Greetings to New Brunswick from Everyone in the BATHURST FAMILY

LIKE everyone else in New Brunswick, each one of us in the Bathurst family is working hard... working to speed production for Victory. It's a little difficult to realize that this is the holiday season, yet the very urgency of the task, the grimness of the times... makes the spirit of Christmas something to be remembered and treasured more than ever before.

So it is that we of the Bathurst organization, wherever we're working... whether it be in the forests, in the Bathurst mill, machine shops, laboratories or offices... take this opportunity of sending heartiest greetings to our fellow citizens in New Brunswick.

May the coming year go well with you, and may our united efforts in 1943 make the cause of freedom throughout the world secure forever.
