for the services rendered by you both, and as a small token of our appreciation I have very great pleasure in making these presentations on behalf of Chief Bolger and the members of Hose Co. No. 1."

After the presentation a much enjoyed evening was spent in cards and songs.

IN MEMORIAM

In loving memory of Wilmot Grant, who died June 4th, 1925;

Sad and sudden was the call,
Of him so dearly loved by all.
For oft is shed a silent tear,
Time, no never, can erase,
The memory of his silent face.

Would You Let
A Cobbler

Your
Clothes?

Certainly not! Don't permit anyone other than an OPTOMETRIST to examine and prescribe glasses for your eyes. He only is competent to perform such an important mission.

The next step is to have your frame or mounting fitted and adjusted by an OPTICIAN. The "Fit" of a frame or mounting is important.

Both branches of this service are united here; enabling us to supply dependable glasses and guarantee satisfaction or money refunded.

MY SIX LITTLE ONES
USED BABY'S
OWN TABLETS

Mrs. John A. Patterson, Scotch Village, N. S., says:—"There are six children in our home, and the only medicine they get is Baby's Own Tablets, and I have not known the Tablets to fail when a medicine was needed. No mother should be without the Tablets in the house." Like Mrs. Patterson thousands of other mothers are quick to praise Baby's Own Tablets for bringing health and comfort to their little ones. The Tablets are a mild but thorough laxative which regulate the stomach and bowels, thus banishing constipation and indigestion, colds and simple fevers, and making teething easy. They are guaranteed to contain no opiates and are perfectly safe for the youngest child.
