SIGHTS ARE RAISED FOR THIRD VICTORY LOAN IN CARLETON COUNTY

Quota Is Salvation Army Drive Is Discussed At Women's Institute Not Yet Announced

OBJECTIVE FOR DOMINION IS RAISED BY 25 PER CENT

Organization plans for the third Victory Loan Campaign which is scheduled to begin with the rest of Canada later in the month, are about completed here, J. F. VanBuskirk, organizer said today. The quota for the county has not yet been set but since the national objective is \$750,000,000 an increase of 25 per cent over the objective in the second Victory Loan it is reasonable to suppose that the county objective will be raised as well, the organizer pointed out. On the other hand farmers are getting better prices for their produce and no doubt will be anxious to invest their money to insure victory.

A meeting was held last Friday at the campaign headquarters on Main Street when details were arranged and matters pertaining to organization were discussed. E. W. Mair, chairman presided. Among others present were: H. J. Flemming, Vice Chairman; Mrs. Wilbur Babbick, Secretary; R. W. Maxwell, Chairman of general sales; C. R. DeWitt, Chairman of special names; Alfred Page, Public Relations; J. H. DeWitt, C. J. Jones, K. C. W. J. Diblee, E. A. Neal, F. O. Creighton, Mayor E. R. Jones, Earl Nason, Wendell Slipp, J. L. Ross, G. C. Campbell, D. R. Bishop, V. W. Simms, and Charles Clark.

Victorian Order Supplies Needs Of Those Unable To Secure Full Time Nursing

THEIR NURSES ARE ESPECIALLY TRAINED TO PERFORM A WIDE VARIETY OF PUBLIC HEALTH DUTIES; NATIONAL OFFICE PROVIDES A CONSULTING SERVICE

The Woodstock Board of the Victorian Order of Nurses are holding a tag day on Saturday, October 3rd when they will appeal to the citizens of Woodstock for funds to carry on their work.

The Victorian Order of Nurses is a national public health organization with headquarters in Ottawa. It has over ninety affiliated branches scattered throughout the Dominion from coast to coast. Financed on a voluntary basis, its primary object is to provide bedside nursing care for the sick in their own homes on a visiting basis. It endeavours to meet the special requirements of the many patients who do not need, or cannot afford the full time services of a nurse, or have not household accommodations to offer her, as well as those who for various reasons cannot or need not go into hospital.

Patients are charged for each visit on the basis of an average cost. When necessary a reduction in fees is arranged and no patient is refused care because of inability to pay. The service provides nursing care for men, women and children, regardless of race, color, creed or financial status. Each new case reported from any source is visited but nursing care is only given under the direction of a physician.

The V. O. N. cares for medical, surgical and chronic cases instructs the expectant mother in the care of her health, assists the doctor at delivery, gives nursing care to mother and baby during the week following and supervises their health for at least six weeks. Miss Carolyn Curry, local V. O. N., conducts well baby clinics and does group teaching as well.

The Woodstock branch has been organized since the fall of 1937 and the service has become so popular that many people wonder how they got along without it. The service is supported entirely by public donations. (Continued on Page Eight.)
