VICTORY LOAN DRIVE FOR \$750,000,000 OPENS MONDAY

We will push on to Victory!

WHEN FRANCE FELL, and Britain stood with her back to the wall, one strong jaw jutted out, and the grip of one clenched fist shook the Empire.

It was Churchill hurling Britain's decision across the channel. *Quit? ... Never! ... Fight? ... Yes, through the hell of adversity till victory is won.*

Today Canadians face challenge after challenge with the same unconquerable spirit. Today we are asked to do without so that our fighting men will have everything they need—when they smash straight into the heart of enemy defences.

Canada's ringing answer to this latest challenge will be:

"Yes, we'll fight with the last ounce of our strength, and the last dollar we can earn and save."

Canada's Victory Loan drive opens Monday. Canada's Victory Loan representative will ask for your answer soon.

Will it be "No, I do not choose to do my part?"

Or will it be "Yes! Yes! Yes!!! I will buy Victory Bonds! I will lend all my support to help make victory sure."

You will be laying up for yourself the best of all investments—VICTORY BONDS are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.
