Town of Woodstock

Citizens and Ratepayers of Woodstock:

Ladies and Gentlemen:

It becomes my duty in connection with the drive to clear up our tax collections to ask the support and co-operation of every citizen of Woodstock. As you are all aware the present situation is not a satisfactory one, and a strong effort must be made to show once again that financial honesty and integrity are inherent in the citizenry of Woodstock.

Some of our citizens have already responded nobly, in many instances making personal sacrifices in order that their taxes might be paid. In many other cases it is felt that an appeal will have the effect of making them do likewise. The battle for financial stability is still far from being won, but we believe that with the support of all the citizens much can be accomplished.

During the remainder of the month of July the eyes of the rest of New Brunswick will be on Woodstock. On behalf of the town I appeal to every citizen to co-operate in an endeavor to reach our objective.

Sincerely,

E. Raymond Jones, Mayor

Rotary Club--

The Woodstock Rotary Club, realizing the necessity of the co-operation of all citizens in the payment of taxes, heartily endorse the campaign instituted by the Mayor and Council of the Town of Woodstock.
