Headache

Usually results from a deranged stomach or a sluggish liver. In either case, an aperient is needed. Ayer's Pills, the mildest and most reliable cathartic in use, correct all irregularities of the stomach, liver, and bowels, and, in a brief time, relieve the most distressing headache. These pills are highly recommended by the profession, and the demand for them is universal.

"I have been afflicted, for years, with headache and indigestion, and though I spent nearly a fortune in medicines, I never found any relief until I began to take Ayer's Pills. Six bottles of these Pills completely cured me."—Benjamin Harper, Plymouth, Montserrat, W. I.

"A long sufferer from headache, I was
CURED BY

two boxes of Ayer's Pills."—Emma Keyes, Hubbardstown, Mass.
"For the cure of headache, Ayer's Cathartic Pills are the most efficient medicine I ever used."—Robert K. James, Dorchester, Mass.
"For years I was subject to constipation and nervous headache, caused by derangement of the liver. After taking various remedies, I have become convinced that Ayer's Pills are the best. They never fail to relieve my bilious attacks in a short time; and I am sure my system retains its tone longer after the use of these Pills, than has been the case with any other medicine I have tried."—H. S. Sledge, Weimar, Texas.

A THRILLING SITUATION

IN

TERRY DENVER,

Our soon-to-be-commenced Canadian Copyright Serial Story, is portrayed in the cut herewith. The whole Story is full of very many interesting incidents, and the reader will find that his attention will never waver. Watch for the first chapter.

The Pearls of an Empress.

The Empress Eugenie had a passion for pearls, and was, in the days of her power, the possessor of a necklace whose largest stones were the size of a pigeon's egg. After the Franco-German war the empress sold the pearls to Mme. de Paena for 300,000 francs, which Mme. de Paena brought to London in a little handbag. Another famous collection of pearls was that which Mme. Thiers accumulated in three years' search for perfect specimens. These were bequeathed to her sister, Mme. Dosne, and are valued at 400,000 francs.

ANCIENT FISH.—Think of a fish 10,000 years old! And a salt fish at that. Our credulity is sorely taxed to credit the statement that perfectly preserved fish have been discovered in the salt strata of Arizona Nevada and Utah, 100 yards beneath the surface. They are said not to resemble the fish caught in those localities now, and are like the pike and pickerel.—Ex.

Amount of Unclaimed Funds in England.

LONDON, Sept. 27.—Attention has lately been attracted to the subject of the unclaimed funds which have been accumulating in the national exchequer for the past two or three centuries by the fact, recently developed, that the new Royal Courts of Justice have been built mainly with the surplus interest on the funds. In 1891 the funds in Chancery amounted to nearly \$350,000,000, and some years since Mr. Gladstone found it convenient to borrow \$200,000,000 of the suitors' money as a national loan.

Neuralgia is obstinate. Johnson's Anodyne Liniment has cured many very severe cases.

"Judge" Short, leader of a notorious band of cattle thieves in North Dakota, has been captured and lynched near Fargo and several of his band have been killed.

Hall's Hair Renewer cures dandruff and scalp affection; also all cases of baldness where the glands which feed the roots of the hair are not closed up.

WONDER IN WELLAND!

A Representative Farmer Speaks.

MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIR,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN,

Welland, P.O.

In this connection the following letter from T. Cummins, Esq., a leading druggist of Welland, Ont., speaks for itself:

MEAS. T. MILBURN & CO., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly,

THOMAS CUMMINS,

Welland, Ont.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.
