**In Memoriam.**

Miss Lizzie Lennox died at West Branch May, 1892.  
"I cannot realize that thou art dead, My true, my long-tried friend, Thy morn of life was bright and fair, But oh, so sad thy end!  
"Her soul was noble, like the form In which it was enshrined, Her queenly mien in part revealed The greatness of her mind  
"She met life's duties with a heart Prepared to do them all; Our father sent, she was resigned Even to His final call.  
"She heard that voice, which says, 'Leave all,' admits of no delay, Her spirit fled, her sun has set Before the close of day.  
"And, and as its last departing rays Are softened in the west, Oh! thus it sweetens grief to me To know she is at rest.  
"A soul so pure, a heart so warm, We'll seldom meet again, Our selfish hearts should cease to mourn Now she is free from pain.  
"Dearest of friends, would I could pay The tribute you deserve, But what can words avail thee now, They cannot pain or serve.  
"Oh! death, why dost thou always call Our rarest, fairest flowers; Is it because their wasted bloom Is worthy heaven's own bowers.  
"Some hearts will feel a void like mine And miss thee Lizzie, ever; Others will feel they saw thy smile, But knew its meaning never."  
West Branch, Kent Co., May 31, 1892.

**Your Blood**

Sarsaparilla belongs to the smilax family of plants, and is found very generally over the American continent; but the variety that is richest in medical properties is the Honduras root, of which the famous Ayer's Sarsaparilla is made.

Undoubtedly needs a thorough cleansing this season to expel impurities, keep up the health tone and prevent disease. You should take Hood's Sarsaparilla, the best blood purifier and system tonic. It is unequalled in positive medical merit.

**From Friend to Friend**  
Goes the story of the excellence of Hood's Sarsaparilla and what it has accomplished, and this is the strongest advertising which is done in behalf of this medicine. We endeavor to tell honestly what Hood's Sarsaparilla is and what it will do, but what it has done is far more important and far more potent. Its unequalled record of cures is sure to convince those who have never tried Hood's Sarsaparilla that is an excellent medicine.

Meridian, registered in the 5th volume of Wallace's American Trotting Register, bred by Powell Bros., of Shadeland, Crawford Co., Pennsylvania, is by Satellite by Robert Bonner, by Hambletonian, by Aballah, by Membrino, son of Imported Messenger. Dam, Belle Bashaw, by Long Island Bashaw, by Hawk Eye, by Long Island Black Hawk, by Andrew Jackson, by Young Bashaw, by Imported Grand Bashaw.

Terms, \$8.00 for season.

**THE REGISTERED Trotting-Bred Stallion KINGSTONE.**

"Kingstone" will be held for service of mares in the County of Kent during the present season, when hand bills will be posted giving the particulars of route, &c. Although "Kingstone" has never had the benefit of any special training as a trotter, most of the experienced horsemen who have seen his movements pronounce his gait perfect and only requiring development; and, up to the present no reason has been forthcoming that shows that he is not one of the best in his class that has ever been offered to the breeders of carriage horses in this county.

As he is the grandson of the great founder of the Hambletonian family of trotters and roadsters, some of whom command \$1000.00 for season service, the owner of "Kingstone" cannot think of degrading the noble family by offering his services at any scrub rate; they are therefore held at the rate of \$10.00 for the season, or \$5.00 for a single service. But, to encourage the production of something extra, the owner makes the following offer, viz:—When five or more mares in any one parish shall be booked to the service of "Kingstone," the parties doing so may choose a mare of exceptionally good quality which said mare can have the services of "Kingstone" free of charge.

Hambletonian 10, (the founder of the Hambletonian family), produced—among others—129 sons who sired 230 trotters, and of the number "Rysdyk" 653, (the sire of "Kingstone") stands credited the 29th on the list, leading 99 of his brothers, including "Robert Bonner," 270, (the grandsire of "Meridian"), as "Robert Bonner claims the low figure of 2 to his credit, while "Rysdyk" has 7. Also be it remembered that "Robert Bonner" commenced his life five years before "Rysdyk," which is a big lead in horse life.

"Kingstone is sired by "Rysdyk," 653, and he by "Hambletonian," 10, often called "Rysdyk's Hambletonian." Horsemen know further breeding. "Kingstone's" dam, "Duchess of Kent," was by the imported thoroughbred "Aracan," bred by Lord Exeter, and imported in Nova Scotia by Sir Charles Tupper and Hon. W. A. Henry, by "Ambrose," dam "Ava," by "Lanercost;" second dam "Mecca," by "Sultan;" third dam "Miss Cantley," by "Stamford;" fourth dam, "Sister Silver," by "Mercury;" fifth dam by "Herod;" sixth dam, "Young Hal," by "Skim;" seventh dam, "Hag," by "Crab;" eighth dam "Ebony," by "Children;" ninth dam, "Old Ebony," by "Basto;" tenth dam, "Massey's Mare," by his "Black Barb."

As "Kingstone" is perfectly sound, having neither string-halt or other disease, congenital or otherwise, colts from his loins and sound, healthy mares should be equally sound, therefore the owner respectfully solicits and reasonably expects a fair share of patronage for him.
