LARGE PARADE MARKS DOMINION DAY OBSERVANCE IN WOODSTOCK

Over 2000 Soldiers As Well As Civilian Organizations In Procession

MANY CITIES AND TOWNS IN NEW BRUNSWICK WERE REPRESENTED IN PARADE AS WELL AS A CONTINGENT AND BAND FROM THE U. S. ARMY AIR FORCE

Beautiful weather, efficient organization by those in charge and co-operation of the various units at Island Park Camp as well as of those from Houlton combined to make the Dominion Day Parade here in the third day of Army week an outstanding success.

The occasion was marked by one of the largest turnouts of citizens in recent years. It is estimated that over 2000 soldiers as well as the Woodstock branch of the Canadian Legion, the Woodstock Cadets, Boy Scouts and the Woodstock and Houlton Fire Departments were in the procession.

The parade formed up at the end of the Houlton Road, marched up Main Street, out Connell, up Green and proceeded down Elm and Main Streets to the saluting base on the Court House lawn. Col. P. E. McLaughlin, camp commandant at Island Park Camp took the salute at the March Past. Most of the cities and towns in New Brunswick, Saint John, Moncton, Newcastle, Bathurst, Chatham and Sussex as well as many others were represented in the parade, and onlookers were thrilled to observe the soldierly bearing and precision of the troops as they passed the saluting base.

The streets were decorated with the town flags placed at intervals along the sidewalks, while the stores and private residences were in gala attire. The saluting base was trimmed with flags and bunting while suspended above it were the Union Jack and the Stars and Stripes.

A contingent of the American Army Air Force, led by their band, headed the parade, next were the various reserve units at present at Island Park Camp, with the Carleton and York Band; The Fifth Res-

NO PROFITEERING IN SALVAGE SAYS LOCAL DIRECTOR

MINISTER OF NATIONAL WAR SERVICES SAYS GOVERNMENT FIXES PRICE

F. Orval Troy, local director of salvage has received the following circular from the National War Services for immediate release:

On June 12th the Honourable J. T. Thomson, Minister of National War Services, made public the following statement in regard to collection of salvage by volunteer organizations. Mr. Thomson's statement said:

"Because of a baseless fear that salvage grifts into the hands of junk dealers and peddlers, who store and hold it to make large profits, a lot of needed salvage material is not reaching the market. This is contrary to the facts. In

War Finance Committee Stresses Needs for Increased Voluntary War Savings Here

CARLETON COUNTY IS ASKED TO INCREASE ITS \$4.00 PER CAPITA PURCHASES TO \$6.50

The imperative necessity for everyone in New Brunswick to do his or her utmost for Canada by investing regularly in voluntary War Savings was emphasized today in a statement issued by D. L. McLaren, general chairman of the New Brunswick Division, National War Finance Committee.

He said: "Canada's victory programme urgently needs more money than the new taxes will bring. To obtain this money, Canada is depending on the patriotism of her citizens, on their readiness to undergo drastic economic changes to help in winning the war. Canada is calling on her people to invest a large amount—as large as humanly possible, the minister declared—in voluntary savings. Compulsory savings are considered as only our minimum investment, and all of us face the pressing responsibility of voluntarily investing as much more as we can."

The part which we are asked to play, in investing all we can financially, is but a small contribution in comparison with the sacrifice which the men of the armed forces and merchant navy are willing to make. We must not fall in this, our duty to them. I feel certain that New Brunswickers will continue, voluntarily, to carry their share of the nation's financial obligations."

Carleton County has been asked to increase its subscriptions and an effort has been made to organize with this purpose in view. This County subscribed in War Saving Certificates in 1941—\$80,196.00—an average of \$4.00 per capita. This average has been maintained for the first four months of this year. The Province as a whole last year subscribed \$6.50 per Capita. (Continued on Page eight)

Vocational To Erect Flagpole

Many citizens have noticed the log on the Carleton County Vocational School lawn which when it is peeled, dipped in creosote and placed in concrete will be a flagpole for the school. The timber which is 70 feet long is 6 inches in diameter at the top. It was purchased in the parish of Kent from money raised by the Vocational School pupils.

PIANO CLASS GIVES RECITAL FRIDAY

PUPILS OF MRS. H. A. MAC-EACHRON HOLD MUSICAL EVENING

A decidedly interesting and highly creditable recital was given on Friday evening at St. Paul's Vestry of the Presbyterian Church.

The program which was presented showed much ability and thorough training on the part of both Mrs. MacEachron and her class, and fully deserved the many compliments which were heard at the close of the evening's entertainment.

Among added attractions to the program was the male quartette, composed of Lorne Britton, LaF. Rogers, Charles Smith, F. Fred Dickinson—their shading and harmonizing was a delight to hear.

Miss Hilda Wilson (Lakeville) rendered two beautiful vocal solos which were greatly enjoyed.

Miss Dorothy Keith (Hartland) gave a most interesting musical reading.

CONVENT SCHOOL HELD ANNUAL CLOSING THURSDAY

EXERCISES ARE ATTENDED BY MANY RELATIVES AND FRIENDS

Many relatives and friends of the pupils and sisters of St. Gertrude's school attended the closing exercises which were held Thursday morning of last week. The decorations were both patriotic and in keeping with the summer season. Particularly pleasing were colored drawings on the windows; a very realistic Light house towering above the blue sea, with soft white clouds as a background, and another of a cheerful homey cottage, with its red roof and cobblestone walk.

The following program comprising both oral and musical numbers, was announced audibly and clearly by a Grade IV pupil, Jackie Laviole:

Recitation, "Welcome" Carolyn Kelly.

"The King Who Must Have Pie", a clever dramatization which proved remarkable patience and training on the part of the teachers, and the gift of retentive memory of the young pupils. The lesson taught was kindness, industry, and selflessness will always be rewarded. Those taking part were Tommy Nickerson, Shirley Hanson, Margaret McFarlane, Viola Bragan, John Bragan, Lawrence Arch, Billy McMullin, and Mary Whalen. Song, "Springtime Brings the Robin", School; Recitation, "Myself" John Bragan; Dramatization, "Mr. Nobody", Mary Whalen, Billy McMullin; Piano Solo, "Merry Shipmates", Judy Sharkey, Piano Solo.

Fifty-five Are Graduated On Monday

MISS GLENNA PATTEN LEADS CLASS WITH HIGH AVERAGE

Rev. H. J. Best told the graduates of the Fisher Memorial High School at their annual commencement exercises held in the auditorium of the High School Monday evening that they were going out into the world ill equipped to meet the battles of life if religion was not the keynote of their lives. He regretted that religious instruction was not a part of the curriculum. He urged the graduates to assume their responsibilities as citizens by reading the newspapers and by discussing the problems of their country in order to fit themselves for their staggering task of reconstructing a war torn world.

Chairman F. L. Atherton, who presided, announced his intention of retiring after 27 years of service. He said when he assumed office in 1915 there were 16 graduates as compared with 55 in 1942, one of the largest classes in the history of the school. He regretted that the High School had not an auditorium large enough to accommodate all who would like to attend the graduation.

His Worship Mayor E. R. Jones in a short speech while presenting the prizes referred to the long years of service Mr. Atherton had given on the school board.

Paul Currie a former graduate congratulated the graduates and in
