PERSONAL MENTION.

Mr. Con O'Neil, of the Hardwoods, Escuminac, Northumberland Co., favored us with a call on Saturday. He has been salmon fishing, as usual, on the North Beach, Richibucto, and reports his catch as very poor. The salmon fishing in general, we regret to report has not been nearly up to the average.

Mrs. H. Wilson, of Harcourt, spent Sunday in town, the guest of Mr. and Mrs. Wm. Hudson.

Mrs. J. McDermott, of the Eureka Hotel, Harcourt, accompanied by her daughter, Agnes Maud, left on Thursday of last week for Sydney, C. B., to visit her daughter, Mrs. Wellwood. Before returning Mrs. McDermott purposes visiting Boston and other eastern cities.

Rev. Fr. LeBlanc, of St. Anne, took the train for the north on Monday.

Messrs. Thomas G. and Archie G. Martin, of Cambridgeport, Mass., (formerly of Kingston), who have been spending their vacation in Kent, called on THE REVIEW when in town the other day.

Rev. G. C. Crabbe and lady, of Newcastle, were at the Commercial Hotel last week.

Mr. Thomas Patton, of St. John, registered at the Commercial Hotel last week.

Mr. Michael Graham, the well known lumberman, was in town last week.

Mr. W. O. McInerney, editor of the New York Locust and Hose, is spending his holidays in Kent.

Mr. Wm. Steeves, of Summerside, who spent some days in town visiting friends left for his home on Tuesday.

Coun. M. F. Richard, is we regret to state, very ill.

Captain Redmond, "the Irish captain," master of the brig Livilonia, the boys say, is one of the most popular skippers that has visited this port for years.

Do you know that K. D. C. will relieve and cure your indigestion more quickly and effectually than any other remedy on the market. Try K. D. C.

Rev. H. H. Henson, the vicar of Barking, Eng., throws his garden open to his parishioners every Sunday afternoon. He engages a military band to play sacred music, and expresses a hope that those who are at a loss for a quiet and shady place in which to smoke and chat on Sunday afternoons will accept his invitation.

There are half a million bicycle riders in Great Britain, and they all banded together in the recent elections to vote for no candidate for parliament who would not pledge himself to vote in favor of making the carrying of lights by all vehicles at night compulsory. Of course, this includes bicycles as well as carriages.

F. A. DYKEMAN, Commercial Traveler, St. John: "I have been troubled with dyspepsia and billious attacks for some time and have tried many things for relief. Five doses of your K. D. C. have done more for me than all other medicines I have tried. My mother has been a sufferer for thirty years. I procured for her some of your K. D. C. and after taking only a small quantity she enjoys better health than she has had for many years."

Under the new exclusion law Chinamen illegally found in the States are liable to have their queues cut off. At Detroit the commissioner of the Chinese here ordered four Chinamen captured trying to enter Chicago and returned to be thus treated. Their attorney, however, has entered a writ against the action and cutting off the pig-tails has been postponed until habeas corpus proceedings taken can be argued.

"Sister Rose Gertrude," otherwise Miss Fowler, who left a comfortable home in England to nurse lepers on the island of Moloki, and whose praises were sung by many a tongue a few years ago, is now in San Francisco with her husband, Dr. Lutz. Sister Rose is in excellent health. She was married about a year ago. Both she and her husband have left the Sandwich Islands permanently and will probably remain in San Francisco.

It is probable that a special session of the Newfoundland legislature will be called to deal with the rebuilding and landlord questions. The greater part of the land burned over at St. John's belongs to absentee landlords, and tenants will not rebuild on short leases with onerous conditions attached. The people are agitating for the creation of a land court and for the purchase by the government, of the whole water front. The problem is one difficult of solution.

Healthy digestion is one of the most important functions of the human economy. K. D. C. restores the stomach to healthy action, and promotes healthy digestion.

—R. P. Doherty, D. D. S., will visit Kent county professionally this month. Dates can be found in the advertising columns.

—The rule of the road is a paradox quite as the carriages jog it along; if you go the left you are sure to go right, if you to the right you go wrong.

—A Harcourt merchant, bound for Richibucto, took the wrong "car" at Kingston, and was carried to the St. Louis pic-nic grounds, on Tuesday, before he discovered his mistake.

—Lives there a man with soul so dead who never to himself hath said, 'I'll pay before I go to bed the debt I owe the printer.' Yes, there are some we know full well, who never such a tale would tell, but they, we fear, will go to—, well, the place where there's no winter.

—The fire wardens of the town met last Saturday evening to consider the best means of preventing fire arising from sparks from the mill among the dry sawdust on O'Leary's wharf. One day last week the fire among the sawdust threatened to spread further and the fire engine of the town had to be called out to extinguish it.

—McSweeney's Friday Bargain Day. Friday after Friday the business down here increases, it makes no difference how dull trade may be on other days or in other stores. Fridays crowd this store from end to end, up stairs and down. Our new goods are crowding in upon us so we have to make room. We've done so well for the last four months that we can afford to let our customers have many lines less than we paid for them. This sale will be for all day.

PETER MCSWEENEY, Moncton.

—A western Nova Scotia paper elaborates on the summer resort business as follows: "The summer resorts, which have been sound asleep during the last eight months, have begun to yawn and stretch. The carpenter has patched up old leaks, the painter has used his pots and brushes with glorious results, the plumber has taken his oath that there isn't a bacillus or a microbe within a thousand miles, and alluring advertisements are beckoning to the tired out city folk to come to the country for fresh air, fresh milk, fresh eggs and lawn tennis."

—Mr. John McGowan, representing J. T. Hurley, St. John, boot and shoe manufacturer, is calling upon his many friends in Kent County this week. Hurley's shoes, which by the way, are turned out of the most extensive establishment of the kind in the Maritime provinces, have stood the test of years, and many will wear no other make. It being a common thing to hear Hurley's shoes asked for as they give better satisfaction for the money than any other make. Consequently if you do not wear Hurley's shoes you are not in it. "John" is one of the most courteous and gentlemanly commercials on the road, the merchants all say.

QUESTION:
HOW CAN I GET A GOOD SUIT OF CLOTHES AT A LOW PRICE?

ANSWER:

To "build a house at a low cost" the first and most important thing is to find a place where you can purchase your building materials at first hands. When our business was established we determined to be leaders both in quality and price, and we have since then begun close business relations with the largest leading manufacturers in the Dominion, buying for Cash and selling for CASH AND ONE PRICE ONLY. We give our Customers the benefit of the natural results arising from the above method. That the public appreciate the fact is plainly demonstrated by our constantly increasing business. In view of these facts can it not be said with perfect truth that to buy a good suit of clothes for yourself or your boy at a low price, it must be bought at the
