MARRIAGES.

SMITH-MARGISON

An event of much interest took place at the United Baptist parsonage, Victoria, N. B., on September 13, when Gordon Smith of Woodstock, N. B. and Dorothy Margison of Upper Woodstock were united in marriage by Rev. L. A. Fenwick. After the ceremony the couple motored to the home of the bride's parents, Mr. and Mrs. Wesley Margison, Upper Woodstock where a reception was held. The happy couple then started on a motor trip to the New England States. On their return they will reside in Woodstock.

McARTHUR-WALTERS

At the United Baptist Parsonage at Victoria, N. B., on September 14, an event of interest occurred when Donald McArthur of Woodstock and Lois Walters of Teed's Mills, Carleton Co. were united in matrimony by Rev. L. A. Fenwick in the presence of immediate relatives. The happy couple left by motor for a bridal tour through the province and on their return will take up residence in Woodstock.

SCHOOL FOOTBALL

Woodstock High School will not place a football team in competition under its own name this season it has been decided, as the material available does not promise a very strong fifteen. Instead the High School squad will be amalgamated with that of the Vocational School which has several good players, and will play exhibition games under the name of Woodstock Schools or some similar name. The graduating class of the high school recently elected the following officers: president, Wilfred Kirkpatrick; vice-president, Frances Dunbar; secretary-treasurer, Muriel Mair.

128 NEW MEMBERS

128 new members were secured for the Carleton County Branch of the New Brunswick Fish and Game Protective Association, as a result of their booth at the Woodstock Exhibition. Although the booth was intended as a purely educational feature it is felt that from the standpoint of increased membership it was well worth the time and trouble expended. The Association are grateful for assistance from Messrs. J. L. Catt, of the Saint John Hatchery, Shillington, of the Florenceville hatchery, Charles Kirkpatrick, Woodstock, and Harry Bradbury and George Davis, Fredericton.

TO APPEAR SOON

A series of nature stories under the title The Monarch of Tamarack Bend, written by Dr. G. Fred Clark, of Woodstock, will be published in England in the near future it has been announced. The series will appear first in the Nature Annual and later in book form by Wm. Collins and Son, London and Glasgow, one of the oldest publishing firms in the United Kingdom.

Dr. Clark's nature stories are rapidly winning him a place in the first rank of Canada's younger school of writers and he is receiving numerous congratulations on his latest success.

LEAVING FOR COLLEGE

Several members of the class which graduated from Woodstock High School in June are entering Maritime colleges this fall. Some of them have already left while others will do so within the next few days. Among them are: Robert Stevenson and Helen Fitzsimmons, University of New Brunswick; Jack Gardiner and Frances Squires, Mount Allison; Elizabeth Richardson, Acadia; Gerald Maguire, St. Joseph's; Wilfrid Bowlin, St. Francis Xavier.

HURT IN CRASH

Fredericton, Sept. 16.—Gravely injured as a result of an automobile accident on the Woodstock road on Monday afternoon, William Foster, 22, Forest City, Me., is a patient in the Victoria Hospital here, as is his sister, Miss Maxine Foster, 21, of Monticello, Me., whose condition is said to be serious.

The automobile in which they were riding, driven by Foster, collided with a N. B. government truck, driven by Arthur Huggie, of Barker's Point, at a sharp bend in the Woodstock road known as Goodline's turn, about 12 miles from here. Huggie escaped injury.

FOR 9 YEARS GAS

RUINED HER SLEEP

"Due to stomach gas I was restless and nervous for 9 years. Alderika has helped me so that now I eat and sleep good."—Mrs E. Touchstone.

Just ONE spoonful Alderika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes all waste matter you never thought was there. No matter what you have tried for your stomach and bowels, Alderika will surprise you.—NEWHAM & SLIPP, Druggists.

Assistance Given to Poultry Raising

THE sale of Pedigreed Barred Plymouth Rock Breeding Cockerels under the same bonus system in vogue during the past three years will be continued in New Brunswick this season by the Poultry Division of the Department of Agriculture in co-operation with the Dominion Live Stock Branch.

Since many orders for cockerels have already been booked and the supply of choice pedigreed birds is never large, if interested, write at once for full particulars.

A Campaign for the Blood Testing of Poultry for the eradication of Bacillary White Diarrhoea which causes the death of thousands of young chicks each spring, will be directed by the Poultry Division, beginning about October 1st next.

Full information regarding this work will be mailed on application to Poultry Division, Fredericton, N. B.
