## Be Of Good Cheer

In a world of dreary blackouts the Christmas  
Star of Hope and Peace shines on ..... a prophecy  
of what shall be and a symbol of that for which  
free men suffer and strive. May its gleam lighten  
all this world this Christmastide.

To All Our Customers  
and Friends

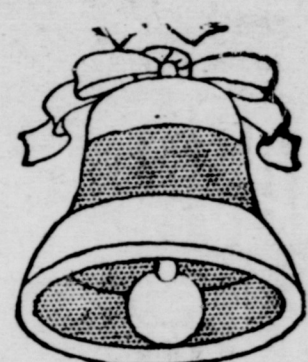

We Wish

A Merry Christmas

## Merry Christmas

What an easy thing to say,  
"Merry Christmas"

It's extended usage sometimes makes us  
Forget the true meaning of the phrase,  
This year we have more reason than  
Ever to give this old expression  
A Heartfelt Flavour.

Your Patronage and Friendship, which  
Grows Valuable with the Passing of Time  
Have Brought us marked Success and  
Added Personal Regard.
