MILITARY PARADE HELD TUESDAY INVOKES ENTHUSIASM FOR VICTORY LOAN DRIVE

Expected That Carleton County's Allotment Of \$450,000 Will Be Exceeded

ADDRESSES GIVEN BY E. W. MAIR, R. L. YORK, H. J. FLEMING AND CAPT. THE REV. S. B. PROFITT

Through decorated streets of Hartland, Bristol, Bath, East Florenceville and Centerville, a military parade along with public addresses at Hartland, Bristol and Centerville, Tuesday drew interested thousands from the greater part of Carleton County. Arranged in the interests of the Victory Loan by the Carleton County publicity committee, the parade made a decided hit, and it is hoped will do much to help put Carleton County's \$450,000 quota over the top.

Headed by the band of the 2nd Carleton and York Regiment, the parade was made up of officers and men from Mt. Allison University C. O. T. C., in training at Woodstock, the 2nd 89th Field Battery, R. C. A. (Reserve), and the 2nd Carleton and York Regiment (Reserve) and Boy Scouts of the Woodstock troop. Those in the parade were transported from place to place by motor truck and placed through the business section of each community. The parade was under the command of Lt.-Col. W. A. MacDougall, officer commanding the C. and Y. Regiment.

Taking off from Woodstock shortly after noon, the parade formed up at the lower end of Main Street in Hartland, and marched to the school grounds where the school children were lined up. Hundreds from Hartland and the nearby communities had gathered. Addresses by E. W. Mair, county chairman of the Victory Loan committee; R. L. York, mayor of Hartland; H. J. Fleming, vice-chairman of the county committee, and Captain the Rev. S. B. Profitt, chaplain of the 2nd Battalion Carleton and York Regiment, were heard. All stressed the need of complete cooperation in assuring the success of the loan.

From Hartland the troops were transported to Bath, where they marched through Main Street with the band playing several numbers. At Bristol the procession halted and Mr. Fleming, Capt. Profitt and G. (Continued on Page 3.)

Triple Jubilee Services Are Carried Out At Debec By St. Agnes Parishioners On Sunday

LONG PROCESSION OPENED SERVICES AT 2 P. M. IN AFTERNOON; ELOQUENT SERMON DELIVERED BY REV. WILLIAM WYLLIE, C. S. S. R.

Unique in church history in New Brunswick was the observance of the triple jubilee services in St. Agnes' Church at Debec on Sunday, when the 60th anniversary of the coming of the first resident pastor, the 50th anniversary of St. Agnes Church and the 25th anniversary of the pastorate of the present church Very Rev. Dean C. J. McLaughlin were fittingly observed.

Ideal June weather prevailed and the spacious grounds were beautifully decorated with flags and bunting while a large Union Jack floated from the flag post. Beds of red tulips in full bloom contrasted strikingly with the spacious green lawns and the bright morning sun.

The interior of the church was decorated with jubilee trimmings and the altar was aglow with lights and cut flowers.

Dean McLaughlin was celebrant of the morning mass. He spoke of the significance of the event and traced the history of the parish from the 17th century when the Franciscan missionaries at the old Meductic Fort within the limits of the present parish had gone forth to the various parts of the county to preach the Gospel. It was 60 years ago to a day, he stated, that the C. P. R. had received its charter to build the road and a pastor took up residence in this parish.

Dean McLaughlin spoke of the work of the other priests who had preceded him here and paid tribute (Continued on page six.)

FORMER VETERAN AMONG THE FIRST TO SUBSCRIBE

SETS FINE EXAMPLE OF SPIRIT OF SACRIFICE DURING WAR PERIODS

Mr. and Mrs. Thomas Carter, Franklin Avenue were among the first subscribers to the Victory Loan, 1941 when they purchased a thousand dollar bond. A veteran of the First Great War and an employee of the C. P. R. Mr. Carter is well represented in the services. One son William Carter, Bdr. of the 89th Battery, is B. C. A. to Captain Peabody another son Robert is Battery Surveyor with the First Survey Regiment, also "Somewhere in England". A daughter Nursing Sister Doris Carter is with the First Canadian General Hospital in England and a son-in-law Lieut. W. J. Kingsmill is on H. M. S. Bittersweet in the Royal Canadian Navy.

It would appear that Mr. and Mrs. Carter had done their share in sacrificing for their country. They realize however the important part money plays in the Victory we must have in order that we may live the kind of life we want to live, and they are among the first to give their savings to their country.

Benefit Dance

It is hoped that a large percentage of the Woodstock dancing fraternity will be on hand when the Hi-Hatters' Orchestra begins to swing on Monday night at the Chateau St. Jean. The cause is a good one, proceeds being devoted to the Benefit of the British Fire Fighters' Fund.

CECILIAN SINGERS DELIGHT LARGE AUDIENCE THURSDAY

LOCAL CHAPTER OF THE I. O. D. E. SPONSORED EVENT IN VOCATIONAL SCHOOL

Woodstock music lovers were afforded a rare musical treat last Thursday evening when the Cecilian Singers of Fredericton were heard in the Vocational School in a varied choral program.

