SUPREME COURT OF N. B.—Doe dem Girvan vs. McLean. This was a motion for a new trial, and the chief ground relied on was that a copy of the deed of the land in question was improperly admitted in evidence, as the notice required by the act of the plaintiff's intention to give such copy in evidence was insufficient, being served only four days before the opening of the circuit, though more than six days before the trial of the case. The question at issue was to whether the six days' notice which is required by the act relates to the opening of the court or the trial of the case. The court divided, the Chief Justice and Justices Tuck and Fraser holding that the act intended six days before the opening of the court, and Justices Palmer, King and Hanington holding that six days before the trial of the case was the meaning of the act. The motion for the new trial was therefore refused.

Flanagan vs. Wheten—Motion for new trial refused.

WEDDING BELLS AT KINGSTON.—One of those events that go so far to make life interesting and happy, and which awaken all the enthusiasm latent in the feminine part of the human race, and which as a rule only occur once in the experience of each man and woman, took place at the residence of Mr. John Glencross on Tuesday, in which his youngest daughter, Miss Nina, was united in marriage to Mr. Albert Dennis, editor of the Colonial Standard, Pictou, N. S. Rev. Wm. Hamilton, pastor of St. Andrew's church tied the knot which in Canada, at least, is so hard to unloose. Miss Nanette Hutchinson was bridesmaid, and Andrew Glencross supported the groom. At the close of the ceremony about sixty guests partook of a tastefully spread and well provided breakfast, to which the drive that many of the guests had taken in the morning air assisted in giving an exceptional relish. Among the guests were the brother of the groom, Mr. W. Dennis, and one of the city fathers of Halifax; Mr. A. P. Douglass of the Enterprise, New Glasgow, N. S., William Brait, Esq., John Cameron, Esq., and Stephen Cameron, Esq., Carleton, and Robert Little and Dickson. The bride wore a cream colored cashmere trimmed with lace. Miss Hutchinson wore a bronze green satin trimmed with lace, and well, your reporter is now lost as he could not possibly describe accurately the many becoming costumes present, and his mind was so deeply impressed by remarks of the good pastor that beyond noticing that the court train of the bride's dress added to her dignity he saw simply an assemblage of very handsome ladies.

C. Carlyle proposed the health of the bride, and remarked while our county would lose its most talented musician and one of its most popular young ladies, that she was not going to a foreign country, as some of our daughters had done, but still would be one of ourselves; she was fortunate in having for her partner in life a man who could claim the honor of being the noblest work of God—an honest, true Canadian. Mr. Dennis replied very pleasantly and thanked New Brunswick for both kindness and love. Alderman Dennis, Mr. Douglass, Mr. Ferguson and Rev. Mr. Hamilton expressed kindest sentiments. A large number of the guests accompanied the happy couple to the station, where a bevy of little girls strewed the path to the car with flowers.

By this union of the Maritime Provinces Pictou gains and Kent loses a most estimable, talented and popular young lady. The bride was the recipient of numerous costly and beautiful presents. The groom presented the bride with a piano, and to the bridesmaid he gave an elegant gold necklace, set with five brilliants.

—The Merchant's Bank of Halifax has discovered that a number of its one dollar bills have been ingeniously raised to ten dollar bills by cutting the "0" from the corner of other bills and putting it to the right of the 1 on the one dollar bills. QUESTION: HOW CAN I GET A GOOD SUIT OF CLOTHES AT A LOW PRICE?

ANSWER:

To "build a house at a low cost" the first and most important thing is to find a place where you can purchase your building materials at first hands. When our business was established we determined to be leaders both in quality and price, and to this end began close business relations with the largest leading Manufacturers in the Dominion, buying for Cash and selling for CASH AND ONE PRICE ONLY. We give our Customers the benefit of the natural results arising from the above method. That the public appreciate the fact is plainly demonstrated by our constantly increasing business. In view of these facts can it not be said with perfect truth that to buy a good suit of clothes for yourself or your boy at a low price, it must be bought at the
