ROTARY CLUB AND C. L. I. BAND BAZAAR SCORES TREMENDOUS SUCCESS

Great Community Effort Raises Substantial Sum For Worthy Purposes

HUNDREDS OF CITIZENS ATTEND MAMMOTH FETE IN ARMORIES;
SUPPER, GAMES AND DANCING ALL RECEIVE GENEROUS PATRONAGE FROM PUBLIC

The bazaar held yesterday afternoon and evening by the Woodstock Rotary Club and the Carleton Light Infantry band went over the top in smashing style. The citizens turned out in hundreds to support the worthy cause for which the affair was held. While naturally those in charge are not able to make any statement as to the exact amount realized until they have time to check up there is no doubt that an excellent sum has been realized for community purposes.

The day started off with a band parade about the streets of the town. Supper had been scheduled to start at 5.30, but everything was in readiness half an hour before that time and as numerous patrons were already in the armories serving was begun. From then on a continuous stream of patrons occupied the tables for several hours, and a large corps of workers were kept busy supplying their wants.

The northern end of the big drill hall was reserved for supper tables and the customers were fed in relays of a hundred at a time. Supper was only one of the many attractions, however. Amusements of all kinds took up the rest of the space around the hall, wheels of fortune, house-house, contests of skill and other attractions.

The scene was enlivened by the band in uniform which supplied music for the occasion. After the games had been in progress for several hours dancing was begun and continued until early this morning.

ENTHUSIASTIC MEETING

An organization meeting of the opposition party was held at Rockland Tuesday evening. The meeting was well attended and enthusiastic. Speakers included F. O. Creighton, Woodstock, and A. R. Foster, Hartland. George Bubar was elected chairman and R. D. Craig, secretary. George Bubar was chosen as delegate to the provincial convention at Fredericton. More than 150 were in attendance.

MEETING POSTPONED

The meeting of the Woodstock Bowling League, scheduled for last Monday night was held over until tonight, on account of Captains Colwell, Oliver, Troy and Westing being unable to attend that night.

Organization Meeting Set For Sept. 30th

An organization meeting of the Liberal party for Woodstock will be held in the Canadian Legion rooms on Friday evening, Sept. 30. All persons who are opposed to the present provincial administration and its burden of taxation are invited to attend. The principal business of the evening will be general organization and election of delegates to the coming provincial convention at Fredericton.

DAMAGE IS \$3000

BAD BLAZE OCCURS AT BURTT'S CORNER

Fredericton, Sept. 20.—A potato warehouse at Burtt's Corner, York Co., and 75 barrels of potatoes which it contained were destroyed by fire last night, with damage estimated at \$3,000, partly covered by insurance. The C. P. station barely escaped catching fire three times and several tires were burned.

Built about eight years ago, the warehouse was of modern construction and its destruction will be a handicap to shippers of the district. It was owned by J. D. Pugh. The origin of the fire is not known.

LADIES TO MEET

A meeting of the ladies of the Badminton Club will be held on Monday afternoon at 4 p. m. at the residence of Mrs. E. R. Teed.

Grand Jury Finds No Bills in Two Criminal Cases

Potatoes Are Still A Very Patriotic Form Of Fruit

The market for New Brunswick potatoes is very restricted in these days of high tariffs, embargoes and preference on American potatoes, overproduction. About the only place that New Brunswick growers are reasonably sure of a market is for a couple of months each year in Cuba.

In view of this fact the action of Hon. B. F. Smith, sitting member for Carleton-Victoria in the House of Commons, has occasioned some surprise. Hon. Mr. Smith last week, taking advantage of the low price prevailing for potatoes in Maine, purchased a large quantity in that market and brought them through to Florenceville in bond for shipment to Cuba, where he will get the benefit of the days of high tariffs, embargoes and preference on American potatoes, which is making it increasingly difficult for our own product to be sold there at a profit.

Hon. Mr. Smith has been counselling others to hold off their potatoes until prices improve. Evidently he does not intend to practice what he preaches. It would be interesting to learn the views of his constituents, whose only hope of being able to pay their bills depends on whether or not they can market their own New Brunswick grown crop.

