LOCAL INTERESTS KEEPING SHARP LOOKOUT ON IMPERIAL CONFERENCE

Many Replies Received To Circular Letter Sent By Local Board of Trade

BOARD COUNCIL DECIDES CENTRAL MEETING NOT NECESSARY BUT WRITES LOCAL AND FEDERAL MINISTERS ASKING THAT CLAIMS OF THIS SECTION BE KEPT IN MIND

Great interest was shown by the persons and bodies communicated with by the Woodstock Board of Trade last week as to what action, if any it was deemed advisable to take regarding the Imperial Conference at Ottawa, in order that the interests of this section of the province should be safeguarded. A particularly keen interest was shown by the lumbermen and farmers. Numerous answers suggesting various moves which might be made were received.

The consensus of opinion of the lumbermen seemed to be that their interests would be well looked after by Canadian Lumbermen's Association. Both lumbermen and farmers, however, in many instances expressed themselves as willing and anxious to attend a central meeting. Several of the bodies interested, including the Plaster Rock Board of Trade and some of the agricultural societies went so far as to select representatives to attend a meeting, should one be held.

A meeting of the Woodstock Board of Trade Council was held on Wednesday afternoon to consider the matter in Mayor Page's Office, with F. O. Creighton, president of the (Continued on Page eight)

This Sparrow Makes a Long Journey North

He picked up a dead sparrow in the road with a band on its leg with the inscription: "Notify Biological Survey Number A-292348, Washington, D. C." A report of the find has been made to the proper authorities.

POOR VISIBILITY BOTHERS MARKSMEN AT WEEKLY W. R. A. SHOOT

Weather conditions were not favorable to good shooting with a misty rain making visibility poor and as some of the members were not familiar with their rifles the scores were not as good as on previous shoots. Jury Finds Driver Negligent in Fatal Car Accident

Woodstock Exhibition Will Be Held For Three Nights And Two Days Is Decision

ADMINISTRATIVE COMMITTEE DECIDES TO CUT ONE DAY OFF USUAL PROGRAM; TWO DAYS HARNES RACING MEET TO BE HELD; CHILDREN'S DAY ON WEDNESDAY

The annual Woodstock Fall Exhibition will be held for three nights and two days this year, instead of four nights and three days, it was decided at a meeting of the administrative committee held on Wednesday evening. Dates for the fair will be the evening of Wednesday, Sept. 13, and the evenings and days of Sept. 14 and 15. There will be horse racing programs on both afternoons.

While owing to the nature of things it has been necessary to make a curtailment in expenditures the committee believes that the attractions to be offered the public will be of a high order, considering the difficulty of operating in a year like the present one. Prize money, naturally, will not be as large as in former years, and it has been found necessary to cut the usual premiums in half.

Among those prominent in the group were Col. J. L. Ralston, (Continued on page four)

NO BLIGHT YET

RAIN AND MUGGY WEATHER HAS NOT AFFECTED CROP

No potato blight has been reported in Carleton County so far, in spite of frequent rains, followed by hot muggy weather. The crop has about reached the point now where a continuance of weather of the same kind might cause damage. So long as the foliage was not sufficient to fill out the rows there was not much danger, but when the tops became large enough to intersect and prevent free passage of air unfavorable conditions are apt to lead to an appearance of the blight. The crop at present is well up to the average for the time of year. Grain crops are also doing nicely and are now well headed out.

EXHIBITION TO BE HELD AS USUAL IN SEPTEMBER

The annual Woodstock fall exhibition will be held at the Island Park here as usual this year, it was decided at a meeting of the Woodstock Agricultural Society held in the town hall Monday evening. The society had previously decided to go ahead with the fair, but owing to the poor business conditions prevailing in this section of the province it was regarded as advisable to get a further expression of opinion from the members before proceeding.

As far as is now known the fair will be held from September 13 to September 16, and will follow very largely along the usual lines, and will include horse racing.

For additional details regarding the coming exhibition see story in next column.

ALL-STARS DEFEAT C. L. I. SENATORS IN HECTIC BASKETBALL

TEAMS CHOOSE HOTTEST NIGHT OF SUMMER FOR COURT BATTLE

The Allstars defeated the Carleton Light Infantry Senators in a basketball game at the armories here last night. The teams chose the hottest night of the summer, in spite of which the pace was fast throughout. The score was 38 to 22. Led by the redoubtable Billy Reardon the winners dominated the play throughout. Although only using two substitutes they played the smarter basketball and successfully resisted the efforts of the Senators to wear them down with sheer man power. The results: Senators G. P. Pts. SHOULD HAVE SOUNDED HORN WHEN APPROACHING VICTIM IS VERDICT AT INQUEST

HENRY SAUNDERS DESCRIBES OCCURRENCE AT UPPER WOODSTOCK WHICH CAUSED DEATH OF ROBERT HEMPHILL; DECEASED WAS ON WAY TO WORK WHEN STRUCK AND FATALLY INJURED

Negligence was attributed to Henry Saunders, of Juniper, by the coroner's jury which on Tuesday night held an inquest into the death of Robert Hemphill. Hemphill died in the Fisher Memorial Hospital here early Tuesday morning, following an accident at Upper Woodstock the previous day about 4.30 a. m.

Hemphill, who was a married man with seven children, left his home at Upper Woodstock about daybreak to go to his work on the Page & Teed farm at Jacksonville. He was walking along the main road not far from his home when a car driven by Saunders approached him from the direction of Woodstock. Besides the driver Mrs. Tillie Estey and her son Garret were in the car.

