Victory Loan Is Well Begun

TOWN COMMISSIONS TO BE GIVEN TO WAR AND LOCAL CHARITIES

A new record was established for subscriptions in Carleton County yesterday when 178 subscriptions were received. The sum of \$30,000.00 has already been taken in.

In Woodstock Capt. C. R. DeWitt's team is leading Capt. Cecil Stewart's team by \$1100.00. Capt. Stewart had taken in up to Wednesday night \$18,375 while Captain DeWitt took \$19,475, a total of \$37,850.00 approximately 21 per cent of the town's quota.

Twenty-eight citizens have undertaken the task of selling \$175,000.00 worth of bonds in the Town of Woodstock. These men have been divided into 14 teams of two men each. Of the entire commissions received 60 per cent will be donated to the Woodstock Red Cross, 30 per cent to the Queen's Canadian Fund and 20 per cent to local charities.

Our boys are doing the fighting our local men are working hard without pay to put the loan across. Our part is to lend to the utmost.

CARLETON COUNTY MUNICIPAL HOME IS DESTROYED BY FIRE

The County of Carleton suffered a severe blow on Wednesday when the large brick building which was the Municipal Home together with annex, barns and outbuildings was completely destroyed by fire.

About four o'clock, the Woodstock fire department answered the call for help but little assistance could be given as there was no available water, and citizens had to stand helplessly by and see a valuable set of buildings go up in smoke.

The fire is believed to have started in an outbuilding which spread to the barns and later to the main house. The loss is estimated at \$20,000 with approximately \$12,000 insurance.

Among those at the fire were Councillors W. J. Dibblee, Barry London and Harry Thomas, the poor committee of the County Council.

POLICE RAID ALLEGED BOOTLEGGERS ON SATURDAY

ALL APPEARED IN POLICE COURT MONDAY

Quite a flurry of excitement occurred in police circles on Saturday when the local detachment of the Royal Canadian Mounted Police aided by outside officers and the Woodstock police made several surprise raids and as a result several persons charged with selling liquor illegally are now lodged in the county jail. The raids which took place with such rapidity that they gave those suspected little chance of disposing of their wares, were carried out between 3 and four o'clock.

Although Cpl. Ryder of the local R. C. M. P. was reluctant to divulge any information, it is believed that other warrants are held and more arrests are expected. It is rumored that plain clothes agents have been purchasing liquor from illegal sources for some time past.

The accused were lodged in the County Jail until Monday morning when they were conducted by Sheriff A. R. Foster before Sitting Magistrate C. M. Aughterton. Mrs. Susie Foster pleaded guilty and was sentenced by the magistrate to two months in jail with a fine of \$200. In default of payment of same she will spend an additional two months in jail.

The rest of the alleged bootleggers, Bill Rogers, Reginald Moores, Pat Murray and Harold Dunham pleaded not guilty and their cases were set over until Tuesday afternoon.
