89th YEAR

NO. 1

ROTARY CLUB SPEAKERS STRIKE OPTIMISTIC NOTE FOR COMING YEAR

Addresses Councillor A.R. Turner Announces That He Will Run For Mayor By Local Men On Tuesday Couns. True And Calkin Will Retire

AGRICULTURAL AND FINANCIAL PROBLEMS ARE UNDER DISCUSSION

A decided note of optimism was struck by speakers at the weekly luncheon of the Woodstock Rotary Club, held at the Carleton hotel at noon Tuesday. R. W. Maxwell, district agricultural representative, spoke of agricultural possibilities, dealing with opportunities that were now opening to New Brunswick farmers. J. D. Winslow discussed the financial situation.

Mr. Maxwell mentioned the chances afforded by raising horses, and poultry, but dealt particularly with the possibilities of establishing a profitable export market for bacon hogs to the British Isles. The British market, he said, offered a splendid opportunity for a profitable industry in the raising and shipment of good bacon hogs. He spoke of the desirability of these animals being produced in sufficient numbers that they could be economically and conveniently shipped in large lots.

Mr. Winslow, in speaking of the financial situation, pointed out that considerable improvement had taken place in the recent past. Indications, he said, were good, even rosy, for the next few years.

D. A. Lindsay presided.

WILL APPEAL

MacINTOSH CASE TO HIGHER COURT

Fredericton, Dec. 31—An appeal from the judgment entered in the Court of the King's Bench for Carleton County in favor of Mrs. L. DeC. MacIntosh and Alan MacIntosh of Hartland for \$20,000 against the Dominion General Assurance Company is to be made, it is understood today. (Continued on Page eight)

GOVERNOR MACLAREN ISSUES HIS NEW YEAR MESSAGE TO PEOPLE OF N.B.

TO THE PEOPLE OF NEW BRUNSWICK

No man can tether time or tide and so we reach another milestone of the century.

It is my privilege as the representative of the King to wish the people of the Province of New Brunswick, young and old, a happy and prosperous New Year.

The limit of depression in the world's affairs has been passed and now we can look forward with confidence to the coming of better times, it may be gradual but even so it will be more lasting.

There are many about us in need of friendly assistance especially during the winter season. We admire the large band of splendid workers who do so much and and so quietly to help their fellow philanthropic is commended to us all.

With renewed hope and divine blessing may all have comfort and freedom from distressing care throughout the year.

Our people may feel assured that courage application and thrift will win the day.

MURRAY MACLAREN.
Lieutenant Governor.

31st. December 1935.

MOTOR VEHICLES OFFICE TO CLOSE

LOCAL BRANCH AFFECTED BY GOVERNMENT ECONOMY ORDER

The Woodstock office of the provincial Motor Vehicles Branch will be closed the first of the year, it has been announced. Offices at Saint John, St. Stephen and Moncton will be closed at the same time, leaving only the central office in Fredericton operating during the winter months. The move is made as an economy measure. It is reported the offices affected may be re-opened temporarily when the heavy rush to buy license plates opens in the spring.

The local office of the Public Works department is not affected by the order, and will remain open as usual.

Conductor McGuire, R. C. O. C., of Saint John, was in town on Monday on military business.

H. H. Smalley To Run In Coming Election

H. H. Smalley announced this morning that he would be a candidate for councillor at the coming town election. Mr. Smalley served as councillor in 1933-34. He is the first candidate to offer for the office of councillor, three of which are becoming vacant, but several other citizens are mentioned as likely to run. Up to noon today C. R. Turner was the only one to offer for mayor.

ST. LUKE'S CHOIR ELECTS OFFICERS

MISS RUTH KIRKPATRICK IS HONORED AT BANQUET

On Friday evening the Ladies' of St. Luke's choir prepared a Banquet in the Parish Hall for the members. (Continued on Page eight.)

