CARLETON COUNTY TO HONOR ITS SONS IN KHAKI

Plans For Observance Completed At Meeting At Island Park Camp

THE MAIN PART OF CELEBRATION TO TAKE PLACE ON DOMINION DAY; 200 HOULTON AIR MEN WILL MARCH IN PARADE

At a meeting at Island Park Camp last night plans were completed for the observance of Army Week in Woodstock. Mayor E. R. Jones, chairman of the town committee presided and progress reports were submitted.

The major part of the celebration will take place on Dominion Day, July 1st. At three o'clock a parade is arranged which will include a unit of 200 airmen from the Houlton Airport, accompanied by their band, 1500 soldiers at present stationed in Woodstock, the Canadian Legion, the High School cadets, the boy scouts and the Woodstock Fire Department. All the bands on the island will be in the procession.

The parade will form up on the top of Broadway hill. It will march up Main Street and onto Connell Street, turn up Green Street and proceed down Elm and Main Streets to the Saluting Base on the Court House lawn. Col. P. E. McLaughlin will take the salute at the march part.

From 6 p. m. Island Park Camp will be open to the public. At 7 p. m. a baseball game will be played on Island Park diamond when two teams from Houlton will participate.

On Sunday July 5th a church parade will be held at 10 o'clock in the morning at Island Park, and at three o'clock a band concert will be given on the island. The public is invited to attend both these functions, to inspect the camp and gain first hand information on Army life.

As part of the celebration the Woodstock Rotary Club will entertain representatives of each unit

ESTEEMED LADY PASSES HERE

MRS. J. RANKIN BROWN IS LAID TO REST AT GREENBANK

Many friends learned with regret of the death of Mrs. J. Rankin Brown which occurred early Friday morning at her home on Chapel Street after a long illness. Although she had been in failing health since the passing of her husband eight years ago death came rather un-

other than commissioned officers at their weekly luncheon. Sgt. Bugler Tyler will be the guest speaker.

Striking Pageant Presented At Vocational Closing

FARMERS FEAR CROPS DAMAGED

Several local farmers have expressed concern regarding the damage done the potato crop by the recent heavy rains and it is feared that growers in some sections will suffer large financial loss. Growers say that when the rain was not sufficiently heavy to wash out the plants a lighter production could be expected as the fertilizer was washed away. Growers are advised to give their acreage extra attention and to keep their tubers well cultivated.

A Renewed Effort Must Be Made To Increase War Saving Purchases Here

COST OF THE WAR TO CANADA IS INCREASING AS OUR PRODUCTION IS EXPANDING; WE HAVE NOT BEEN DOING OUR SHARE, CHAIRMAN STATES

A serious effort is being made to increase the sale of War Saving Certificates, E. W. Mair, local chairman told the Sentinel today. The cost of this war to Canada is increasing in the same proportion as our production is expanding and that is on a tremendous scale, Mr. Mair stated.

The national finance committee is asking Canadians to increase their war saving purchases this year by 150 million dollars. This means that every nickel, dime and quarter must be loaned for this purpose. Carleton County has always striven to do its share in any undertaking when called upon. In 1941 a total of \$80,196.00 or an average of \$6,653.00 a month was invested. For the first four months of this year we purchased \$27,500.00 or an average of \$6,875.00 per month. This works out for the year at \$4.00 per capita.

Since the average for the province last year was \$6.50 per capita, and since to sell 300 million dollars worth in Canada this year means \$25 per person, Mr. Mair wonders if Carleton County this time is carrying its share of the load.

The chairman thinks if we could increase our per capita purchases by \$2 which would give us \$10,000.00 per month, considering that we are an agricultural community, we would be doing extremely well. So, why not let us aim at that figure.

Good Strawberry Crop In This District

Native strawberries are now reaching the market in steadily increasing quantities and the indications for a big crop are good. A crop shortage in Ontario and Quebec should assure growers of a favorable market at home as well as an opportunity to dispose of any surplus elsewhere.

