Vesper Choir In Christmas Pageant

BEAUTIFUL COSTUMES ADD
TO THE SUCCESS OF
PERFORMANCE

A beautiful pageant, entitled "Christmas Pilgrims," depicting the Christmas story was presented in the Woodstock United Church on Sunday evening, Mrs. F. C. Squires was the director assisted by Mrs. Douglas McBride, and the production reflected credit on performers and directors alike.

The scene was centered around the crib of the infant Jesus. With pantomime and readings from the Bible the actors told the story of the First Christmas, while the Vesper Choir who occupied the choir stalls sang appropriate Christmas Carols. The beautiful costumes worn by those taking part added much to the success of the performance. The following were the soloists, Mrs. Frank White, Miss Betty Spence, Miss Frances Squires, Fred Dickinson, Lorne Britton, Hartland, Ronald Tompkins and Charles Smith.

NO PRISONERS IN COUNTY JAIL OVER CHRISTMAS HOLIDAYS

The holiday passed quietly in police circles. In spite of large crowds about the streets there was little disorder and the officers, considering the Christmas season where individuals had taken a little too much had their friends take them home instead of placing them in strong lodgings. Not a single prisoner was in the County Jail over the holiday a circumstance never before known. Sheriff Foster said that it couldn't be the food because on Christmas Day the inmates ate served a chicken dinner with all the trimmings.

CHRISTMAS SERVICES AT ST. GERTRUDE'S

DESPITE BAD WEATHER AND ICY
PAVEMENTS ATTENDANCE IS
LARGE

The Christmas services in St. Gertrude's Church consisted of the usual midnight Mass, Low Masses at 8 and 8.30 o'clock. At the 8.30 Mass the Children's Choir, under the direction of Rev. Sister Helen Agnes sang Christmas Carols and appropriate hymns. Benediction followed at the conclusion of the mass.

Despite the inclement weather and icy pavements the attendance at all the services was large particularly at the midnight mass. The Sanctuary and side altars were made attractive with ferns and greenery, while the centre altar was resplendent in white and gold, with a frontal of the same colors. The large gold candle holders and candelabrum with their lighted candles illuminated the altar, emphasizing its simplicity and elegance, while the green foliage of the entwining Holly as a background and atop the altar carried out the note of the festive season.

In the Nave of the church near the rail, the usual "Crib" which is a representation of the scene enacted in the Stable of Bethlehem, was placed, with the Star and colored lights as adornments.

The choir rendered special music during the service with Mrs. R. G. Thompson, as leading soprano. Dur-

Town Ladies Hear From Ditty Bags

GIFTS ARE MUCH APPRECIATED
BY SAILORS; ONE IS A
NORWEGIAN

Several Woodstock ladies who made and filled ditty bags for the sailors this Christmas have received replies from the grateful recipients. Mrs. J. Brody received the following letter:

Dear Friend:
Just a line to thank you for the bag I received through the Seaman's Mission. I find the contents very useful, just the thing I need for my next voyage which will be a long one. It just lets us chaps see that we are not forgotten, sincerely
James Banks.

Mrs. H. P. Boucher, is in receipt of the following:
I thank you very much for parcel I received. It was quite a surprise for me.

I was to a dance at the Seaman's Mission yesterday, and I enjoyed it very much. I do not write good English, so I hope you excuse my errors. I am Norwegian and third mate on this ship.

As you know I have had no communication with my family in Norway. It is therefore good to see somebody try to give us a feeling that we are not forgotten.

I hope you do not mind that I am not British. We are all fighting for the same, freedom and humanity.

I have seen a good deal of Hitler's "Liberty". For 11 months I was a prisoner of his and I shall never forget the day we managed to run away from his bloodstained hands.

I wish you and yours many good days in the years to come.

Sincerely
Ansgar Askildsen.
