THE VACANCY IN KENT.

The echoes of the late local election have scarcely died away when the people of this county are plunged into the excitement and turmoil of another contest.

Mr. Blair and his friends are very wrathful because Mr. Pitts caused circulars dealing with the Bathurst school question to be printed and distributed throughout the county of York.

The Toronto Globe, the leading Liberal organ in the Dominion, referring to Mr. Blair's defeat says: "That York has chosen to elect the opposition candidates must be regarded as rather creditable than otherwise."

Many Victims in Canada.

LONDON, Oct. 27.—Thomas Neill-Cremm has confessed that from 1874 to 1881, while he was arrested in Chicago, he made a practice of poisoning dissolute girls in Canada.

A medical expert made an examination of Cream to-day and declared him insane. The confession was made public by Cream's solicitor, who stated that Cream's story "made every hair on my head stand on end."

The solicitor refused further information.

WONDER IN WELAND!

A Representative Farmer Speaks.

MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use.

Dear Sirs,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery. I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than that I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. Haun, Welland P.O.

In this connection the following letter from T. Cummins, Esq., a leading druggist of Welland, Ont., speaks for itself: Me srs. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly, THOMAS CUMMINS, Welland, Ont.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.
