GREAT OFFER.—We have made arrangements with Messrs. Graham & Co., publishers of the Family Herald and weekly Star, which enables us to offer that paper, the star Almanac, and Review, for \$1.75 per year to all our subscribers. The Family Herald is too well known to need comment, and the Star Almanac consists of 400 pages of information of the most absorbing interest, together with six colored maps, constituting one of the most valuable works of the kind ever published in any part of the world. It is most valuable as a book of reference for Canadians and Americans.

Reasonable. It is a tiresome thing to the young, their elders must confess, to be told often that the last generation read better books and knew much more, at the same age, than the present generation.

A boy of 13, in a public grammar school, was reproached by his master for his slowness.

"When I was 13," said the master, "I was at least two years further advanced than you are. How do you account for that?"

"I've heard my father say," replied the boy, a little diffidently, "that they used to have a great deal better teachers than they have nowadays!"

Taylor, Canadian Passenger Agent, No. 4 Palmer House Block, Toronto, Ont., for a copy free of expense. (31)

A MAN WHO KNOWS

WHAT TO BUY.

A few moments spent in K. BEZANSON'S store in Moncton will convince you WHERE TO BUY YOUR CHRISTMAS GIFTS. He seems to know just what the people want, and his elegant stock of Silverware, Watches, Jewelry and Musical Instruments has been selected with the greatest care to suit the Christmas trade. The reason why Bezanon does a larger trade than any other dealer in the province is because his stock is always bright and fresh, and he does not allow his shelves to be loaded with old style goods. This together with being specially careful in REPRESENTATION OF QUALITY has drawn forth the remark so often heard, "IF YOU WANT VARIETY AND FIRST CLASS GOODS, BEZANSON'S IS THE PLACE TO BUY." Every Christmas purchaser please bear in mind that BEZANSON KEEPS JUST WHAT YOU ARE LOOKING FOR, and when you get in his store and see the goods you will find that YOU HAVE MADE NO MISTAKE.
