NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion.

REBECCA WILKINSON, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia, and Indigestion, until my health was gone. I had been doctoring constantly, with no relief. I bought one bottle of South American Nervine, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy; a few bottles of it has cured me completely. I consider it the grandest medicine in the world."

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

INDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the ONE and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIET E. HALL, of Waynesport, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with SOUTH AMERICAN NERVINE as a cure for the Nerves. No remedy compares with South American Nervine as a wonderful cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon. If you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

RESTORED TO HEALTH AFTER BEING GIVEN UP BY FOUR DOCTORS.

The Remarkable Case of a Copetown Lady—Afflicted With Paralysis, Suffering Intense Agony and Pronounced Incurable—She is Again Restored to Health and Vigor—She Tells Her Story for the Benefit of Other Sufferers.

Dundas Star.

During the past two years many of our most reputable exchanges have given accounts of wonderful cures occurring in the localities in which they were published. These cures were all effected by a remedy that has made for itself the most remarkable reputation of any medicine ever brought before the notice of the public; so remarkable indeed that it is a constant theme of conversation, and the name among the most familiar household words. We refer to Dr. Williams' Pink Pills for Pale People. Many of the cases published told the story of people given up by the doctors, and who were on the very threshold of the other world when Dr. Williams' Pink Pills were brought to their notice. The cases reported were in most instances distant from Dundas and for this reason might not be considered of more than passing interest. For the past month, however, the report was current in town of a wonderful cure accomplished by these same pills in the township of Ancaster. It was stated that Mrs. D. S. Horning, wife of a prominent farmer, residing about a mile west of the village of Copetown and seven miles from Dundas, had been given up by the doctors and that she had been cured by Dr. Williams' Pink Pills. So great was the interest taken in the case that The Star decided to investigate it and a few days ago a representative went up to the Horning homestead for that purpose. In passing through Copetown he learned that very little else was talked of but the remarkable recovery of Mrs. Horning. Possibly the fact that both Mrs. Horning and her husband were born in the immediate neighborhood, and are presumably known to everybody in the country around, increases the interest in the case. The Star man on arriving at the Horning residence was admitted by Mrs. Horning herself. She looked the picture of health, and it was hard to believe that she was the same woman who was at death's door four months ago. In answer to the question as to whether she had any objection to giving a history of her case for publication, Mrs. Horning replied that she had not. "I consider that my recovery was simply miraculous; I give Dr. Williams' Pink Pills all the credit, and I am willing that everybody should know about it." Mrs. Horning then gave the following history of her remarkable recovery:—

"A year ago I was taken ill with what the doctor called spinal affection, which finally resulted in partial paralysis, my legs from the knees down being completely dead. My tongue was also paralyzed. On the first of July last I took to my bed, where I laid for four months. No tongue can tell what I suffered. I was sensible all the time and knew everything that was going on, but I could not sleep for the intense pain in my head. Our family doctor said I could not live and three other doctors called in consultation agreed with him. I felt myself that it would be only a short time until death would relieve me of my sufferings. Neighbors came in; 25 or 30 every day, and every time they went away expecting that it was the last time they would see me alive. I quit taking doctor's medicine and gave up all hope. About four months ago a friend came in and read an account in the Toronto Weekly News of the miraculous recovery of an old soldier named E. P. Hawley, an inmate of the Michigan Soldiers' Home, at Grand Rapids. The story he told exactly tallied with my condition, and it was on that account that I decided to give Dr. Williams' Pink Pills a trial. When I began taking Pink Pills I was so ill that I could only take half a pill at a time for the first few days. Then I was able to take a whole one after each meal, and have continued taking them. After I had taken over a box I began to experience a strange tingling sensation all over my body, and from that out I began to improve. In a month I could walk with a cane or by using a chair, from one room to another. My general health also improved. In fact my experience was like that of the old soldier, whose case had induced me to give the pills a trial. While taking the pills at the outset I had my legs bathed with vinegar and salt and rubbed briskly. It is now four months since I began taking the Pink Pills, and from a living skeleton, racked incessantly with pain, I had as you see been transformed into a comparatively well woman. I am doing my own housework this week and am free from all pain and sleep well. When my neighbors come to see me they are amazed, and I can tell you there is great faith in Dr. Williams' Pink Pills in this section, and many are using them. When I began taking Pink Pills I made up my mind that if I got better I would have the case published for the benefit of others and I am glad you called as I am sure I would now be dead if it had not been for Pink Pills."

Mrs. Horning stated that she purchased the Pink Pills at Mr. Comport's drug store in Dundas, and Mr. Comport informed us

that his sales of Pink Pills are large and constantly increasing.

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration, and the tired feeling therefrom, the after effects of the grippe, influenza and severe colds, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature.

These pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark (printed in red ink) and wrapper, at 50 cts. a box or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all so-called blood builders and nerve tonics, no matter what name may be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

THREW AWAY HIS CRUTCHES AFTER YEARS OF TERRIBLE SUFFERING. AN INTERESTING HISTORY.

STATEMENT OF MR. WM. McNEE. For eight years I was troubled with a sore on my leg which resulted from having it broken. The doctors kept me in bed five months trying to heal it up, but all to no purpose. I tried all sorts of salves, liniments, ointments, pills and blood medicines but with no benefit. In 1883 it became so bad that I had to sit on one chair and keep my foot on another for four months. I could not put my foot on the ground or the blood would rush out in a stream and my leg swelled to twice its natural size.

ELEVEN RUNNING SORES developed on it which reduced me to a living skeleton (I lost 70 lbs. in four months). Friends advised me to go to the Hospital; but I would not, for I knew they would take my leg off. The doctor then wanted to split it open and scrape the bone, but I was too weak to stand the operation. One old lady said it had turned to black erysipelas and could never be cured. I had never heard of Burdock Blood Bitters then, but I read of a minister, Rev. Mr. Stout, who had been cured of a severe abscess on the neck by B.B.B., after medical aid had failed, and I thought I would try it. I washed the leg with the Bitters and took them according to directions. After using one bottle I could walk on crutches, after taking three, I threw away the crutches, took a scythe and went to work in the field. At the end of the sixth bottle my leg was entirely healed up; pieces of loose bone had worked out of it and the cords came back to their natural places again. That was nine years ago and it has never broken out since. I can walk five miles to-day as fast as anyone, and all this I owe to B. B. B., which certainly saved my leg, if not my life. I cheerfully recommend it to all sufferers. Give B. B. B. a trial, it will cure you as it did me.

Yours truly, Wm. McNEE, St. Ives P.O., Ont.

Mr. F. C. Sanderson, the druggist of St. Marys, Ont., certifies to the entire truthfulness of the remarkable statement made by Mr. McNEE and says that several other wonderful cures have been made in his district.