WOODSTOCK LOSES ONE OF ITS BEST KNOWN CITIZENS

COOK HALL PASSES AWAY AFTER
A LINGERING ILLNESS

Woodstock lost one of its best known and most loved citizens Wednesday when the death occurred of Cook Hall, after a lingering illness. He was 66 years old and was born at the Barony, York county, the son of the late John and Ann Hall. He was for a few years employed with Gilman Bros., lumber operators at Pokok, but came to Woodstock as a youth and entered the employ of the John McLaughlin Company, with whom he was connected for almost half a century until failing health compelled his retirement last year.

Mr. Hall was a member of the United Baptist church and was prominent in church and Sunday school work. It was for his activities among the poor that he was best known, however. During his entire life he gave the greater part of his income and all his spare time to work among the less fortunate. Most of this activity was on behalf of cases which most workers found it inconvenient or disagreeable to deal with.

Almost every Sunday and holiday of his life Mr. Hall spent among the inmates of the municipal home or the poorer cases in the hospital, shaving them, giving them haircuts and ministering to their wants in any way he could. He annually organized a picnic for the inmates of the municipal home which came to be recognized as one of the brightest spots in their dark lives.

During the influenza outbreak of 1917 he acquired a reputation that spread far beyond the bounds of the town and county. At that time all medical and nursing resources were strained to their utmost, and many of the poorer families were left without attention. Among these families Mr. Hall labored ceaselessly exposing himself repeatedly to the dread disease, and it was to his efforts that many people owe their lives.

He is survived by one brother, Ernest, with whom he made his home. The following are nephews or nieces: Harold and Ray Hall, local merchants, John Hall, York, Woodstock, Bernard Lockwood, Woodstock, Mrs. Frank Kellogg, Oyster Bay, Douglas Hall, Debec, Noble, Woodstock, Seymour and Cook Hall, and Misses Annie and Elsie Hall, Saint John, Mrs. T. M. Bessie, Burtt's Corner, John Sharpe, Bass River, N. S., Miss Mabel Hall, R. N., Fort Fairfield, Mrs. Ralph Brooks, Woodstock, Howard Hall, Hawkshaw, Miss Susie Hall, R. N., Mrs. Vaughan Turner, Sackville, and George Hall, British Columbia.

Mr. Hall was the possessor of a marvellous memory and was noted as an authority of the events of the last fifty years in this vicinity. It was said that he was familiar with almost every family in and about Woodstock, and could tell the members of the family and their approximate ages from memory.

The funeral will be held this afternoon from the United Baptist Church. Interment will be made in the family lot at the Barony.

PULPWOOD DRIVE FOR SAINT JOHN GOES PAST HERE

Scenes reminiscent of the old days when millions of feet of logs floated by Woodstock annually were enacted this week, when a drive of pulpwood for the mill at Saint John went by here. Booms were stretched diagonally across the river from the Hayden mill to a point near the Grafton shore to keep the drive in the channel. The bulk of the logs went by here on Monday. A strong westerly breeze aided in keeping them well in toward the eastern bank, and with the river at freshet height the drive went by here at a clip of about seven or eight miles an hour. The high water resulted in some of the logs hanging up on the shores, and a crew of men were kept busy getting them back in the stream again.

Logs were still running on Tuesday, and with no wind blowing they were spreading over the river more than on the previous day. Some of them went past here on the town side of the island, while a small jam formed at the upper end of the island, where the rising water had particularly submerged the flat above the highway bridge.

SUDDEN INCREASE IN RIVER LEVEL CAUSES DAMAGE

HEIGHT OF FALL FRESHET IS
GREATEST IN SEVERAL
YEARS

The Saint John river was in freshet this week, the water reaching a high or mark than in any fall freshet in several years. The rise came suddenly following heavy rains Friday night which brought up the level both of the main river and the smaller streams. The water came up with amazing rapidity. It was reported that the opening of the gates in the power dam at Grand Falls had something to do with the sudden increase in the water, but persons familiar with river conditions expressed the opinion that this would have little or no effect so far down river.

The freshet caused considerable difficulty to those in charge of the pulpwood drive going from Grand Falls to Saint John, several booms being swept away, and it being found impossible to raft the drive at Springhill as at first intended.

