SENATORS OPEN THEIR HOME SEASON WITH A VICTORY

DEFEAT AROOSTOOK STATE
NORMAL 39 TO 35 IN
SPARKLING GAME

The Woodstock Senators opened their season at home with a victory when they defeated the fast Aroostook State Normal team, of Presque Isle, in a sparkling game at the armories here Friday evening by a score of 39 to 35. The Senators pulled the iron man stunt, all five of them going the route.

The winners played smart basketball, especially in the first half, and presented a better balanced team than for several seasons past. Bill Reardon, court veteran of many seasons' standing, is still the dynamo of the team, however, and engineered most of the plays. Woodstock fans are of the opinion that the local team will be the biggest factor in New Brunswick hoop circles since they last won the Provincial title.

The home team took the floor resplendent in new uniforms of blue and gold, but hurriedly changed back to their old togs when the visitors appeared similarly attired.

Play started at a fast clip, but it was several minutes before Gordon Gardiner sunk one from close in to open the scoring. The visitors then established a slim lead on a brace of pretty field goals by Sprague and one by Clark. The home team then got down to business and outclassed the visitors for the remainder of the half, which ended 25 to 12.

In the second half the Maine boys changed their style of play and had a considerable edge. The home team, however, fought off a stirring rally in the closing minutes, although tiring and getting a little ragged with the visitors keeping themselves fresh with frequent changes.

The line-up:
Woodstock:—Buck f. 11; G. Gardiner f. 12; Aughterson c. 4; Reardon g. 12; B. Gardiner g.
State Normal:—Sprague f. 16; Weaver f. 5; Clark c. 7; Shields c. 1; Brewer g. 2; Harmon g. 4; Briggs g.
Ray Smith refereed. .66 6666

TOWN AGAIN FINDS ITSELF FACING A BANK OVERDRAFT

MONEY ON HAND NOT
ENOUGH TO MEET BILLS
COUNCIL IS TOLD

For the first time in several months Woodstock finds itself liable to incur an overdraft, it was announced at a meeting of the town council here Friday evening. Bills totalling about \$13,000 were approved, and the town manager stated that there was only about \$3,000 to meet them plus what taxes would come in immediately. On motion of Coun. Hetherington it was decided to pay the bills when funds were available. No authority for an overdraft was given, but it was intimated that this would probably be discussed at a special meeting to be held next week.

Also left over to the special meeting was the question of plowing streets, which occupied most of the council's time that evening.

Tenders for the work were received as follows: Creighton-Carter, Ltd. \$500 the firm to supply complete and adequate equipment valued at \$3,500, or \$350 if the town supplied the equipment; or \$2.25 an hour for a truck and 75 cents an hour for the plough; W. J. B. Rogers, \$235; Bowlin & Sercechi, \$700; J. A. Rogers \$325 or \$2.50 an hour.

It was moved by Coun. Glew with Coun. Cox as seconder that the town purchase a plow of its own. This was lost on standing vote, Coun. Rogers, Glew, Cox and Hayden voting yea, and Coun. Hall, Porter and Hetherington nay. Mayor Everett declared the motion lost.

Coun. Glew then moved with Coun. Cox as seconder that J. A. Rogers be employed at \$2.50 an hour. This motion was also lost and it was decided to let the matter stand until the next meeting.

Earl Phillips, of the Government garage staff, told the council there was no equipment available there which they could hire. He recommended that a plow and truck as a unit be used.

Coun. Hall objected that leaving the matter open might mean the blocking of the streets by a sudden storm. The Mayor said that the town manager had authority to make arrangements in such a case.

The town manager reported that he had investigated a report that the Imperial Oil Company were encroaching on town lands and found that they were on their own property.

It was decided that the town would have its usual Christmas tree, and that current for it would be purchased from Dec. 18 to Jan. 2. It was also decided that if the school children decided to have a rink the town
