

WEDDING

A wedding of much interest was solemnized at St. Joseph's Catholic church, Newburg, Tuesday May 3rd at ten o'clock, when Christina Mary, eldest daughter of Mr. and Mrs. Kyrke Palin became the bride of Thomas H. son of Mrs. and the late Thomas Hourihan of Newburg. Rev. Father Ward officiated with nuptial high mass.

The bride was becomingly gowned in a dress of brown flat crepe, with hat, shoes and fur to match.

Her bridesmaid, Miss Mary Foster, was dressed in pink flat crepe, trimmed in black with hat and shoes to match.

Mr. Fred Hourihan, cousin of the groom, acted as best man.

Mrs. Dennis Johnston, cousin of the groom, played the wedding march.

After the ceremony the bridal party motored to the home of the bride's parents where the wedding breakfast was served.

The invited guests present were Rev. Joseph Ward, Mrs. John Hourihan, Mr. and Mrs. Willard Gallagher, Mr. and Mrs. Thomas McGuire and Miss Nora McGuire.

A reception was held in the evening when a buffet luncheon was served to 150 invited guests.

The groom's gift to the bride was a diamond ring set with two sapphires and to the best man a fountain pen.

The bride's gift to the groom was white gold cuff links and to the bridesmaid a ring.

They were the recipients of many beautiful gifts including china, linen and money.

The happy couple will reside at Newburg where the groom is a prosperous farmer.

Just Look at This AMAZING FEATURE

THIS is a cut-away of a Gutta Percha Tire showing the Gum Cushions. These broad pads of pure gum rubber are built in between the plies of cord fabric to absorb the battering shocks of the road, to absorb the flexing strains in the sidewall, to reinforce the beads. Smashing impacts which break down the cord fabric of ordinary tires—friction and chafing between the cords which cause ordinary tires to fail—are neutralized by Gum Cushions, originated by Gutta Percha out of 49 years of experience in the rubber industry in Canada.

Only Gutta Percha Tires are Gum Cushioned. Yet they cost no more than ordinary tires—you get this amazing extra value at no extra cost.

THE GUTTA PERCHA TIRE
In addition to Gum Cushions the Gutta Percha Tire shown above has the Resisto-Tread, rubber impregnated cord fabric, reinforced side walls, extra tread width—all extra values at no extra cost.