Potato Business Expected To Show Decided Pick-Up Within The Next Few Days

DEMAND IS SLIGHTLY BETTER AND PRICES ADVANCE TEN CENTS; SUPPLIES AVAILABLE FOR SHIPMENT ESTIMATED AT NOT MORE THAN 1200 CARS

The potato market here was still quiet as the New Year opened, but with slightly more activity than for the last few weeks. Limited demand and some wire inquiry was being received from Montreal, where track storage was still light, with only fourteen cars in the yards. Local dealers believe that warehouse supplies are becoming low and expect a pickup in demand within a week or so. Last year a fairly heavy volume of business developed about Jan. 10.

After a long period of inactivity the farmers began hauling today, a few loads coming in both here and at points farther upriver. The market was a little stronger, prices to the farmers being up ten cents at \$1.35 a barrel. Shipments to the Central Provinces to date are 1859 cars, 204 more than at this time last year. It is estimated that supplies still available for sale are not more than 1200 carloads.

Saint John River Has Frozen At Last

The Saint John river here has finally frozen over, sub-zero weather during the last four nights having sealed it for the winter. Booms were stretched on Tuesday to facilitate the freezing. Carleton county has had its coldest weather of the winter this week, temperatures of from 10 to 22 degrees below zero having been registered here at night.

PAINFULLY HURT BY FLYING BLOCK

UPPER WOODSTOCK MAN IS UNCONSCIOUS FOR SEVERAL HOURS

George Gray, of Upper Woodstock, was painfully injured about the head on Monday while saving wood. A block of wood flew into the air, striking him in the eye and inflicting a severe forehead wound. Dr. G. T. O'Donnell was summoned and ordered Gray removed to the Fisher Memorial hospital, where several stitches were necessary to close the cut. It was several hours before the injured man regained consciousness. He was resting comfortably at the hospital today.

PREPARING RINK

SKATING TO BE PROVIDED FOR YOUNG PEOPLE

Town employees are busy preparing free skating places for the young people. At present a large open air rink is being constructed on Connell street, the site having been supplied free of charge by the Connell estate. The rink is now being flooded and will be ready for use within a day or two. Town employees also flooded a rink on Grover street, but in this case the young people will be required to look after keeping the snow clear themselves.

LARGE WHITE OWL ATTRACTS NOTICE IN VISIT HERE

Woodstock had an interesting visitor on Monday when a large white owl, believed to be an Arctic species, came to town. The owl apparently was bewildered by the bright sunshine, as it perched on the ventilator of a local theatre and remained there for several hours, flying away as soon as darkness came. Several owls of this species have been seen in the vicinity during the last few days, or else the same one has been reported from different localities.

GOOD PROGRESS IS MADE ON ROADS

EXTRA MACHINE IS ADDED TO SNOW-PLOWING EQUIPMENT

Excellent progress has been made in ploughing the roads in the Woodstock area during the last few days. The main river road is open to Meductic and is in excellent condition, while the road from here to Hartland is also open. Steady progress has been made on the Houlton road, which is difficult to keep clear as the snow drifts very badly in several sections, and it was expected it would be open to traffic by this evening.

A heavy plough of the "bulldozer" type arrived Wednesday from Juniper and has been added to the snow clearing apparatus in use in the district. In addition a road machine drawn by two tractors is being employed, and also a truck plough with another truck as a pusher.

PLEADS GUILTY TO TWO CHARGES

FINE IMPOSED BUT SENTENCE IS SUSPENDED ON FRAUD COUNT

J. P. McCullough appeared in the Woodstock Police Court Monday afternoon before Magistrate C. M. Augherton on charges of doing business in the town of Woodstock and also of obtaining money under false pretences. McCullough, it is alleged, collected small sums from several of the town merchants for a Christmas tree advertising scheme, which it is claimed he failed to carry out. He pleaded guilty to both charges. (Continued on Page eight.)