Hemphill was walking in the middle of the road and Saunders, thinking he had ample room to pass, did not sound his horn. As the car came near him Hemphill jumped for the right side of the road and was struck by the fender. He received terrible head injuries in addition to minor hurts.

Saunders stopped the car and telephoned the police. Officers Schriver, Whalen and Jones at once came to the scene of the accident and the injured man was taken to the Fisher Memorial Hospital where treatment was given by Dr. E. F. Woolverton. It was seen from the first that chances of recovery were practically nil, and the victim passed away about 2.30 the following morning.

Constable Barry Schriver was the first witness called at the inquest. He told of receiving a telephone call about 4.30 Monday morning, as a result of which he drove to Upper Woodstock. Hemphill was lying in the middle of the road with his head pointed north and Saunders was standing by the body. Saunders' car had been turned around and was facing toward Woodstock. Witnesses summoned Constable Whalen and then Hemphill into witness' car and took him to the hospital. There was no sign of liquor about the place of the accident.

Constable Edward Whalen, R. C. M. P., told of examining the scene of the accident and placing of the position of the car. The wheel mark nearest the centre of the road, he said, was about ten feet from the grass line on the right hand side, establishing that the driver was well over on his proper side. There was about twenty feet he said between the track and the grassline on the opposite side.

Constable E. H. Jones, R. C. M. P., said that he came to the place of the accident just as Hemphill was being put in the car to be taken to the hospital. Witness drove down to the hospital to make arrangements for his admission. He had previously called Dr. Woolverton. He verified the measurements taken by Constable Whalen. The blood from the injured man was about 18 feet from the right hand side of the road, he said. Witness checked up on Saunders' lights, brakes and papers and found them satisfactory. The road at this place, he said, was 30 feet wide, with a clear view for 300 or 400 yards.

Henry Saunders told the jury that he was a millworker living at Juniper. On the morning in question he had picked up Mrs. Tillie Estey and her son Garret and was driving with them to Juniper, where he was due at work at 7 o'clock. He passed through Woodstock about 4.25.

Near Upper Woodstock he saw Hemphill about 40 rods ahead, walking in the middle of the road. It was broad daylight but witness had not (Continued on page four.)

ROTARIANS HEAR OF UNITED STATES ELECTION SYSTEM

BERNARD ARCHIBALD, OF HOULTON, IS SPEAKER AT WEEK-LY LUNCHEON

Bernard Archibald, of Houlton, was the speaker at the weekly luncheon of the Woodstock Rotary Club at the Carlisle hotel Wednesday. Mr. Archibald gave an interesting address on the American election system, tracing the processes which a candidate must go through from the time he decided to file his papers until he was sworn into office. The system, Mr. Archibald pointed out, while complicated had certain advantages, and tended to prevent sudden reversals of public opinion causing complete and drastic changes without warning.

C. J. Jones was in the chair. An amusing feature of the luncheon was the making of members places with humorous cards drawn by Buddy Gillen, each based on the classification of the member.

INTERMENT HERE

FORMER WOODSTOCK RESIDENT DIES IN SOMERVILLE

The funeral of Mrs. Allan McElroy, a former Woodstock resident who died at West Somerville, Mass., on Sunday morning, was held here Tuesday morning. Service was conducted by Rev. L. H. Jewett, of Jacksonville. Interment was made in the family lot in the Methodist cemetery.

Mrs. McElroy was the widow of the late Allan McElroy, who died about twenty years ago. He was a well-known resident of this town and later of Waterville where he operated a lumber and grist mill. The body was accompanied here by Mrs. McElroy's daughters, Mrs. Charles Clark, of Boston, and Miss Stella. One son also survives, Ernest, of Waterville; and six grandchildren, Mrs. Allan Young, Boston, Mrs. Charles R. Allen, Hartland, Mrs. Donald Bell, Waterville, and Doris, Marguerite and Kenneth Clark, of Boston.

IN BAD AGAIN

ANOTHER CHARGE LAID AGAINST BENNIE BRIGGS

Bennie Briggs of Bristol is in trouble again. Bennie had to answer charges in the last few days of burning a camp belonging to Mr. Welch. The arson charge was dismissed while the theft charge is still before the court. On Wednesday Briggs was arrested again by Sheriff Tompkins, charged with stealing a load of hay from Mr. Welch. It is alleged that the hay was removed from the property of the complainant by Briggs and stored by him in his own barn.

REUBEN JOHNSON WILL CLASH WITH O'NEILL SOUCY IN FEATURE BOUT OF VOGUE THEATRE BOXING TONIGHT

Reuben Johnson, Woodstock, and O'Neill Soucy, Edmundston, will meet this evening in the feature event of a boxing card at the Vogue Theatre. The card is being promoted by "Jap" Blake, and gives promise of some interesting action. This will be Johnson's first appearance before a home town crowd in several months, and the fans will be anxious to find out if reports of his greatly improved form have been exaggerated. Both Johnson and his opponent have met some tough boxers lately with considerable success, and their meeting here should provide some excitement. The boys will go eight rounds.

Soucy was substituted yesterday for Charlie Palmer, of Perth, who sprained his wrist in training. In the semi-final Kid Nickerson, Woodstock, will meet Monty Clark, Saint John, and in the preliminaries Kid Hamilt'n will clash with Young Nelson, and Billy Martell will go up against Freddie Bagley. The bouts will be refereed by "Red" Williams.
