August Flower. Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and the misery is yours; and until you are willing to believe, and spend the one for the relief of the other, they will stay so.

John H. Foster, 1122 Brown Street, Philadelphia, says: "My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower have cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."

The St. John Sun announces that Mr. Archibald McKinnon, of Cow Bay, C. B., who is interested in a government contract in St. John has returned to the city to complete his contract. This is the gentleman who figured as defendant in the case of Long vs. McKinnon, tried in the County Court here in January term last. He was suffering from an attack of la grippe when here and shortly after he left it was reported that his death had occurred at his home in Cape Breton.

Mr. McKinnon made many friends during his stay here and the news that he is alive and well will be received with pleasure. The local government has offered a reward of \$200 for any information that will lead to the apprehension of the person or persons who set fire to the two school houses in district nos. 12 and 14 in the parish of Wellington in this county, in February last. Both the buildings were insured and it is reported that the Insurance companies interested have offered an additional \$200, thus making \$400 offered.

One Maxim L. Basterash was arrested for setting fire to the building in district no. 12 shortly after the fire. At the time fixed for the hearing before Stipendiary D. D. The play performed by H. Price Webber's company, in the Opera House, Moncton, on Monday night, the 18th inst., Arrah-Na-Pogue, was justly termed the best of the season. Edwina Gray, as Arrah Meelish (Arrah-Na-Pogue), on entering the stage, was greeted by rounds of applause, and all through the play, displaying marked theatrical ability. H. Price Webber's company is always welcomed in Moncton, and to show their appreciation, the citizens deservedly gave him a good house. No flattery is necessary. To say H. Price Webber has one of his old time companies is enough. Don't fail to hear them and enjoy a pleasant evening. See adv.
