PREPARATIONS ARE MADE BY TOWN FOR WINTER

Bills of the Library Commission amounting to \$112.55 were ordered paid at the monthly meeting of the Town Council held last Thursday evening. A report was received from the Mayor, Coun. The committee announced that they were successful in having the bill reduced. The town manager was requested to write the Department of Public Works about getting 3000 gallons of asphalt.

BASKETBALL

CENTREVILLE DEFEATS LOCALS HIGH TEAM

The Woodstock High School basketball team journeyed to Centreville last Monday evening to open their 1942-43 season, and met defeat at the hands of the up country boys 30-19.

Centreville lived up to its past reputation as being a hard team to beat on its own home court, and as usual they have a good team. On the night's play they deserved to win.

W. H. S. only has three players of last year's squad, namely Hay, A. Tommy and Lindsay and the 1942 N. B. school champions will have to rebuild. They are plenty of material for a real good team and if coach Bob Brown has any luck it is not an impossibility to bring back the Malcolm cup from the N. B. tournament to be held at U. N. B. on March 5th and 6th.

On the play Monday evening Centreville showed lots of class and great shooting skill they played a fine clean game and showed plenty of fight. McAuley and G. Bassett carried the brunt of the scoring but their team mates also showed up well.

W. H. S. lead at half time 15-14 and were playing sound ball. But in the second half they mixed a little (Continued on Page eight)