Named for St. Cecilia, the patron saint of music, the Fredericton group lived up to the traditions of their illustrious namesake. Their singing was smooth and well blended with not a single voice standing out at any time. The tone was musical, the pianissimo especially pleasing and the interpretation of the songs all that could be desired.

R. C. Bayley, conductor, wielded the baton and P. J. Toole, associate conductor and Miss Miriam Eardley were accompanists.

The gowns worn by the choir were particularly striking. Fashioned on classic lines of red velvet they were finished with gold collars and girdles.

Mrs. G. F. Clarke, regent of the Carleton Soldiers' Memorial Chapter I. O. D. E. which sponsored the event, introduced the artists and thanked them for contributing of their time and talent for the War Work of the chapter.

The choir was ably assisted by Miss Georgia Mallman, graduate in Dramatic Art from Syracuse University. She gave a selection from Sherwood Anderson's play Elizabeth the Queen and won applause from the large audience for a finished performance. The two other numbers in her group of readings were in a lighter vein.

Mrs. Lillian Fleet, Fredericton soprano contributed four delightful solos: Lullaby, Reginald De Koven; The Spirit Flower, Campbell-Tipton; Comin' Through the Rye, Old Scotch Air, and Four Little Grasshoppers.

The selections of the Singers were divided into four groups. Group I, Jillyflowers, Franz Schubert; Morning, Oley Speaks; An Ode, Healey Willan. Group II, By the Bend of the River, Clara Edwards; The Piper from Over the Way, May Brahe and the Cradle Song, Group III, Quartette, An old Man Came Courting Me, English Folk Song, Misses VanDine, Chappelle, Blair and Hanson. The last group consisted of A Merry Roundelay by Edith Lang; Dream Angus by Hugh Robertson and Hickory, Dickory, Dock by W. Perkins.

The Cecilian Singers were most generous with their encores, Cradle Song, Schubert, Like Barley Bending, Tyson; Star of Me, Rogers; Benedictus, Lutkin and Prayer by Humperdick.

At the close of the program refreshments were served by the I. O. D. E. to the visitors. Mrs. Alfred Page and Mrs. Clark presided at the tea table which was covered with a hand made lace cloth and centered with a silver bowl of narcissi and rose tulips. Mrs. Frank W. Mitchell was in charge of arrangements and members of the chapter assisted in serving.

Patching Up Will Not Do

GOLF CLUB REQUEST THAT STREET BE BUILT TO CLUB HOUSE

Coun. Neal reported meeting with Mr. Carrite of the Coastal Asphalt Products in company with Mayor Hetherington, Coun. Carter and Coun. McBride regarding the unsatisfactory condition of the pavements laid last year.

Mr. Carrite agreed to repair the pavement, cover it with a seal coat at his own expense and to renew the bond already held by the town if it did not prove satisfactory.

Coun. Payson expressed the view that the street should be torn up and laid properly. He pointed out that the seal coat would not remedy the trouble as the fault was with the foundation.

Several councillors felt that the company had agreed to provide a certain kind of street and had supplied an inferior article.

On motion of Coun. Neal it was decided that the repairs as outlined by Mr. Carrite would not be satisfactory and that a new pavement be demanded.

H. W. Dick appeared before the council asking that an advertisement for the gold club be placed on the town signs. He also requested that a street be built from Orange Street to the Club house.

Coun. Carson gave the Town Manager's report. He stated that a special drive had been begun on up-paid taxes and reported progress.

Mayor Hetherington stated that \$7000 had been placed in a savings account in the bank.

C. J. Jones K. C. reported interviewing Hon. J. G. Boucher chairman of the N. B. Power Commission to see if Woodstock could obtain power from the Government Hydro. The minister seemed much interested and promised to give the matter his close attention.

Coun. Carson stated that the buildings at the water works used for storing sand had been converted into bathing houses for the boys and girls.

Coun. Carter moved that the Town Manager be authorized to sheath up the fire station and paint it before the new cement floor is put down.

It was decided to invest \$500 of the Florence Bull legacy in the town Housing Fund and that \$302.32 due that fund be paid to the provincial treasury.

Gavin Brown asked permission to erect a hot dog stand. The matter was laid over until the next meeting June 10th.

Present at the meeting were: Mayor Aubrey Hetherington, Couns. Murray Hay, Douglas McBride, Fred Carson, R. F. Payson, Harry Carter, Edgar Neal and Town Clerk C. J. Jones, K. C.

A wedding of interest to a wide circle of friends in New Brunswick and Upper Canada took place at the home of Mrs. Thane Jones, St. John Street, Wednesday afternoon at 2:30 o'clock when Miss Florence Addy Jones, daughter of Mrs. Jones and the late Thane Jones, Judge of Probate, was united in marriage with Warrant Officer William Goldsmith Watt of the R.
