Recommendation On Motor Pumper Expected Tonight

Committee Directed To Make Report

TOWN COUNCIL DISCUSSES
MATTERS ARISING OUT OF
RECENT FIRE; OTHER
BUSINESS

A recommendation as to what will be done toward securing motorized fire equipment for Woodstock is expected at this evening's meeting of the town council. The matter was discussed at a meeting of the council on Monday evening and referred to the fire committee, with instructions to bring in a report at the next meeting. Discussion of the fire on Sunday, May 24, and matters arising from it occupied much of the session.

Mayor Page reported that he had been in communication with the Houlton Selectmen asking for a bill for their pumper and the services of fifteen men of their fire department. He had received a reply that it was remembered that Woodstock had given similar assistance to Houlton in 1902, and that no bill would be rendered.

On motion of Councillor Johnston the council went on record as expressing appreciation of the action of the town of Houlton, and also directed that a cheque for \$100 be sent to the Houlton fire chief for the benefit of his men.

G. M. McPhail, town manager, reported that he had attended a meeting of the Board of Fire Underwriters at Saint John with Councillor Ridley, asking what reduction in rates could be obtained if a motor pumper of less than 1000 gallons capacity was purchased by the town. He had been advised that if a smaller pumper, of type approved by the board, should be secured, a reduction would be made of fifty per cent that promised if a 1000 gallon engine were bought. The board had pointed out, Mr. McPhail said, that the present rate was 75 cents in Woodstock, just the same as in Moncton, where the apparatus was motorized. The board had advised him that any new rate granted would not be increased unless there should be some great increase in the fire hazard.

Dr. T. F. Sprague Is Winner Of Holiday Match

LAYING OF SEWER NEARLY COMPLETED

OLD WATER MAIN CAUSES SOME DELAY IN EXCAVATING TRENCH

Work on the sewerage construction which is being done as part of the unemployment relief program is now nearing completion. The sewer has been laid the entire length of King street and up Main street almost to Connell street where it is being cut over to the old sewer. It had been expected to have the work completed this week, but delay was caused when the workmen struck an old water main on the same level as the sewer. This necessitated digging the trench several feet deeper for a distance of about 40 feet, which meant much extra work as the sewer had been laid on a rock ledge which had to be blasted away before the excavation could be deepened.

WOODSTOCK TAKES TWO FROM BANGOR

HOME TEAM MAKES CLEAN SWEEP OF DOUBLE BILL ON HOLIDAY

The Woodstock ball team took a double header from the Bangor School of Commerce on Wednesday at the Island Park, winning the afternoon game by a score of 13 to 9, and also nailing the visitors out in the evening by a count of 3 to 2.

Kilpatrick, who pitched for Bangor in the afternoon, was batted hard and the local team had an apparently safe margin of 13 to 2 going into the ninth inning. The visitors then came to life and pounded out a shower of clean bingles of Turnbull which netted them seven runs.

The evening game was a pitching duel between Blair, for Woodstock, and Driscoll for Bangor. Strong defensive work pulled the home team through as with one run needed to tie. Bangor had men on second and third in the ninth inning. The squeeze play was foiled twice, one runner being caught at the plate, and the next time the batter being thrown out at first without the men on bases being able to advance. Moores made the final putout to retire the side.

Turnbull hit three three-baggers, two doubles and two singles in nine trips to the plate in the two games.

Miss Lucy Leighton of Presque Isle, spent the week end in town with friends.

Rev. Thomas Pierce is the guest of Mr. and Mrs. F. C. Squires.

PIANO RECITAL

PUPILS GIVE AN INTERESTING PROGRAM

A recital given in the vestry of St. Paul's church on Saturday afternoon, by the pianoforte students of Miss Marion Lindsay, was very interesting and enjoyable. The students receiving very favorable comment upon their performance.

A feature of the program was several selections by the Rhythmic Orchestra, which type of orchestra is now being used a great deal, as a means of instilling a keen rhythmic sense in children, as well as being one of the best possible methods for developing concentration, and for encouraging whole-hearted teamwork.

Between parts 1 and 2 of the program, Mrs. Grant sang two songs for the children, "An Open Secret" and "There Are Fairies at the Bottom of Our Garden," both of which were very much enjoyed.

At the close of the program, on behalf of his fellow-students, Donald McElroy presented Miss Lindsay with a lovely bouquet and a nice gift, as a mark of their regard, and appreciation of her instruction.

