Dazzling

NEW swiftness

greatest getaway • greatest speed • greatest flexibility

THRILLING new swiftness of operation in all gears! A dazzling acceleration, fully in keeping with the dazzling lines and vivid beauty which identify the 1929 McLaughlin-Buick as an epic achievement in fine-car history.

An almost lightning response to your demand! A getaway and flexibility in traffic, brilliantly, breathlessly new! New top speeds that few drivers will care to attain!

Greatly increased power—new and advanced carburetion—new high pressure gas pump—and other vital advancements in the world-famous, McLaughlin-Buick valve-in-head six-cylinder engine—have produced superior performance in what was already the most powerful engine of its size in the world.

Try this new performance! Drive it and you'll agree you've never driven such a car before.
