Coming Back. Wild pigeons which have been altogether unknown in York during the past eight years are beginning to appear once more. They are also reported at Sunbury and Charlotte. Mr. Phinney entered the department as clerk in the office of Mr. White, at that time secretary. Shortly after the organizing of the railway postal service in Manitoba Mr. Phinney was transferred to Manitoba as a railway mail clerk. The Postmaster General is to be commended on making this appointment, Mr. Phinney not only being one of the most efficient employees in the service, but also one of the most popular. Obituary. On the 29th August, little Graham Haines, aged 11 mos., 20 days, died at the residence of James Thurrutt, West Branch, after a short illness. The little fellow was one of twin boys of Mr. and Mrs. Whitman Haines, and, although so young, by his playful manners, had endeared himself to all who knew him. The funeral was largely attended by friends in this locality and relatives in Moncton. A friend laid on the cover of the casket a beautiful wreath of white daisies and violets, at the head was a bouquet of white geraniums. The interment took place at the burial ground, Richibucto, the beautiful service of the church of England being conducted by Rev. Mr. Hackenly.

Since writing the above, we learn of the death of one of the twin children of Mr. and Mrs. William Lennox, of West Branch. The bereaved parents have the sympathy of the community.—Com.

The Gladstones have had very little practice this season, but the game resulted in a victory for the home team, the score being 7 to 4. Mr. Alex. Haines umpired the game in an impartial and satisfactory manner. The score was as follows:
