est and most reliable sources of Vitamin C, besides being a good source of energy.

When potatoes are peeled before cooking much of their mineral and vitamin content may be lost. Therefore it is sound commonsense to cook them in the skins whenever possible.

The British people have learned this lesson, as the following little verse, which has become very popular there in recent months, shows. "Those who have the will to win Eat potatoes in the skin. For they know the sight of peelings Deeply hurts Lord Woolton's feelings."

PURCHASES POOR FARM

YES, that's right. The R stands for prescriptions. And so does this establishment. The compounding of prescriptions is our first consideration. Because ours is a prescription pharmacy we can afford to employ—and do employ—skilled registered pharmacists. These experts compound prescriptions, precisely as the Physician directs. Big volume enables us to keep ample stocks of drugs. Rapid turnover assures that they are fresh and potent. And every customer is charged a fair price for every prescription.
