CARD.

To the Electors of the County of Northum-
berland.

GENTLEMEN:—At the request of a large
number of gentlemen who have presented
me with a Nomination Paper numerously
signed by the electors of the different pol-
ing districts of the County, I have decided
to allow myself to be put in nomination
as the Candidate of the Liberal Conserva-
tive Party at the ensuing election to be
held on the 5th day of March next.

To my friends throughout the County
who have promised me their support and
influence I return my sincere thanks for
this expression of their confidence in me,
and I beg to assure them and the whole of
the electorate of this County that in ac-
cepting the Nomination so kindly pre-
sented I shall use every endeavor to win
for our party a grand victory and place
our County in line with the Government.

For many years important interests
touching our County's advancement and
progress have been neglected with the re-
sult that Northumberland to-day requires
more than any other County of the Pro-
vince, a representative in thorough accord
with the Government and in touch with
the important interests of the County.

Our late representative, being a non-
Resident, is not immediately interested in
the further advancement of the County,
and this together with his open hostility
to the administration, has left Northum-
berland in the unfortunate position she
occupies to-day.

As your representative I will take every
occasion to press upon the notice of the
Government the fact that our interests
have not alone been neglected in the past
but they must be attended to in the future
—I will demand from the Government
that a fair share of the Public moneys be
expended on such important Works as—
The construction of the Escuminac
breakwater.

The building of necessary wharves on
the north and south side of our river, from
Chatham downwards for the convenience
of the travelling public—

The erection of a public building in the
town of Chatham, for Postal, Customs and
Revenue purposes, better adapted to the
wants and importance of the town than
the present unsightly and unsafe one—

The obtaining of Government aid for
railways as feeders for the I. C. R. and
the completion and extension of the
Indiantown Branch—and generally such
other matters of importance as our public
necessities require.

In view of the short space of time be-
tween this and polling day, it will be im-
possible for me to visit each one of you.
I therefore request that the electors of the
County will give their earnest support and
co-operation, and work earnestly for me
from now until the close of the polls. In
the meantime I will address such public
meetings throughout the different sections
of the county as time and opportunity
will permit.

I am yours most respectfully,
M. ADAMS.

DOMINION SAFETY FUND

LIFE ASSOCIATION.

Incorporated by the Legislature of New Brunswick, 1881.
Licensed for the Dominion of Canada since 1882.

DEPOSIT AT OTTAWA, - - - - - \$50,000.00.

The only regular Life Insurance Company in America devoted exclusively to the business
of Pure Insurance.

A HOME COMPANY: The only Company having its Head Office in
the Maritime Provinces.

ACTUAL RESULTS.

Death Claims paid to beneficiaries to date under its system of Pure Insurance.....\$164,000.00
At a total cost for Natural Premiums paid, of.....12,719.13
The ordinary Level Premiums on the same lives for the same time would have been...31,341.50
Thus saving.....18,622.37

It will readily be seen that the savings made by those thus insured in this Association, which sav-
ings might be termed Dividends or Profits, is equal to a return of the entire Natural Premiums, paid
and over 40 per cent. added! The Association gives the insured the benefit of those dividends from
the COMMENCEMENT of the Policies by allowing them to retain the difference.

The percentage of cost in the Dominion Safety Fund Life Association for each \$1.00 cost in
the Level Premium Companies is.....\$ 0.41
Average cost paid by above insured for each \$1.000 paid by the Association.....77.15

Average cost for each \$1.000 in a Level Premium Co. for the same insurance on the same
persons.....191.10
Being an average saving on each \$1.000 for the time insured, of.....113.95

and yet with all the above advantages in favor of the insured the Association is enabled to show the
security of

**A RATIO OF \$245 OF ASSETS FOR EVERY \$100
OF LIABILITIES.**

If the \$12,719.13 premium paid to the Dominion Safety Fund Life Association had been paid for
ordinary whole life Level Premium Insurance, \$36,000 only would have been received by the claimants
instead of \$164,000, which was paid to them by the Dominion Safety Fund Life Association, a differ-
ence of \$38,000.

Is it not worth while for the people to investigate the advantages offered by The Dominion
Safety Fund Life Association and obtain the most insurance for the least money, combined
with the greatest security?

Liberal terms offered to active and reliable canvassing agents.

The sacrifice of those 150 Knights Tem-
plars out in Chicago, who gave up pieces
of their cuticle to be grafted upon a fellow
Knight, proves to be in vain. The man's
stomach has become so weak from taking
large quantities of chloroform that he is
unable to eat, and is slowly starving to
death. The doctor calls his case hopeless.

An innocent man was lynched by a mob
at Sedalia, Col., on Sunday. His name
was Oliver Riley. He was in charge of a
railroad shute, and was attempting to drive
away a man who was stealing coal, and
during a struggle which ensued between
himself and Conductor Sullivan, who was
a friend of the thief, shot Sullivan. The
mob supposed that Riley was the thief and
hung him. The matter is to be investi-
gated.

News from Hong Kong states the Ameri-
can ship Vigilant, which recently arrived
at that port from New York, lost seven of
her crew while on the outward passage.
A seaman fell overboard and a boat was
lowered, manned by six men, and a squall
came up and capsized the boat. All were
drowned.

Mrs. Dawson, of Pickens county, S. C.
last Thursday murdered her two children.
She was of unsound mind.

MRS. ROBINSON, Hopewell Corner,
writes: Dear Sir, I have used your British
Liniment for one year, and must say it
surpasses all the Liniments I have ever
used for Sore Throat, Lamé Back, Pains
in the Side, and all complaints for which
a Liniment is needed. I had a pain in
my side so bad that I had to give up work.
I gave my side a good bathing with your
Liniment and it gave me immediate relief
so that in twenty minutes I was able to
go about my work.
