AUTO FATALITY CASE WILL COME BEFORE CIRCUIT COURT NEXT WEEK

Plaintiff Carleton Light Infantry Began Its Annual Training Last Tuesday

Says Driver Negligent

MRS. HEMPHILL SUING ON BEHALF OF HERSELF AND CHILDREN

The October sitting of the Carleton circuit court will open on Tuesday. So far as is now known there will be no criminal business before the court. Bennie Briggs, sent up for trial on a theft charge, one of several counts brought against him by Guy Welch, of Bristol, was to have been tried, but he was taken to the Provincial Hospital at Fairville several days ago.

There will be at least one important civil case, Mrs. Pearl Evelyn Hemphill vs. Henry Saunders, of Juniper. Mrs. Hemphill is suing on behalf of herself and six children as executrix of the estate of Robert Hemphill, killed on July 25 at Upper Woodstock by defendant's car. Jones & Jones are acting for the plaintiff and G. W. Montgomery for the defendant.

The plaintiff claims that the defendant was negligent in failing to give proper notice of his approach, in going too fast and in trying to pass Hemphill on the wrong side.

Mr. Justice Leblanc will preside.

CHICKEN PRICES ARE LOWER IN LOCAL MARKET

There were no major changes in prices in the local market this week. Egg prices continued stronger, although no further increase since last week occurred. Retail prices are from 20 to 23 cents a dozen, according to grade. Butter was unchanged with the best daily grades retailing at 20 cents a pound. Chickens were plentiful, and were retailing at 25 cents, although the large numbers being sold direct to householders made it difficult to secure quotations. Other prices were unchanged from last week.

Y. P. S. RE-ORGANIZED AT UNITED CHURCH

YOUNG PEOPLE'S SOCIETY OF THE UNITED CHURCH ORGANIZE

On Friday evening, Oct. 7th, despite the downpour of rain, a goodly number of young people of the United Church of Canada, Woodstock, gathered in the church hall in order to organize for the winter months. After the devotional period, an enthusiastic business session resulted in the election of the following officers: honorary pres., Rev. H. S. Bishop; president, William Crosby; vice-pres., Lawrence Smith, secy., Miss Kathleen Smith; treasurer, Miss Clenna Gardner; devotional vice-pres., Miss Ruth DeWitt; literary vice-pres., Miss Louise Kerr; social, the captains being, Allan and Corbome Daye. A very pleasant social evening was then spent in contests, games, and a delightful lunch, closing with Auld Lang Syne, Bless Be the Tie that Binds, and the Mizpah benediction. It was decided that for the present, Thursday would be the evening of meeting.

SUMMERSIDE, P. E. I. ELECTION SHOWS DRAWN RESULT

BOTH CANDIDATES ARE LIKELY TO ASK FOR A RECOUNT

Summerside, P. E. I. Oct. 12.—After a day of polling that brought out nearly 300 more voters than cast their ballots in the same constituency at the last general election, the question of who shall sit in the Prince Edward Island Legislature for the fifth District of Prince was still undecided tonight.

The electors, according to the final official return, divided in exactly equal numbers: 1,386 for H. M. Downing, Conservative Government candidate running his first election; and 1,386 for Dr. John F. MacNeil, veteran campaigner and former Minister without portfolio in the Liberal administration that went out of office a year ago last August.

A recount appeared certain. The ordinary course of events would call for a declaration of the vote a week hence, when Captain L. A. Moore, returning officer for the Fifth District, would cast his deciding vote. Dr. MacNeil was the only figure immediately interested who had anything to say tonight. At Captain Moore's home it was said he was indisposed and Mr. Downing could not be reached. The Liberal candidate told The Canadian Press he thought he had been elected by one vote.

His scrutineers had informed him, he said, that by their count he had received 173 votes in the polling district of St. Eleanor's. The return gave 172. "In any event," he said, "there will be a recount. If it is a tie, and Mr. Downing is chosen on declaration day, I will demand one. If the return gives me the one vote margin, no doubt he will do the same."

