Little pills may
LEAD TO Big bills

Actually there is no such thing as an "unimportant" illness. If you aren't well, then you need professional attention to get back on the Highway to Health. Go see your Doctor right away, and do as he bids. Don't neglect little ills, or you may be faced with big bills—wasteful needless suffering and greater expenses. Go NOW to see your Doctor. He will give you sound, helpful advice. Probably, too, he will suggest that you bring his prescription here to be compounded exactly as he specifies. We'll appreciate the opportunity.
