EDMUNDSTON ELECTION

Edmundston, April 19—At the civil election held here today, all aldermen who held office in 1931 and who offered themselves for re-election were returned. Plus Michaud replaced Jean J. Roy in ward three and Daniel Labossioniere replaced J. H. Castonguay in ward four.

The following were the results: Ward one, J. A. Michaud, 210, E. Ouellette, 209, H. Caron, 156, W.

Plourde, 148; ward two, J. J. Daigle, 230, G. I. Theriault, 227, E. Picard, 136, F. Beaulieu, 137; ward three, V. H. Albert, 210, P. Michaud, 210; J. Bourque, 172, T. M. Richards, 146; ward four, P. Grandison, 195, D. Labossioniere, 226, J. D. Mercier, 188, J. E. Michaud, K. C. M. L. A., was re-elected mayor without opposition last week.

A small vote was polled, as many were not qualified to vote on account of not having paid taxes.

CONNELL STREET

WOODSTOCK, N. B.

IN THE MAIL

April 19th, 1932
Editor, The Sentinel,
Woodstock, N. B.

In regards to Mr. Pirie's statement in a letter published in your issue of April 15th.

We note in all Mr. Pirie's remarks that he bases all his statements on starch factories. We wish to inform Mr. Pirie that the Plant at Hartland has manufactured but a small amount of starch since starting operation, and there is a very limited demand for starch in Canada. The greater part of the operations at the Hartland plant has been potato flour, and we note that Mr. Pirie has refrained from mentioning potato flour in all his statements. He seems to be the idea that someone is wanting him to build some cheap starch factories for them. It is a wonder that Mr. Pirie does not build one of these factories at Grand Falls, as he informed the farmers that he would last Fall. It would have been a nice thing for the Town of Grand Falls to have had a factory running this season, paying out over \$2,000 per week for potatoes, labor, etc., employing 20 people, and using 5 cords of wood per day, and 800 to 1,000 barrels of potatoes per day, the same as the Hartland plant has been doing. We have no argument with Mr. Pirie in regards to building cheap starch factories, but Mr. Pirie made certain statements in the Legislature which are not the facts, and it is up to him to prove his statements or retract same, and we herewith make Mr. Pirie an offer whereby he can either prove his statements or find out that he is misinformed. We are willing to leave the matter to three independent business men. We will name one, Mr. Pirie can name one, and the two can select a third. This committee can make a thorough investigation, and we will furnish them with all information required. If these three independent business men find that the reconstruction of the starch and potato flour plant at Hartland cost less than the amount of the bond issue guaranteed by the Government, or if the money was not wisely expended on the reconstruction of the plant, we are willing to pay \$1,000 to any charitable Institution which we might name, as Mr. Pirie has inferred in his letter in your issue of the 15th, that if the amount was expended according to the sworn statement of our Accountant, Mr. T. J. Macdonald, the money was wasted.

Now it is up to Mr. Pirie to accept this offer which is the only way in our minds that the matter can be cleaned up. We are quite willing to deposit our cheque for \$1,000 with the committee, to be handed over to any charitable Institution, provided Mr. Pirie will do likewise.

Yours very truly,
H. H. HATFIELD,
President, New Brunswick Potato Products, Limited.

TENNIS PROSPECTS GOOD

Indications for tennis this season here are the brightest in several years, it was reported at the annual meeting of the Woodstock Tennis club, held on Friday evening in the Town Hall. Plans were made to have several outside matches and it was decided to have three courts in play instead of two as in past years. Work on the courts was begun on Monday, and play will be started as soon as the weather permits. Encouraging financial reports were submitted, and it was announced that for the first time in its history the club was out of debt. It was decided to reduce the annual dues to \$5 for men, \$3 for ladies, \$2 for High School students and \$1 for juniors.

E. R. Jones was re-elected president. Other officers were elected as follows: vice president, Miss Isobel Hartley; secretary-treasurer, J. A. Stronach; courts committee, Vernon Simms, membership, Ronald McLauchlan, match, J. G. Allen, Tea, Miss Clark.

IN FOR HARD TIMES

The finny denizens of New Brunswick's famous salmon and trout streams are in for some strenuous struggles this season and they will have a greater array of imitation minnows, flies and other gadgets to choose from than ever before. Added to this season's menu will be some of the European variety when the party of British sportsmen arrive during the Summer to fish the streams of the province. Numerous inquiries are reaching the Fish and Game Department of the Canadian National Railways for information with regard to fishing in the province, particularly from sportsmen in the New England States, New Jersey, New York and Pennsylvania. While there are countless streams where salmon and trout may be fished on payment of the regulation fee, some of the waters are leased to fishing clubs and at a recent sale held in Fredericton, the capital of the province, the only one of its kind, by the way, on the North American continent, some fifty-seven stretches of water were offered at public auction. On thirty-three of these bid in about \$57,000 was realized. Some spirited bidding took place. The sale was held in the historic legislative chamber and among the bidders were representatives of several wealthy and prominent United States sportsmen who have fished the New Brunswick rivers for years.