The election was called to fill the seat left vacant by the death in February of Hon. Leonard MacNeill, Minister of Public Works.

The game was an exhibition one, and does not count in the competition between these two teams for the Gibson Cup, which will be begun in the near future.

ROTARY CLUB HAS LADIES' EVENING

ENCOURAGING REPORTS RECEIVED FROM LAD THREATENED WITH BLINDNESS

Ladies' night was celebrated by the Woodstock Rotary Club on Wednesday evening. The club members with their ladies motored to Ledgemont Farm where supper was served. C. J. Jones, president of the club was in the chair and thanked the ladies on behalf of the members for the help they had given in the various club activities.

A report was received from the case of a young boy threatened with blindness, who received medical attention under Rotary auspices. The members were told that operations had been performed successfully on both eyes, and that the boy was now back home, with every prospect of having his sight preserved.

POTATO MARKET NOT MUCH CHANGED DURING WEEK

PRICES AT THIS END SLIGHTLY LOWER WITH NOT MUCH HAULING

The potato market this week showed little change. Crop reports were decidedly bullish, the Canadian yield for 1932 being well below that of last year, and also under the five year average. There was no marked reaction to the report, however, and the Upper Canadian market did not exhibit any increased strength during the week. Prices at this end showed a slightly downward tendency, although still a little better than when the shipping season opened, and considerably above any figure offered last year. The price slipped off during the week to 50 cents a barrel for Irish Cobblers and 55 cents a barrel for Green Mountains, compared with 55 and 60 cents last week.

Hauling was light all week, with farmers holding off for better prices. Digging was mostly for storage, and was held up by wet weather. Seed stock was still moving fairly freely. Some growers have their crop pretty well cleared up, but there was enough offering to fill the demand. Track movement for the week was average from the Woodstock area.

The fall training of the Carleton Light Infantry was begun on Tuesday, when A and D Companies, with headquarters at Woodstock, began ten days of intensive work. Rapid progress has been made with the training during its early days, and according to present indications the regiment should present a highly creditable appearance on its inspection next week.

Each company is being drilled at a strength of 35 all ranks. In addition there is a signal section of 15 all ranks, which with details brings the total training strength to close to 100. Lt. Col. H. G. Wood, M. C., of Saint John, is commanding officer of the regiment. Major W. B. Marzer, of Woodstock, second in command, is directing the training in a supervisory capacity, although unable to take an active part because of his recent accident. Lieuts. W. R. New, Roth and R. W. Clark are acting as company officers. Two instructors from the permanent force are in attendance. R. S. M. W. H. Clark, E. C. R. instructor of the C. O. T. The first day of training was devoted largely to re-organization and squad drill. The next day was taken up with squad drill with and without arms, rifle exercises and elementary musketry, and the third day with squad drill and musketry. Today the regiment is spending at the rifle range, firing at the 100, 200 and 500 yard ranges for classification.

The two following days will be taken up with Lewis gun work, which will be followed by platoon and company drill. The regiment will be inspected at Island Park on the final day by Brigadier Parsons, G. O. C. M. D. 7.

A voluntary church parade will be held on Sunday, with the regimental band in attendance.

STAB FROM KNIFE FATAL TO CHILD

LITTLE ADRIAN RIDEOUT FALLS ON KNIFE WHILE CUTTING APPLE

Hartland, Carleton Co., Oct. 11.—Thanksgiving day at the home of Mr. and Mrs. Charles Rideout, Mount Pleasant, Carleton county, was one of sorrow, a tragedy claiming the life of their youngest son, Adrian three years of age.

The little fellow was sitting on a block of wood in the yard, eating an apple and cutting off each tiny mouthful with a jackknife. In some way he toppled over, falling on the knife, which entered his side and punctured the heart. Dr. W. O. Chestnut was called but the child passed away two hours after the accident. His death was a great shock to his parents and the community, who sympathize with them in their sorrow. Beside his parents, he is survived by one brother and one sister.
