Life looks rosy for him

Health worth more than fortune

THE baby to be envied is the one who is born with an inheritance of perfect health, to begin with. And who's lucky enough to have a mother who knows how to build up this fortune.

"Perhaps I'm old-fashioned," she'll say to the doctor who pronounces her child physically 100% at a baby show, "but this health certificate means more to me than all the stock certificates in the world. If my baby grows up strong and well, I'm willing to leave it to him to make a career and fortune for himself."

"Already I'm teaching him the value of regular habits. Regular sleep, regular meals, regular functions. He's never once been off schedule, not even when he was cutting teeth or traveling to the country. I make sure of that by giving him Nujol regularly."

Nujol works so easily and naturally that it won't upset a baby under any conditions. It keeps everything functioning properly. It not only prevents any excess of body poisons (we all have them) from forming but aids in their removal. It is safe and sure. Nujol was perfected by the Nujol Laboratories, 26 Broadway, New York.

HONORABLE MENTION.

Woodstock Girl's Article is Published in Leading New York Young People's Magazine.

The following sent the Carleton Sentinel from the St. Nicholas Magazine, New York, refers to Miss Janet Clarke, daughter of Dr. and Mrs. G. Fred. Clarke, Woodstock: Janet Schubert Clarke, of Woodstock, New Brunswick, has just received honorable mention in the St. Nicholas League. Her article, which appears in the April number of the St. Nicholas Magazine, is as follows:

"From a Small Beginning
"By Janet Schubert Clarke
"Looking at beautiful vases and other pieces of china and pottery, do we realize that they were once pieces of clay in the ground?"

As the wheel spins round and round, the potter throws on bits of clay. Then he begins to mould with skilful fingers, working from the bottom upward. The vase begins to take shape and at last it is all beautiful curves and lines, produced by the hand and eye of the potter. The neck is usually lengthened for artistic effect.

After baking in a furnace, it is dropped in some glazy substance

and dried in the heat.

An artist paints a pattern on the vase, and it is ready for sale.

From a plain lump of clay worth only a few cents, has come this vase for which men will pay hundreds of dollars, and which may adorn a king's palace."

Janet Clarke has not won any of the League prizes before, and as she is only thirteen years old, it is all the more noteworthy that she should be able to gain a place among the winners of these monthly contests of ST. NICHOLAS, where the competition is so keen and the number of competitors so large.

WATSON SETTLEMENT

Miss Jessie Samphier is spending her Easter vacation at her home in Woodstock.

A number of the neighbors gathered at the home of Mr. and Mrs. Granville McLellan and gave them a surprise party. They expect to leave in the near future to make their home in Hartford.

Miss Thelma Bell, who is attending Woodstock Vocational School, and Miss Alice Gartley, who is attending Woodstock High School, spent the holidays at their homes here.

Misses Mae and Thelma Bell, Misses Jennie and Rachel Gartley, and Miss Mildred Sproul, spent Friday afternoon at Mrs. T. J. Bell's.

Miss Edna Gartley called on the school last week.

James Crawford, Jacob McLellan and Burnham Wilson call on friends here quite often.

Eldon Kerr is employed with Wil-mot Kerr this spring.

Miss Mildred Montgomery spent the week-end with her sister, Mrs. G. McLellan.

Alfred Strong has been helping Arthur Sproul get up wood.

Charles Upton spent an evening last week at Mr. Elvin's.

WILLIAMSTOWN.

Williamstown, N. B., April 1.—A number of people from here attended a dance in Gregg Settlement, near Centreville, one night last week. They report a very pleasant time.

School, spent Easter with their mother, Mrs. Jane Savage.

Over sixty gathered at Mr. and Mrs. David Pryor's one evening, and presented their daughter Ruby with a shower of useful material for house-keeping.

Horace Stoddart is in very poor health. He has been so for some years, but cannot go out much now. Mr. and Mrs. Eddie Smith were visitors last week at her father's, Mr. Buchanan, Royalton.

Bradley brothers were saving their year's wood last week. James Bradley has had a cancer drawn from his lip without pain,

an unusual operation. Dr. Dalton attended the case.

Frank Pryor lost a valuable cow lately, choked with a potato.

The snow is nearly gone, parts of the roads being bare. The weather is changeable. Tonight it is raining, with loud thunder and very vivid lightning.

Those that had the flu have all recovered.

GOING IT

Mother—I'm afraid Robert is burning the candle at both ends.

Father—Bah! That boy has cut the candle in two and lit up all four ends.

NEW BRUNSWICK

For Protection of New Brunswick Roads

During Early Spring

To prevent damage to road surfaces and road foundations is one of the aims of The New Brunswick Highway Act, which contains important provisions concerning the operation of motor vehicles or teams on the highway during the Spring months.

It is provided that on all New Brunswick highways:

"No person shall operate a motor vehicle (outside cities and towns) between the 15th day of March and the 20th day of May, without the permission of the Chief Highway Engineer or District Highway Engineers; or unless permission for the use of the highways is given by the Department of Public Works, notice of which shall be published."

This restriction does not apply to medical practitioners, nurses or clergymen in pursuit of their profession or to the driver of any ambulance attached to the service of any hospital or police department.

It is further provided:

"No vehicle carrying a load weighing more than 3000 lbs., no portable mill on wheels, no log hauler or tractor engine shall be operated upon the highways between the above dates without a written permission from the Supervisor of the Road Division."

Violation of either of these provisions carries a fine not exceeding \$50.00 for each offence.

Highway Traffic officers and the Provincial Police are instructed to apprehend those who disobey the law.

Your co-operation is sought in an effort to protect New Brunswick Roads, which are your property. Thank you!

New Brunswick Department of Public Works
