BANDMASTER RESIGNS

The public generally will regret to hear that Mr. H. F. Flewelling has tendered his resignation as bandmaster of the C. L. I. band. Mr. Flewelling told The Press that he regretted coming to this decision, but felt that he had served his time and should devote more time to his business interests.

Mr. Flewelling became a member of the band over twenty-six years ago and for many years has been its leader and instructor. All through his years as bandmaster he made it a point to instill into recruits the proper foundation on which to acquire a thorough knowledge of music and as a consequence he has turned out many good musicians and brought the band to a high state of efficiency.

OFF COLOUR? HOW IS YOUR LIVER?

Wake up your Liver Bile —Without Calomel

Your liver's a very small organ, but it certainly can put your digestive and eliminative organs out of order, by refusing to pour out its daily two pounds of liquid bile into your bowels. You won't completely correct such a condition by taking salts, oil, mineral water, laxative candy or chewing gum, or roughage. When they've moved your bowels they're through—and you need a liver stimulant.

Carter's Little Liver Pills will soon bring back the sunshine into your life. They're purely vegetable. Safe. Sure. Ask for them by name. Refuse substitutes. 25c at all druggists.

ALISTAIR FRASER, K.C.

Mr. Fraser was appointed General Solicitor to the Canadian National Railways in 1919, and became Commission Counsel in 1923. His work in connection with the Commission cases also brought him into almost daily contact with traffic officers of the country's big industrial firms, building up for him a wide circle of friends in the business world. In 1929 Mr. Fraser was promoted to the position of Assistant General Counsel. In this position he continued to deal with matters before the Railway Commission as well as many other important local matters of the Company.

Mr. Fraser succeeds R. L. Burnap who has been appointed Executive Assistant in connection with lines of the Canadian National System located in the United States, with office in Chicago. Mr. Burnap's appointment was made to materially strengthen the organization in the United States field.

Thin and Nervous

Aileen Lee tells Other Growing Girls How Dr. Williams' Pink Pills "Worked Like Magic"

"I was thin and nervous," writes Aileen Lee, 14-year-old daughter of Mrs. Edith Lee, Dongola, Ont. "The care of five children, combined with my school work, made me a nervous wreck. I would rave at night and even get up and walk all through the house in my sleep. A long holiday left my nerves as bad as ever, and I was still underweight. Mother bought me Dr. Williams' Pink Pills. They worked like magic. I have gained 9 pounds since September, and it takes a lot of noise now to bother my nerves."

Dr. Williams' Pink Pills actually create new rich, red blood which imparts health, vigor and vitality to the system. Don't let nervous exhaustion blight YOUR growing daughter. Give her Dr. Williams' Pink Pills. Equally good for ALL run-down conditions. 50c a package at your druggist's.
