C. L. I. OFFICER WINS COVETED MEDAL

LIEUT. D. O. WHITE CAPTURES GOVERNOR-GENERAL'S MEDAL AFTER TRIPLE TIE

Connaught Ranges, Ottawa, Aug. 14—A storybook finish and a smashing climax to a week's fine shooting ended the Dominion Rifle Association annual shooting matches here, and today the range is nearly deserted.

There have been many strange situations on these ranges; many amazing endings, but none perhaps quite so amazing as the present.

Lieut. D. O. White, 24-year-old school teacher from Grand Falls, N. B., a member of the Carleton Light Infantry, yesterday won the Governor-General's medal, with Sgt. W. J. Woods, Hamilton, second, and Sgt. E. G. Stock, Toronto, third. And yet, actually the situation was entirely reversed, with Stock, Woods and White finishing in that order.

This may seem somewhat paradoxical, but here's the explanation.

Rifle matches, when tied, are decided by "best score at longest ranges." But when there are medals or trophies to be awarded, there must be a tie-shoot. Hence, when Stock scored 145 points in the second stage of the Governor-General's match, he won most of the money. Woods had a total of 143 in the second stage, and took second money, while White's 139 in the second half of the match left him in third position.

So, although technically Stock won the match, White won the shoot-off, receiving the Governor-General's gold medal and the traditional ride on the shoulders of his comrades to headquarters, where he received the prize from the hands of His Excellency Lord Bessborough.

It was a rousing finish, this ending of Canada's greatest rifle match. The three men had all scored totals of 243 in the match proper, and fired five rounds apiece to break the tie. Stock was eliminated early, scoring 20 out of a possible 25. Woods let one shoot slip into the "magpie" ring, and was out of the competition after the New Brunswick school teacher had placed his last three shots in the bulls-eye to finish with a total of 24 out of 25.

STRUCK BY BALL

W. E. OLIVER PAINFULLY HURT ON GOLF LINKS

William Oliver, train despatcher for the C. P. R. was painfully hurt while playing golf on the local course Sunday morning, with Thomas Wilson, manager of the local Bank of Nova Scotia. Mr. Oliver had driven off from the first tee and had played his second shot when Charles Webb drove off. Mr. Webb got unusual distance into his drive and saw that it was going to come dangerously close to the other players. He called out fore and Mr. Oliver hearing the warning dodged but too late to avoid the ball which struck him on the temple. He was unconscious for several minutes, but escaped without any serious injury.

There are rebellious natures that hate to take orders from anyone. There must be many under Mussolini.
