Kept Right On and Got There.

Exactly why Christopher came over and discovered America is one of those riddles no fellow can positively solve. But if he hadn't probably some other fellow would have, indeed it is not at all improbable that the thing had been accomplished already by some one of the modest and unassuming adventurers from the north lands, who, however, did not have the prestige and distinguished auspices of Columbus to make them famous or bring their deeds to the notice of the aristocracy of the old world.

The project of Columbus at that date looked almost as daring as that of establishing a daily newspaper in Cape Breton. But he found that all he had to do was to keep right on in the one direction and he couldn't help getting there. So he came, and saw, and conquered.—Sydney (C. B.) Sun.

John L. Sullivan is playing an engagement at the Columbia theatre, New York. On Thursday night he went through his part in such a state of intoxication that the fact was perceptible to the audience, and his boxing bout with Jack Ashton was so ludicrous that the audience hissed.

The statistics of the Newfoundland fire are now published. The number of families burned out was 1,874; the number of persons, 10,234; the number of houses destroyed 1,550.

It is now proposed to light the ocean with electricity. The route to be illuminated is between the Irish shore in Kerry and Newfoundland. The plan is to moor ten powerful floating lights 200 miles apart and connected by electric cables. The inventive genius of man is indeed great.

WONDER IN WELAND!

A Representative Farmer Speaks.

MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIRS.—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had.

I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN, Weland P.O.

In this connection the following letter from T. Cummins, Esq., a leading druggist of Weland, Ont., speaks for itself:

Me. Mr. T. Milburn & Co., Toronto. GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly, THOMAS CUMMINS, Weland, Ont.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures so stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.

Hood's Sarsaparilla Rescued Their Child from Scrofula.

For Scrofula, Salt Rheum, and all other foul humors in the blood of children or adults, Hood's Sarsaparilla is an unequalled remedy. Read this: "We are so thankful to Hood's Sarsaparilla for what it did for our little girl that we make this statement for the benefit of other anxious parents and

Suffering Children

Our girl was a beautiful baby, fair and plump and healthy. But when she was two years old, sores broke out behind her ears and spread rapidly over her head and forehead down to her eyes, and into her neck. We consulted one of the best physicians in Brooklyn, but nothing did her any good. The doctors said it was caused by a scrofula humor in the blood. Her head became

offensive to the smell and dreadful to look at. Her general health waned and she would lay in a large chair all day without any life or energy. The sores caused great itching and burning, so that at times we had to restrain her hands to prevent scratching. For 3 years

She Suffered Fearfully

with this terrible humor. Being urged to try Hood's Sarsaparilla we did so. We soon noticed that she had more life and appetite. The medicine seemed to drive out more of the humor for a short time, but it soon began to subside, the itching and burning ceased, and in a few months her head became entirely clear of the sore. She is now perfectly well, has no evidence of the humor, and her skin is clear and healthy. She seems like an entirely different child, in health and general appearance, from what she was before taking
