In Memoriam

In loving memory of Oscar R. Cole, who departed this life on March the 2nd, 1942:

We seem to see in the soft dim light, A face we loved the best, And think of him when the sun's last ray Goes down in the far off west.

We miss you no less as the time passes on, Than we did on the day of your going. For absence can never close the door of our heart, And the lamp of our love is still glowing.

Your heart was the truest in all the wide world, Your love the best to recall, For no one on earth can take your place, You are still the dearest of all.

Wife, Sons and Daughters.
