Will Be Lonesome.
The Advance is offered for sale, this time without the editor. Mr. Smith has been offered a situation elsewhere. We shall be as lonely without him as a boxer without a sand bag to harden his knuckles on.—World.

How Many People.
Suffer miserably after eating, from sour stomach, which causes either pain and sickness, or disagreeable scalding in the throat and raising of food. A dose of "Dyspepticure," taken after meals, will prevent this suffering; when taken at bedtime for a week or two "Dyspepticure" will remove the cause of the trouble. *

Provincial Appointments.
In the County of Northumberland:—Thomas Moran, Cornelius Weaver, Samuel McElwee, and Michael Hannan to be Justices of the Peace.
In the County of Westmorland:—David Garland and Willet W. Keith to be Justices of the Peace.
James Bentley to be Commissioner of the Parish of Westmorland Civil Court.
In the County of Gloucester:—Joseph E. Ladteigne to be a Justice of the Peace.
John E. O'Brien to be Commissioner of the Parish of Bathurst Civil Court.

Telephone.
In direct attention to the advertisement of The Miramichi Telephone Company in another column we might say that direct communication was opened between Richibucto and Kingston last week and later with St. Louis and Kouchibouguac. Already the advantages of this line have been felt by the subscribers who have been enterprising enough to encourage the promoters. Messrs. MacKenzie and Snowball who were here last week inspecting the line said that if half a dozen more subscribers were secured between Kingston and Richibucto they would in all probability push the line at once as far as Buctouche. We leave it to our wide awake business and professional men to sum up the advantages and benefit this arrangement would be, not only to Buctouche and adjoining country but to our own two towns as well. We hope they will be successful.

The Dominion Illustrated.
A page of the last issue of the Dominion Illustrated presents a complete group of portraits of the Canadian Bisley team of 1891, with a brief sketch of the shooting record of each in past years. It is timely and interesting. The visit of the Prince and Princess of Wales to the Canadian exhibit at the Royal Agricultural Fair, Doncaster, Eng., is also made the subject of a page of illustrations. From the Maritime provinces there is a view of Windsor, N. S., in 1840, one of the Studley Quoit Club, Halifax, and a portrait and biographical sketch of F. Blake Crofton, the well known Nova Scotia litterateur. There is a portrait and interesting biographical sketch of the late J. Beaufort Hurlbert, LL. D., widely remembered in connection with the Anti-Jesuit agitation. St. George's Cathedral, Kingston; Interior of Fort Henry, Kingston; Scenes at Tadoussac Bay and Cacouna; The famous cathedral at Rheims, France, perhaps the finest specimen of Gothic architecture in existence, are among other subjects of illustration in this charming number. The literary contents are not less interesting.

—Chatham World: Snowball's mill shut down on Thursday. The deal piles had grown so high that the pilers demanded that extra men be employed to aid them. The proprietor thought that was a matter for his consideration alone. —Mary K. Tibbits, B. A., of Fredericton, has been appointed principal of the Queen's County grammar school at Gagetown. Miss Tibbits succeeds Mr. John R. Dunn who gained so much notoriety a few years ago in connection with the Baird-King election. The new incumbent is not likely to come to the front in the same manner as her predecessor. —"Why don't you run a paper like that?" said a merchant to a publisher, throwing down a blanket-sheet city daily. "Why don't you run a store like that?" asked the publisher of the country sheet, as he turned the paper and pointed to a full-page advertisement for which the city publisher received \$250 an issue. Just then, the country publisher presented a monthly bill for five dollars, and the merchant began to talk of economizing by cutting down his advertisement and stopping his paper. He did both, and now the sheriff is doing his advertising for him.—Guelp Herald.

Please remember that we keep our stock well assorted throughout the summer months, and orders for samples will receive most careful attention.