Couns. True And Calkin Will Retire

NO ANNOUNCEMENT YET AS TO SUCCESSORS FOR RETIRING MEMBERS

With the town elections only a little more than two weeks away considerable speculation still exists as to who will be candidates for the next town council. Councillor A. Roy Turner is the only member of the present council whose term expires this year who has announced his intention of running again. Mayor E. R. Jones, after concluding two years in office, has definitely stated that he will not offer again, and Coun. Turner has decided to become a candidate for the mayoralty.

Councillors G. B. True and J. R. Calkin, whose terms are also expiring, have not yet announced their intentions. (Continued on Page 8)

WOODSTOCK LODGE INSTALS OFFICERS

MASONS OBSERVE FEAST OF ST. JOHN WITH CEREMONIAL

Members of Woodstock Lodge No. 11 F. & A. M., observed the feast of Saint John the Evangelist at the Masonic hall here Monday evening by installation of officers for the coming year. The installation ceremonies were conducted by Right Worshipful Brother R. M. Gabel, assisted by Worshipful Brothers C. Gordon Sharpe and H. F. Seely, as follows:

Worshipful Master, Maurice H. Craig; Senior Warden, John M. McKinlay; Junior Warden, Murray MacKenzie; Chaplain, Rev. S. C. Gray; (Continued on Page eight.)

HOME DESTROYED

RESIDENCE OF HOWARD BOYD IS BURNED

Hartland, Dec. 30—Fire destroyed the dwelling of Howard Boyd, Peel, Carleton County, early this morning. Mr. Boyd arose at 3 a. m. and after starting the fire left for the woods. About 6 o'clock, one of the family got up and put wood on the coals but as the fire did not start burning quickly she poured in kerosene, and an explosion followed. The place quickly became a mass of flames and the family just managed to escape. The entire contents of the house were destroyed. Boyd's loss was a heavy one as little insurance was carried.

Splendid Double Basketball Attraction Will be Presented Woodstock Fans Tonight

SENATORS AND BAR HARBOR BUICKS TO MEET IN SENIOR GAME, AND JUNIOR SENATORS AND HIGH SCHOOL IN PRELIMINARY

The Senators will meet the fast moving Buick team from Bar Harbor this evening at the Armories. The Buicks need no introduction to local fans. They have appeared in Woodstock in years past and each time have presented an attack that was a little too much for the locals to handle.

The Buicks have been victorious over the Senators three times out of their four appearances at Woodstock. The Senators hope to add another win to their credit on Thursday night. The fans that saw the Senators swamp the 158th Company from South West Harbor know that the boys have a fine team rounded into shape that is capable of giving the Buicks plenty of interesting moments. The Senators will use: Capt. Billy Reardon, Ray Smith, Vic. Buck, and Tex Stevens on the forward line; Al Craig at centre; Donnie Hull, Jim Augherton and Joe Appleby, guards. The Buicks will use: Joe Hamlin, and Bill Webber, forwards; Seavey, centre; Durrell Allen and Smith, guards.

As a preliminary game to the Sen-

ior game the first game of the Woodstock Junior Basketball League, sponsored by the Senators, will be played between W. H. S. first team and the Senators' Trunks. This game will be full of excitement from start to finish as the High boys are a fast aggregation and are capable of giving the fans a good game. The Senators' Trunks will be pretty stiff opposition for the High. The Trunks have been groomed into shape under the careful guidance of the Senior Senators. The Trunks will use: Gordie Gardiner and Frank Fewer, forwards; Red Thompson, centre; Paul Currie and Ding Grant, guards. High School will use their usual line-up.

The Junior League is made up of five teams, as follows W. H. S. 1st team; W. H. S. 2nd team; Senators' Trunks and Senators Aces and Gerald McGuire's Farmers. A cup for Annual Competition has been presented by Geo. W. Gibson, representative of the Tip Top Tailors, Ltd., and it is a cup worth playing for. This cup is on display in Mr. Gibson's window and will be on display at the Armories tonight. The first game will start at 7.30.