A considerable number of boats were caught in the sudden rise and swept away and other damage of a minor nature done along the river banks. In several cases flocks of ducks or geese were swept down stream by the strong current.

The river reached its peak Tuesday night and was slowly receding Wednesday and yesterday.

ROTARIANS MEET

FINAL ARRANGEMENTS ARE

The Woodstock Rotary Club held its weekly luncheon at the Carlisle hotel Wednesday. Final arrangements were made for the bazaar given by the club and the Carleton Light Infantry Band at the armories last evening. It was reported that organization was complete, and that a large number of citizens not directly connected with either organization had asked to be allowed to help. It was announced that the advance sale of tickets was heavy, and that several hundred supper tickets had already been disposed of. E. W. Mair presided.

MARSTEN AND CULLINS CASES THROWN OUT

TWO CRIMINAL AND TWO CIVIL
CASES COMPRISE ENTIRE
DOCKET

The September sitting of the Carleton county court was held here this week, with Judge M. L. Hayward presiding. Two criminal matters were presented up the Grand Jury, when court opened Tuesday morning the King vs. Charles Cullins, charged with a serious offence against his daughter, and the King vs. Arthur Marsten, charged with having an explosive substance in his possession. The Grand Jury after liberating for about five hours returned no bills in both cases.

There were two civil cases entered, E. R. Jones vs. Mrs. Ida Swimm, and Ellis Carmichael vs. W. D. Steeves, the latter a non jury matter. Jones vs. Swimm was taken up Tuesday afternoon. The plaintiff claimed \$97 unpaid balance on a photograph, and the defendant alleged that no money was owing as \$75 should have been allowed her for an organ traded in on the photograph.

Evidence was given by the plaintiff, who also called the defendant to the stand to prove her signature to a contract. Mrs. Swimm was the only witness called for the defence, and both plaintiff and defendant took the stand in rebuttal.

The judge submitted four questions to the jury, all of which they answered in favor of the plaintiff after a short deliberation. Judgment was accordingly entered for the plaintiff for the full amount claimed. G. Y. Jones appeared for the plaintiff and R. W. Seely for the defence.

The jury was as follows: William Duthie, John Kennedy, Howard Adams, Percy Fillmore and George Bell. The docket was concluded on Wednesday morning when the case of Ellis Carmichael vs. W. D. Steeves was heard without a jury. The case arose out of a transaction regarding the selling of railroad ties. The plaintiff gave evidence in his own behalf and no evidence was given for the defendant. Judgment was given for the plaintiff for \$55.50, the full amount claimed. G. W. Montgomery appeared for the plaintiff and Jones and Jones for the defence.

FUNERAL OF MISS BLANCHE DIBBLEE HELD ON MONDAY

The funeral of Miss Blanche K. Dibblee was held Monday afternoon. Following prayers at the residence of her sister, Mrs. W. J. Dibblee, the remains were taken to St. Luke's Church, where service was conducted by Rev. S. C. Gray. The pallbearers were G. W. Gibson, George Mitchell, E. W. Mair, J. N. Winslow, R. M. Gabel and W. G. Slipp. Interment was made at the parish church.

Her death occurred here Friday afternoon. Miss Dibblee was formerly of Woodstock, but for several years a resident of Ottawa. She had been in failing health for several months but it was only recently that her illness took a critical turn. She returned to Woodstock recently to be with her sister Mrs. W. J. Dibblee.

Miss Dibblee was the eldest daughter of the late Mr. and Mrs. Charles Dibblee. She entered business life as a stenographer in the office of Carvell and Hartley, and when that partnership was discontinued she remained in the employ of Hon. F. B. Carvell. When he was elected to the House of Commons Miss Dibblee went to Regina where for a time she was in the office of the Parsons Construction Co.

When Hon. Mr. Carvell was made Minister of Public Works she again entered his employ as private secretary, and continued in that capacity when he was chairman of Board of Railway Commissioners. Since his death she was a member of the civil service.

While in Woodstock Miss Dibblee was interested in sport. She was a member of the Woodstock ladies hockey club, and a charter member of the Woodstock Golf Club. In Ottawa (Continued on Page eight)