Those taking part in the program were:

Dorothy Stewart, Phyllis Hay, Dorothy Patten, Donald Stewart, Margaret Denning, Shirley DeWitt, John Simms, Doris Spicer, Dorothy Reed, Robert Brown, Katherine Reed, Muriel Birmingham, Claudia Smith, Elva Ross, Grace Emery, Paul Oliver, Ruth Mitchell, Jacqueline Britton, Katherine Tweedie, Constance Jones, Alberta Bailey, Doris Scott, Donald McElroy, Dorothy Denning, Mabel McBride, Dorothy Drost, Marion Graham, Barbara Scott.

MAINE COUPLE HAVE A NARROW ESCAPE

CAR LEAVES ROAD ON FRANKLIN HILL AND IS BADLY DAMAGED

James W. Allen, of the staff of the Bangor Daily News, and his wife, had a narrow escape from death on Sunday morning when their car left the road on the Franklin Hill, on the trans-Canada highway, north of Meductic. The car was badly damaged but the occupants escaped with painful, although not very serious, injuries. Mr. and Mrs. Allen, who were returning from a fishing trip to the Miramichi, were driving at a smart clip when they met another car as they reached the crest of the hill. Mr. Allen pulled over to his own side of the road and in doing so got in the loose gravel on the edge of a hind wheels going over. The car turned over twice before coming to rest about 40 feet away.

Mr. Allen escaped with a bad cut on the back of the head, which took three stitches to close. Dr. J. F. L. Brown was summoned and gave first aid. Some difficulty was experienced (Continued on Page Eight)

THE LEADING CANDIDATES STRUGGLE FOR SUPREMACY AS RACE DRAWS NEAR END

Several Workers Are in Position to Win First Honors If They Take Advantage of Credits Now Offered On Trade Cards

The liveliest part of the campaign is now at hand and while all the workers are exactly on the same footing at the same time, those who want to and will can forge ahead and corral the winning credits, at this time. Frequently some candidate may take such a commanding lead that all the others are outclassed, but such is not the case in this drive.

The struggle for supremacy has not been finished, it is really only starting for all are knotted tight in workers entered. The workers are so evenly divided and the credits of the leaders are so close, that the race is where it was in the beginning. Indeed this campaign is to be a battle of credits from now on and only the workers who are determined to win through relentless activity in credit getting will achieve the valuable awards on June 18th.

New Way to Get Credits.

A new opportunity, which will earn hundreds of thousands of credits, is now offered the candidates in the sale of advertising and job printing cards. This new way to gain credits is sure to prove a big incentive to all earnest workers.

These cards are sold in three denominations, \$10, \$25 and \$50. The \$10 card entitles the purchaser to \$10.50 worth of advertising space in the Carleton Sentinel or job printing and earns the candidate \$9.00 credits. The \$25 card entitles the purchaser to \$26.25 worth of business and earns the candidate 150,000 credits; the \$50 card is worth \$52.50 and earns 400,000 credits. Business Men: Here is your opportunity to better yourself and at the same time put your favorite over the top.

Every candidate who entertains any hope of winning one of the grand awards must take full advantage of this offer to sell Trade Cards and pile up a huge credit total. It is a safe prediction that the next few days will be the most exciting ones of the campaign and that there will be more concerted action than at any time since the drive began.

Public Interest

As the closing days roll around much interest is seen back of a number of candidates. The spirit and enthusiasm of the campaign has spread to friends and acquaintances and several groups have issued the edict that their particular favorite must be the winner of the first honors and the big grand award. Some boosters are getting a little out of satisfaction out of helping their favorite and it is this help that is urging each and every worker on to victory and glory.

The lodge or club or circle of friends to which a candidate belongs should step right up now and cast their strength into the race. Suppose one of your number is close to the top and is defeated because you were a laggard, you would be eternally ashamed to think of your part in the defeat. Have you a personal friend or a business acquaintance in the campaign? Then help him or her to win. It only takes a few minutes to call a list of your friends and they will be glad to give their subscription or advertising and job work to your favorite. Remember, there is only a short time left in which to make a showing.

FORFEITS DEPOSITS

HOULTON MAN ARRESTED FOR FIGHTING

Local police answered a telephone call from Upper Woodstock on Saturday to investigate a complaint that two men were fighting. On their arrival they found only one man left, Fred Dunn, of Houlton. Dunn was put under arrest and was left under guard of Officer Barry Schriver while the other officers went to look for his companions. The prisoner appeared to be very excited, and struck the officer. Search failed to locate his companions. Dunn was brought to the Woodstock jail and later released on deposit to appear on Monday. He failed to appear and forfeited his deposit.
