The Young Recruits.

"The Young Recruits" is the title of an oil painting by Mr. Charles Patterson, one of the most gifted representatives of the younger branch of Canadian artists. Mr. Patterson has displayed undoubted genius in the conception and execution of this charming picture, which will appeal to every lover of childhood as well as every lover of art. "The Young Recruits" is one of the four stipplements to be given away with the Christmas number of the Dominion Illustrated, which the publishers are sparing neither pains nor expense to make the most magnificent holiday souvenir ever issued in Canada and far surpassing their own brilliant effort last year.

Weldford Agricultural Society.

A correspondent at Ford's Mills sends the following report of the annual fair of the above society recently held at that place.

We are pleased to say that our exhibits have surpassed anything we have had for some years.

The cattle which were exhibited were Ayrshire, Polled Angus and Jersey, also common, and were considered by the spectators as very superior animals.

The horses and sheep were also a very fine display, and were a credit to the exhibitors.

Among the swine were some very fine specimens.
The grains and roots were exceedingly fine. Out of the many samples of wheat it was difficult for the judges to give the awards.

The ladies were not behind in their department, exhibiting some fine samples of men's wear—socks, mitts, ladies' stockings, hooked mats, butter and cheese.

The principal exhibitors were:—Joseph Cail, who took 15 prizes; Jno. Ford, 9; Jno. McG. Powell, 14; Jno. Outton, 16; Wm. Farrer, 10; Walter Holmden, 8; Thomas McWilliams, 10; besides a large number of others.

The tickets issued for competition numbered 272.

We also take this opportunity of thanking the judges for their kind attention, especially Wm. Beattie, having come from Kingston, W. W. Pride from Weldford Station, and Mr. Jno. Miller from Molus River.

The Yatisi Corset, owing to the peculiar diagonal elasticity of the cloth will fit the wearer perfectly the first time worn, no matter what her style of form is—either long or short waisted.

The Yatisi Corset does not stretch at the waist, requires no breaking in, fits comfortably the first time worn. As it gives to every motion of the wearer it will out-last any of the old style rigid Corsets.

The Yatisi Corset is made of the best materials, and being elastic (without rubber or springs) is invaluable for invalids, as it cannot compress the vital parts of the body. They are recommended by the most celebrated physicians in all the leading cities.

The Yatisi Corset is the only one that the purchaser can wear ten days and then return and have the money refunded, if not found to be the most perfect fitting, beautiful and comfortable Corset ever worn.

THE LATE FR. BELLIVEAU

I have a beautiful cabinet photo of the late Father Belliveau, made from life, and was highly approved of by himself. Do not buy some of the poor copies that are being sold, but see that every picture bears my name printed in gold on the bottom. If you want a picture you also want a good portrait and faithful likeness, which you can get mailed to you, postage prepaid, by sending 25 cents in stamps to my address.