CARLETON COUNTY FLYER BAGS PLANE

PO Dennis Connolly of Benton, N. B., is in the news again, this time for playing a game of hide-and-seek with a German Dornier which poked its nose out of a massive cloud off England's east coast. When the Dornier saw Connolly's Spitfire it ducked back in the cloud but Dennis parked behind the cloud and winged the German when he came out. PO Dennis Connolly is a graduate of Woodstock High School.

Rogers for the change. Many people complain that they cannot hear the band on account of the noise of the traffic on Main Street. Another drawback to downtown is the lack of seating accommodation. In the Fisher grounds people can sit on the grass under the trees and listen in comfort. Still another advantage to the school grounds is that the music can be heard by the patients of the Fisher Memorial Hospital.

A band concert will be given Sunday evening at eight o'clock from the Fisher School grounds instead of from the balcony of the Carlisle Hotel as formerly. Several reasons are given by Bandmaster George

Vastness Of War Effort Portrayed

TRADITIONAL "VOCATIONAL LUCK" HOLDS GOOD; LARGE AUDIENCE PRESENT

The twenty-third annual closing exercises of the Carleton County Vocational school were held Tuesday evening on the lawn at the back of the school. The traditional "Vocational Luck" held good and as at every previous closing the weather was fine.

R. W. Maxwell, principal, in a brief address to the graduates, prior to presenting the prizes and diplomas, referred to the grave turn of events in Libya as a factor prolonging the war. He urged no spirit of resignation or relaxation. He felt the most striking note in the pageant presented by the graduates, was that although we as Canadians may be proud of our contribution so far, we must press forward to even greater accomplishments in the future. He thanked Lt. Jerome Thompson, Paul Currie, Cpl. Edward Mutch, all past graduates, Sgt. Bugler Tyler and members of the C. O. T. C. of St. Joseph's University for assisting with the program. Provincial Director of Vocational Education, W. K. Thibert speaking to the graduates likened education to a ladder which they had only just begun to climb.

The principal feature of the program was a pageant "With Hearts of Hope" written and directed by Miss Grace Caughlin. Miss Roberta Fillmore, Woodstock, and Miss Doris Rideout, Hartland were accompanists for the musical numbers. The pageant was effectively costumed and showed the effect of long and painstaking training. The introduction was given by Pte. Owen Cunningham a member of the graduating class already in the army. The scene was laid in the home, any Canadian home and to the three generations seated there discussing the war situation. Service, portrayed by Miss Ada Rogers, and who appeared in answer to the Mother's question: "I wonder whether we are all really behind them?" introduced representatives of the various war efforts being offered the Empire by Canada.

Miss Grace Cummings, Juniper, took the part of Canada. Miss Jacqueline Nason, Woodstock, was Hope and later was soloist in a chorus "The Recessional". Miss Mary Stanbridge, Woodstock was Democracy and Miss Gwyneth Gray, Florenceville, Miss Greta Davis, East Florenceville and Miss Joyce Neilson, Upper Woodstock took the parts of the grandmother, mother and daughter.

The narrators for the first war service—the production of food—were Miss Jacqueline Nason, Miss Lillian Brown, Brighton and Miss Wanda Reid, Centreville; for the production of war weapons, William Stairs and Edward Gallagher, Woodstock; for the production of men for the armed forces, Miss Muriel Wallace, Woodstock and Miss Reta Jones, Lakeville, Lieut. Jerome Thompson represented the army, Sgt. Mutch the airforce and Harold Lindsay the navy.

Misses Marie Flemming, Woodstock, Geraldine Montgomery Woodstock, Phyllis Steeves, Grafton, Joan McCarthy, Newbridge, Cecile Martin, Woodstock and Marie Moore, Waterville had speaking parts in the introduction of Canada. A quartet, representative of singing in the home was sung by Miss Ada Rogers and Miss Greta Davis, Ralph Kerr, Debec and LaF. Rogers. As a finale was shown a striking tableau, As Canadians offered their efforts in the cause of freedom, a narrator, by Miss Audrey Carter, called the roll of the United Nations, whose representatives holding red, white and blue streamers took their places to form with the graduates two large Vs.
