

LOCAL & GENERAL.

A REWARD OF \$750.—The Moncton Council has offered \$250, and the Provincial Government \$500, for the arrest of Jim, one of the men who robbed Wilson & Co's. safe and killed Policeman Steadman.

STEADMAN'S MURDERER.—A special session of the circuit court will be held in the course of a few weeks for the trial of the prisoner "Buck," who murdered policeman Steadman at Moncton. The solicitor general has arranged for this and the county will thus be saved a large sum of money in bringing on the trial.

ASSAULT CASE.—Henry R. Murray, of Newcastle, was in the Chatham Police Court, Friday, to answer a charge of assault preferred by Scott Act Inspector Menzi. It is alleged that Mr. Murray pulled Inspector's whiskers and, with the aid of another man, hustled him out of the hotel yard where he was in search of liquor. The trial was postponed after one witness had been examined.—World.

EQUITY COURT.—At a sitting of the Equity court, held in St. John last Wednesday, before His Honor Justice Palmer, Mr. E. McLeod, Q. C., appeared for the plaintiff in the case of George K. McLeod vs. John Curran et al. Mr. C. A. Palmer, Q. C., for John Curran and Mr. J. D. Phinney for Thomas McWilliam and Clarence T. Curran. On Motion of Mr. McLeod the bill was taken *pro confesso* for want of an appearance against Mrs. John Curran. The suit was brought for the foreclosure of a mortgage and the sale of lands situate in Restigouche county. The plaintiff claimed that the mortgage was made for \$265 by Mr. Curran to Messrs. C. M. Bostwick & Co., that then Mr. Curran sold one-half of the property to plaintiff, and the plaintiff claimed that he then paid off the mortgage and C. M. Bostwick & Co. assigned it to him. Mr. Palmer said subsequently a deed was made from Mr. Curran to Mr. Thomas McWilliam and Mr. C. T. Curran of the other half for \$2000. The defendants claimed that the plaintiff and Mr. Curran went into partnership in the milling business and that there was an agreement that the purchase money of \$2,325 and the sum of \$350 which Mr. McLeod owed Mr. Curran at the time, were to have been paid to C. M. Bostwick & Co. for a discharge of the mortgage, but that instead the plaintiff obtained an assignment which he placed on record. The plaintiff denied these allegations *in toto*. His Honor said that as there appeared to be a pretty sharp issue of fact to be tried he would call a jury, the issues to be drawn up at trial by consent of the parties. The case was then adjourned until Thursday morning, when the counsel announced to the court that a settlement had been effected in the meantime.

The School Inspectorship.
RICHIBUCTO, Aug. 10.—The School Inspectorship question is causing no little amount of discussion in this county. It has been reported that Inspector O'Brien, whose territory includes Kent and Madawaska, is about to resign, and petitions are being circulated asking for the appointment of Pius Michaud, nephew of Rev. Father Michaud, of Buctouche, in the event of a vacancy. It is said that these petitions were presented for signatures in the vestries of all the Catholic churches in the two counties last Sunday. Young Michaud holds a first class license from the Normal School, but has not been teaching for the required period of five years. Still it is understood that this point has not been insisted on in the cases of other inspectors. The fact that Michaud is only 22 years old may interfere with his chances, but with the backing of the French Canadian population of Kent and Madawaska his friends hope to see him appointed.—Transcript.

Inspector O'Brien informs THE REVIEW that he has not resigned, nor has he any intention of doing so.

An Enormous Eagle Carries Off a Child.
DETROIT, Mich., Aug. 5.—Yesterday Mrs. Peter Shaw, who lives four miles north of Allis, in Presque Isle county, laid her six months old baby down in the grass and returned to the house for a few moments. During her absence an enormous eagle swooped down on the infant and sunk its talons into the little one's flesh and clothing and flew off with its prey.

The infant's father, quickly comprehending the situation, mounted a horse and armed with a rifle rode to the shore of a near-by lake, where he knew there was an eagle's nest in the cliffs. Shaw just arrived in time to witness a terrible sight. Two eagles were hovering above a crag of rocks battling for the possession of the baby that lay high up on the cliff. Before the father reached the summit one of the eagles had fallen to the ground dead, while the other had again taken up the child for another flight. Shaw fired, and bird and baby fell into the water. The frantic father plunged into the lake and caught up the baby, but the little one was dead.

—A barn owned by Peter Allain, on the Chockfish shore, eight miles from Buctouche, was destroyed by lightning a few days ago. Three men had been sleeping in the hay, and had just left the barn on being awakened by the thunder, when the building was struck by lightning. On looking in, they saw the blazing furiously at the very spot where they had been only a moment before, and believe that they escaped death by a very narrow margin. The contents of the barn, including 15 barrels of fish, were destroyed.

—A newspaper is always printed in a rush, says the New York Sun. There is always something in it that should be left out; something left out that should have been put in. It is sometimes too quick to act, but with all its faults and shortcomings there is more education in a bright, newsy paper than there is in any novel. You will find the brightest boy on practical sensible every day events is the boy who reads the newspapers. In the household where no newspaper is taken, you will find poverty of the direst kind, poverty of the mind.
